INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Trustee of the
Parking & Transportation Management Services, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Parking & Transportation Management Services, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section:

- the amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2025 financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of Parking & Transportation Management Services, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Parking & Transportation Management Services, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Parking & Transportation Management Services, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

NOTE 1 - ORGANIZATION AND DESCRIPTION OF THE PLAN

The provisions of the Parking & Transportation Management Services, Inc. (the Company) 401(k) Plan (the Plan) were effective June 1, 2018. The Plan has been amended and restated to comply with current legislation. The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company and its participating affiliates, excluding union, leased, non-resident alien employees, and residents of Puerto Rico. Employees become eligible for participation after thirty days of service and the attainment of age 21. Employees are eligible to receive discretionary profit sharing contributions if they have also completed 1,000 hours of service during the Plan year and are employed on the last day of the year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Contributions

Participants may elect to contribute up to 100% of their pre-tax eligible compensation or Roth after-tax eligible compensation to the Plan as defined in the Plan document, within statutory limits. These contributions are paid to the Plan after each pay period. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

The Company provides for safe harbor matching contributions of 100% of the first 3% of compensation that a participant defers to the Plan, plus 50% of the amount the participant defers between 3% and 5% of compensation. Matching contributions are paid to the Plan after each pay period.

The Company may also make discretionary profit sharing contributions. No profit sharing contribution was made in 2025.

Participant Accounts

Individual participant accounts are maintained by the Plan's third party administrator. Each participant's account is credited or charged with the participant's contribution, the Company's contributions, allocations of investment income and losses on the individual account balances, and administrative expenses, if any. Distribution and loan transaction fees are deducted from the respective participant's account. Allocations are based on participant compensation, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

NOTE 1 - ORGANIZATION AND DESCRIPTION OF THE PLAN (continued)

Investment Options

Participants may direct employee and employer contributions among various mutual funds and a guaranteed investment contract. The guaranteed interest accounts are maintained in the issuer's general account and are included in the Plan's financial statements at contract value, which approximated fair value, and represents contributions made under the contracts, plus earnings, less Plan withdrawals, and administrative fees. The guaranteed crediting interest rates are determined when each deposit is directed to the account and all rates credited during the deposit year are averaged into a single composite rate. These investments are not fully benefit-responsive.

Vesting

Participants are immediately vested in their own contributions and Company contributions, plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their accounts up to the lesser of $50,000 or 50% of their vested account balance. Terms of the notes receivable may not exceed five years, except for the purchase of a primary residence. The notes receivable are secured by the balance in the participant's account and bear interest at the prime rate on the date of the note receivable issuance plus 1.5%. Interest rates range from 7.5% to 9.5% on the outstanding notes receivable from participants at December 31, 2025. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Benefits may be distributed upon retirement, death, disability, or other termination of employment. Benefits equal to the participant's vested account balance are paid in a lump sum, installments, and annuity options depending on certain factors as described in the Plan document and at the participant's election. Under certain hardship circumstances, participants may request a distribution of certain account balances prior to retirement. Effective January 1, 2026, upon reaching age 59 ½, participants may request a distribution of account balances prior to retirement.

Subsequent Events

The Plan has evaluated subsequent events through September 25, 2026, the date the financial statements were available to be issued.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are significant accounting policies used by the Plan:

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus accrued, but unpaid interest, if any. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Other Liabilities

Other liabilities represent 2026 participant and employer contributions funded to the Plan in 2025.

Contributions

Contributions from Plan participants and employer contributions from the Company are recorded in the year in which the participant contributions are withheld from compensation.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees for individual transactions such as distributions and loans are deducted from the respective participant's account. Investment related expenses, and revenue sharing fees or credits, are included in net appreciation or depreciation in fair value of investments.

NOTE 3 - FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Guaranteed interest account – Traditional guaranteed contract valued at contract value (see Note 1), which approximates fair value. Because the participants transact at contract value, fair value is determined annually for financial statement reporting purposes only based on unobservable inputs including comparable interest rates for similar investments.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025:			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 5,301,277	$ -	$ -	$ 5,301,277
Guaranteed interest account	-	-	50,293	50,293
Investments at fair value	$ 5,301,277	$ -	$ 50,293	$ 5,351,570

	Assets at Fair Value as of December 31, 2024:			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 3,542,310	$ -	$ -	$ 3,542,310
Guaranteed interest account	-	-	52,411	52,411
Investments at fair value	$ 3,542,310	$ -	$ 52,411	$ 3,594,721

NOTE 4 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants that is disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held and notes receivable from participants at December 31, 2025 and 2024, and net appreciation in fair value of investments, dividends and interest, and interest on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Transamerica Trust Company (Transamerica), custodian of the Plan.

NOTE 5 - RELATED PARTY TRANSACTIONS

Certain Plan investments are units of participation in guaranteed interest accounts managed by Transamerica and its affiliates. Fees are paid by the Plan to these parties for administrative services. Additionally, these parties collect revenue sharing from the Plan's investments to pay for administrative services.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 7 - TAX STATUS

The Plan operates under provisions of a Pre-Approved Plan, which received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which stated that the Pre-Approved Plan, as then designed, was acceptable under the applicable sections of the Internal Revenue Code (IRC) for use by the employers for the benefit of their employees. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

GAAP requires the Plan Administrator to evaluate the tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan allows participants to invest in investment securities that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with the investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.
