INDEPENDENT AUDITOR'S REPORT

To the Plan Trustees, Plan Management, Management and
the Board of Directors of Slakey Brothers, Inc.
Sacramento, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed audits of the accompanying financial statements of Slakey Brothers, Inc. Profit Sharing 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above, related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

I conducted my audits in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of the Plan and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

My audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedule, I evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF PLAN

The following description of the Slakey Brothers, Inc. Profit Sharing 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's Provisions.

General

The Plan is a defined contribution plan covering substantially all eligible employees of Slakey Brothers, Inc. (the Company). Through November 30, 2025, employees classified as union, leased, non-resident, independent contractors, and seasonal employees including interns were excluded from participation. Effective December 1, 2025, in connection with the restatement described below, excluded employees are those classified as union, non-resident aliens, residents of Puerto Rico, interns, summer help, and employees acquired in a stock or asset acquisition until participation is authorized by the Plan Sponsor. The Plan was adopted as of March 1, 1985, was amended and restated as of January 1, 2022, and was further amended and restated effective December 1, 2025. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Trustees are responsible for oversight of the Plan, which includes determining the appropriateness of the Plan's investment offerings, monitoring investment performance, and reporting to the Company's Board of Directors.

Change in Trustee and Recordkeeper

Effective December 1, 2025, the Plan changed its trustee from Charles Schwab Trust Bank to Empower Trust Company, LLC, and its recordkeeper and third-party administrator from Northwest Plan Services to Empower Retirement, LLC. In connection with the change, the Plan was amended and restated onto a pre-approved plan document sponsored by Empower Retirement, LLC, effective December 1, 2025. All Plan assets were transferred from the prior trustee to the successor trustee on December 1, 2025. A blackout period was in effect from November 20, 2025 through December 12, 2025, during which participants were temporarily unable to direct or diversify investments, obtain loans, or request distributions. The notice of the blackout period required by ERISA Section 101(i) was furnished to participants on October 21, 2025.

SECURE 2.0

The retirement provisions of the Consolidated Appropriations Act of 2023, referred to as "SECURE 2.0," contain both required and optional elements with various effective dates. The Plan administrator continues to evaluate the optional provisions and to implement the required provisions as they become effective.

Eligibility

All employees may enter the Plan on their date of hire, as defined by the Plan. To be eligible for the profit-sharing part of the Plan, eligibility requirements consist of being employed on the last day of the Plan year and having completed 1,000 hours of service within the applicable Plan year.

Contributions

Participants – Each year, participants may contribute pretax or post-tax (Roth) up to 75 percent of annual compensation, as defined by the Plan, and subject to certain Internal Revenue Service (IRS) limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants who have attained age 50 before the close of the Plan year may make catch-up contributions, subject to IRS limitations.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Contributions (continued)

Participants (continued) – The Plan includes an automatic enrollment provision whereby newly eligible employees are automatically enrolled in the Plan at a pre-tax deferral rate of 5 percent of eligible compensation unless they affirmatively elect a different amount or elect not to participate. Automatic contributions do not begin until the participant has been notified of the automatic enrollment provisions and has been given a reasonable period in which to make a contrary election. Contributions of automatically enrolled participants are allocated to an applicable fund within the Vanguard Target Retirement series of funds, based on the participant's age, until changed by the participant. The automatic deferral percentage remains at 5 percent of eligible compensation and does not escalate.

Discretionary Matching – The Company may make discretionary matching contributions. No discretionary matching contributions were made for the year ended December 31, 2025.

Discretionary Non-Elective Profit-Sharing – The Company may make a discretionary non-elective profit-sharing contribution. No profit-sharing contributions were made for the year ended December 31, 2025. The contribution is made subsequent to the plan year-end. Employer contributions are recorded in the period the Company is obligated to make the contribution to the Plan.

Participant Accounts

Separate accounts are maintained for each participant. Each participant's respective account is credited with the participant's contributions and allocations of the Company's discretionary matching and profit-sharing contributions, if any, and plan earnings, and charged with an allocation of investment losses, withdrawals, and administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment in the Plan, participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan. Participants may move portions of their accounts between investment options at any time.

Vesting

Participants are vested immediately in their deferral contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and non-elective profit-sharing contributions portion of their accounts is based on years of continuous service. A participant is 100 percent vested in the discretionary matching and non-elective profit-sharing contributions after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is the prime rate plus 1 percent, as provided by the Plan's current written loan policy. Loans originated under prior loan policies bear interest at the rate in effect at origination. One loan at a time is allowed to be outstanding. Principal and interest is paid ratably through regular payroll deductions.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, as defined by the Plan, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, annual installments, or partial distributions. If a participant's vested account balance does not exceed $7,000 upon termination of service, the Plan will distribute the account balance to the participant without the participant's consent. A distribution greater than $1,000 that the participant does not elect to have paid directly to an eligible retirement plan or to receive directly is paid in a direct rollover to an individual retirement account designated by the Plan administrator.

Hardship withdrawals of the participant's contributions are permitted by the Plan. Hardship withdrawals must be approved by the Plan administrator and are limited to vested amounts of participants' 401(k) deferrals and the earnings thereon. Before a hardship withdrawal may be made, a participant must obtain all nontaxable loans available under the Plan and under any other plan maintained by the Company. A participant may continue to contribute to the Plan after receiving a hardship withdrawal.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited non-vested accounts totaled $60,629 and $104,107, respectively. These accounts may be used to pay administrative expenses under the Plan, reduce future employer contributions, or be allocated to participant accounts. Also, during the year ended December 31, 2025, $104,107 were used to fund a portion of the profit-sharing contribution for the year ended December 31, 2024, which was allocated during 2025.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrator and Company's management determine the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments consists of both the realized gains or losses and unrealized appreciation and depreciation on investments bought and sold as well as held during the year.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Contributions
Contributions from participants are recorded as they are withheld from the wages.

Payment of Benefits
Benefits are recorded when paid.

Administrative Expenses
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events
The Plan has evaluated subsequent events through October 1, 2026, the date the financial statements were available to be issued.

NOTE 3 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds:

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Fund:

A stable value fund that is composed primarily of fully-benefit responsive investment contracts that is valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. The NAV per unit is calculated as of the close of trading on the NYSE. The NAV per unit is computed by dividing the total fair value of the assets in the fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in the fund and included in the determination of unit values.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024.

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 35,338,551	$ -	$ -	$ 35,338,551
Total assets in the fair value hierarchy	$ 35,338,551	$ -	$ -	35,338,551

Total investments				$ 37,555,878

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 38,212,794	$ -	$ -	$ 38,212,794
Total assets in the fair value hierarchy	$ 38,212,794	$ -	$ -	38,212,794
Collective trust fund, at net asset value *				2,624,594
Total investments				$ 40,837,388

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

* Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

Investments measured using the net asset value per share practical expedient
The following table summarizes the investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

	December 31, 2025			
	Fair value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
Collective trust fund	$ 2,217,327	$ -	Daily	12 months

	December 31, 2024			
	Fair value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
Collective trust fund	$ 2,624,594	$ -	Daily	12 months

NOTE 4 CERTIFIED INVESTMENT INFORMATION

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including the fair value of investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments, and interest and dividend income for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by the trustees of the Plan. Effective December 1, 2025, the Plan changed trustees from Charles Schwab Trust Bank to Empower Trust Company, LLC. Accordingly, the information described above was certified by Charles Schwab Trust Bank as of December 31, 2024 and for the period from January 1, 2025 through November 30, 2025, and by Empower Trust Company, LLC as of December 31, 2025 and for the period from December 1, 2025 through December 31, 2025. Both are qualified institutions. The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing the information with the information included in the financial statements and supplemental schedule.

NOTE 5 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 RELATED PARTIES AND PARTY-IN-INTEREST TRANSACTIONS

Effective December 1, 2025, Empower Trust Company, LLC serves as directed trustee of the Plan and Empower Retirement, LLC serves as recordkeeper and third-party administrator. Through November 30, 2025, Charles Schwab Trust Bank served as trustee and Northwest Plan Services served as recordkeeper and third-party administrator. These parties are parties in interest as defined by ERISA, and the payment of reasonable compensation for services rendered qualifies as an exempt party-in-interest transaction.

The Plan holds notes receivable from participants. These transactions qualify as exempt party-in-interest transactions.

The Company is a party-in-interest to the Plan and pays certain administrative expenses on behalf of the Plan. These transactions qualify as exempt party-in-interest transactions.

NOTE 7 TAX STATUS

Effective January 1, 2022, the Plan was amended and restated onto a non-standardized pre-approved profit sharing plan with a cash or deferred arrangement sponsored by CCH Incorporated dba FTWilliam.com. The sponsor of that pre-approved plan received an opinion letter from the IRS dated June 30, 2020, stating that the form of the pre-approved plan was in compliance with the applicable requirements of the Internal Revenue Code (the "Code").

Effective December 1, 2025, in connection with the change in recordkeeper and trustee described in Note 1, the Plan was amended and restated onto a non-standardized pre-approved defined contribution plan sponsored by Empower Retirement, LLC. The sponsor of that pre-approved plan received an opinion letter from the IRS dated November 14, 2022 (Letter Serial No. Q702518a), stating that the form of the pre-approved plan was in compliance with the applicable requirements of the Code. The restatement was a change in plan document provider and did not eliminate any protected benefit or change the Plan's qualified status.

The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.
