# INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Reddi Industries, Inc. 401(k) Plan
Wichita, Kansas

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Reddi Industries, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Reddi Industries, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Reddi Industries, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Reddi Industries, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Reddi Industries, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Reddi Industries, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Other Matters

### *Supplemental Schedules Required by ERISA*

The supplemental schedules of Schedule H, Line 4a-Schedule of Delinquent Participant Contributions and Schedule H, Line 4i-Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management

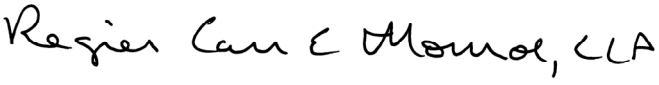

and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## 1. Description of the Plan

The following description of Reddi Industries, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the *Summary Plan Description* for a more complete description of the Plan's provisions, which is available from the plan administrator.

***General***

The Plan was established January 1, 2003, and amended effective December 5, 2022. The Plan is a defined contribution plan covering employees of Reddi Industries, Inc. (the Company). An employee can commence participation in the Plan on the Plan Entry Date (1/1, 4/1, 7/1 or 10/1) after completion of the eligibility requirements of: 1) twelve (12) months of employment in which they work at least 1,000 hours, and 2) attainment of age twenty-one (21). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

***Contributions***

Participants may contribute up to 75% of their eligible compensation as defined in the Plan, subject to certain IRC limitations. Employees have the option to designate all or any portion of their future elective contributions as 401(k) pretax or Roth after tax elective deferral contributions. The Company contributes a discretionary matching amount, if any, up to a percentage of pay determined by the Company for eligible employees. The Company may make a discretionary nonelective contribution to the Plan. The maximum employee contribution for 2025 was $23,500 with an additional catch up contribution of up to $7,500 for qualified participants. These contributions are made in cash.

Rollover contributions to this Plan by a transfer or rollover of an "eligible rollover distribution" from another employer's trust may be made subject to certain requirements specified by the Internal Revenue Code.

***Participant Accounts***

Each participant has the option of directing his contributions into any of the various investment options offered by the Plan and may change the allocation daily.

Each participant's account is credited with a) the participant's contributions, b) the employer's contribution, and c) earnings on the participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance.

## 1. Description of the Plan (Continued)

***Vesting***
Participants are immediately vested in their contributions, including rollover contributions, plus actual earnings thereon. Employer match contributions plus actual earnings thereon is based on years of service as follows:

| Vesting Service Years | Vesting Percentage |
|---|---|
| Less than 2 | 0% |
| 2 years | 20% |
| 3 years | 40% |
| 4 years | 60% |
| 5 years | 80% |
| 6 or more years | 100% |

***Payment of Benefits***
On termination of service due to death, disability or retirement, a participant will receive benefit payments in the form of a lump-sum. For termination of service due to other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution.

***Notes Receivable from Participants***
Participants may borrow from their accounts a minimum of $1,000 up to a maximum of the lesser of $50,000 or 50% of their vested account balance. Loan terms may not exceed 5 years, except for loans used for the purchase of a principal residence which allow terms up to 15 years, and must provide for payments to be made not less frequently than quarterly. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate of local prevailing rates. Participants are charged for any related loan fees.

***Forfeited Accounts***
Forfeitures occur at the earlier of payout or five year break in service. Forfeitures of terminated participant's non-vested accounts in the employer match portion of the Plan are used to pay administrative expenses and the remainder is used to reduce the employer match. Forfeitures totaled $0.00 for the year ended December 31, 2025. At December 31, 2025 and 2024, forfeited nonvested accounts totaled $14,718 and $12,601, respectively.

## 2. Summary of Significant Accounting Policies

***Basis of Accounting***
The accompanying financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

## 2. Summary of Significant Accounting Policies (continued)

***Use of Estimates***
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

***Notes Receivable from Participants***
Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

***Investment Valuation and Income Recognition***
Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. FASB Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in an active market for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The standard describes three levels of inputs that may be used to measure fair value:

> Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;
> Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and
> Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

Investments in fully benefit-responsive investment contracts are reported at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. All financial instruments held by the Plan are considered to be participant directed investments.

## 2. Summary of Significant Accounting Policies (continued)

***Excess Contributions Payable***
Amounts payable to participants for contributions in excess of amounts allowed by the IRS, if any, are recorded as a liability with a corresponding reduction to contributions.

***Payment of Benefits***
Benefit payments to participants are recorded upon distribution.

***Operating Expenses***
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

## 3. Income Tax Status

The IRS has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing jurisdictions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## 4. Investments

***Investments, at fair value***
Upon enrollment in the Plan, a participant may direct participant and employer contributions in any of the numerous investment options made available to them. Participants may change their investment options daily. During the year ended December 31, 2025, the Plan's investments (including gains and losses on investments bought, sold and held during the year, plus interest and dividends) appreciated in value by $1,168,119.

## 4. Investments (continued)

***Investments, at fair value (continued)***

Following is a description of the valuation methodologies used for assets measured at fair value:

*Money Market and Mutual Funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

| | Assets at Fair Value as of December 31, 2025 | | | |
|---|---|---|---|---|
| | Total | (Level 1) | (Level 2) | (Level 3) |
| **Investments, at fair value** | | | | |
| Mutual funds | $7,803,219 | $7,803,219 | $ - | $ - |
| | $7,803,219 | $7,803,219 | $ - | $ - |

| | Assets at Fair Value as of December 31, 2024 | | | |
|---|---|---|---|---|
| | Total | (Level 1) | (Level 2) | (Level 3) |
| **Investments, at fair value** | | | | |
| Mutual funds | $6,176,872 | $6,176,872 | $ - | $ - |
| | $6,176,872 | $6,176,872 | $ - | $ - |

***Investments, at contract value***

The Plan holds an interest in a traditional fully benefit-responsive guaranteed investment contract, American United Life Insurance Company (AUL). AUL maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

## 4. Investments (continued)

***Investments, at contract value (continued)***

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by AUL, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

## 5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

## 6. Related Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Certain Plan investments are mutual funds managed by American United Life Insurance Company, a OneAmerica company, the asset custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

The Plan engages Regier Carr & Monroe, LLP for audit services and Hinkle Law Firm for legal services. The Corporation pays for these services at no cost to the Plan.

The Plan Sponsor has an agreement with Farmer & Betts as the third party administrator and with Lake Life Planning as the investment advisor.

The Company also provides certain administration services at no cost to the Plan.

These party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

## 7. Information Certified by Plan Asset Custodian

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's custodian has certified to the completeness and accuracy of all investments reflected in these financial statements as described below.

American United Life Insurance Company (AUL), a OneAmerica company, has certified to the completeness and accuracy of the following data included in the financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.

- Investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.

- Schedule H, Line 4i – schedule of assets (held at end of year), December 31, 2025.

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

## 8. Plan Termination

Although it has expressed no intent to do so, the Company reserves the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of termination of the Plan, the interests of the participants in the Plan shall be fully vested at the time of termination and the Trustee shall liquidate all assets of the Trust and continue to administer the Trust in accordance with its provisions until all obligations have been satisfied.

## 9. Non-exempt/Prohibited Transactions

During the year, the Company failed to timely remit to the Plan withheld employee contributions on multiple occasions and in the aggregate amount of $4,149 in accordance with the plan asset provisions of the Department of Labor ("DOL") Regulations 2510.3-102, resulting in prohibited, or nonexempt transactions. The accompanying Schedule of Delinquent Participant Contributions discloses this transaction in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The Company has opted to correct the contributions outside the VFCP (Voluntary Fiduciary Correction Program).

## 10. Subsequent Events

The Plan was restated effective January 1, 2026 when the TPA changed to ERISA Services Midwest, LLC. There were no significant changes to the Plan's provisions. The record keeper / custodian changed to T Rowe Price on or about April 1, 2026.

The Company has evaluated subsequent events through October 1, 2026, the date which the financial statements were available to be issued.
