Independent Auditors' Report

Plan Administrator of the E. & J. Gallo Winery Master Health and Dental Benefit Plan:

Opinion

We have audited the accompanying financial statements of the E. & J. Gallo Winery Master Health and Dental Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the E. & J. Gallo Winery Master Health and Dental Benefit Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, and the benefit obligations as of December 31, 2025 and 2024, and the changes in its benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of E. & J. Gallo Winery Master Health and Dental Benefit Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about E. & J. Gallo Winery Master Health and Dental Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of E. & J. Gallo Winery Master Health and Dental Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about E. & J. Gallo Winery Master Health and Dental Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1. Plan Description

The following brief description of the E. & J. Gallo Winery Master Health and Dental Benefit Plan (the Plan) is provided for general information purposes only. Participants should refer to the summary plan description for more complete information.

General:

The Plan provides health and dental benefits to eligible active and retired employees of E. & J. Gallo Winery and certain affiliated companies (the Companies). Plan assets are held in two voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the provisions of the Employee Retirement Income Securities Act of 1974 (ERISA).

Benefits:

The Plan provides defined health care benefits (medical, vision, prescriptions, hospital, surgical, major medical) and defined dental care benefits to eligible employees of the Companies, and to eligible enrolled dependents as well as eligible retirees and/or their spouses. Enrollment is elective for all. The Plan also provides continued health care coverage to current and former employees and their beneficiaries who qualify under the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Insured and self-insured benefits:

The Plan fully insures certain health care benefits. The Plan purchases annual insurance contracts for these insured benefits. Premiums are paid to the insurance companies from the assets of the VEBA trusts.

Dental benefits are fully insured.

All other Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the Plan's VEBA trusts. Despite the Plan's utilization of third-party claim's processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

Contributions:

The Companies, employees, and members qualifying under COBRA make monthly contributions to the Plan based on amounts established by the Plan Administrator. Eligible retirees contribute fees based on their number of years of service. The costs of the postretirement benefit plan are shared by the Companies and retirees. Retiree contributions (as a percent of early retiree premiums) are dependent on years of service and date of retirement as follows:

	Retiree Contributions	Retiree Contributions	Retiree Contributions
Years of Service	Employees retiring on or before December 31, 2010	Employees Retiring on or after January 1, 2011	Employees Retiring after January 1, 2011 with a Date of Hire after January 1, 2007
15 through 19 years	100%	100%	100%
20 through 24 years	75%	75%	100%
25 through 29 years	50%	50%	100%
over 30 years	0%	*Same as active employees	100%

The Companies make contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Companies and employees on a pay-as-you-go basis. The Plan is funded currently.

Experience-rated contracts:

Certain insurance contracts are subject to experience-rating adjustments. Experience ratings (calculated as the difference between premiums paid and the total of claims paid and fees charged by the insurance company) are determined by the insurance company in the following year and may result in a premium surplus or deficit.

Stop loss coverage:

The Plan has entered into a stop loss insurance arrangement in an effort to limit its exposure for self-insured benefits that covers individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims.

Plan termination:

Although they have not expressed intent to do so, the Companies have the right, subject to terms of collective bargaining agreements under the Plan, to modify the benefits provided to active employees, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. The assets of the Plan would be used to pay claims for benefits incurred prior to termination of the Plan.

Note 2. Significant Accounting Policies

The following is a summary of significant accounting policies applied in the preparation of these financial statements:

Basis of accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, incurred but not reported (IBNR), claims payable, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash:

Cash is concentrated in high quality financial institutions. At various times during the year, the Plan's cash balances exceeded the amount insured by the Federal Deposit Insurance Corporation (FDIC).

Other receivables:

Other receivables are recorded when earned and are comprised of stop loss reimbursements, refunds and other rebates from third-party claims processors.

Payment of benefits:

Benefits paid by the Plan include insurance premium payments and claim payments, net of stop loss reimbursements, refunds and rebates. Claim payments are recorded when paid to the third-party claims processor. Amounts due to insurance carriers for premiums that have yet to be paid by the Plan are recorded as accrued expenses on the accompanying statements of net assets available for benefits. Amounts due to claims processors for claims that have yet to be paid by the Plan are recorded as health claims payable on the accompanying statements of benefit obligations.

Experience-rated contracts

For experience-rated contracts, premium surpluses are netted on invoices from insurance company by insurance company. To the extent that premium surpluses are attributable to premiums paid by the Company, a payable to the Company is also recorded for surplus amounts attributable to Company-paid coverage.

If the insurance company requires payment of additional premiums due to a premium deficit, an obligation for the additional premiums is included in benefit obligations.

Administrative expenses:

Administrative expenses directly related to providing health benefits are paid by the Plan. These expenses are reported on the statements of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Companies on behalf of the Plan and are excluded from these financial statements.

Refunds and rebates:

Refunds and rebates from the Plan's service providers are recorded when earned. Refunds and rebates due as of the financial statement date have been reported as a receivable, with the offset being netted against claims paid. Refunds and rebates netted with benefits paid were $690,262 and $1,042,753 for the years ended December 31, 2025 and 2024, respectively, and are included in the accompanying statements of changes in net assets available for benefits.

Stop loss coverage:

Premiums for stop loss insurance are included in the accompanying statements of changes in net assets available for benefits. Stop loss reimbursements totaling $8,381,407 and $2,621,665 have been netted with benefits paid in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, respectively.

Claims incurred but not reported:

The Plan's obligations at December 31 for claims incurred but not reported (included in the statements of benefit obligations) are estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment.

Note 3. Postretirement Benefits

The postretirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed by the terms of the Plan to employees' service rendered to the date of the financial statements. Postretirement benefits include future benefits expected to be paid to or for (1) currently retired or terminated employees and their beneficiaries and dependents and (2) active employees and their beneficiaries and dependents after retirement from service with the participating Companies. The postretirement benefit obligation represents the amount that is to be funded by contributions from the Plan's participating Companies and from existing Plan assets. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to that employee's service rendered to the valuation date.

The actuarial present value of the expected postretirement benefit obligation is determined by an actuary and is the amount that results from applying actuarial assumptions to historical claims-cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

For measurement purposes, the rate of increase in the per capita costs of covered healthcare benefits assumed a trend rate starting at 8.25% in year one and ending with a 4.50% constant in the year 2035 for the year ended December 31, 2025 and a trend rate starting at 8.50% in year one and ending with a 4.50% constant in the year 2034 for the year ended December 31, 2024. A 4.20% constant per capita rate of increase per year was assumed for dental benefits for the years ended December 31, 2025 and 2024. A weighted average discount rate of 5.39% and 5.57% was used to determine the accumulated postretirement benefit obligation as of December 31, 2025 and 2024, respectively.

The following were other significant assumptions used in the valuations as of December 31, 2025 and 2024:

	2025	***2024***
Effective discount rate	5.39%	5.57%
Expected long-term rate of return	N/A	N/A
Retirement age	Vary by age or by age and service for various groups of employees	Vary by age or by age and service for various groups of employees
Mortality rates	Non-union participants-amounts-weighted rates from the Pri-2012 mortality study with white collar adjustments; mortality rates are projected generationally from 2012 using Scale MP-2021	Non-union participants-amounts-weighted rates from the Pri-2012 mortality study with white collar adjustments; mortality rates are projected generationally from 2012 using Scale MP-2021
	Union participants- amounts-weighted rates from the Pri-2012 mortality study; mortality rates are projected generationally from 2012 using Scale MP-2021	Union participants- amounts-weighted rates from the Pri-2012 mortality study; mortality rates are projected generationally from 2012 using Scale MP-2021

These assumptions are consistent with those used to measure the benefit obligation at December 31, 2025 and 2024.

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligation.

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimates and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Note 4. Benefit Obligations

The Plan's deficiency of net assets over benefit obligations at December 31, 2025 and 2024 relates primarily to the postretirement benefit obligations. It is expected that such deficiency will be funded through future contributions to the Plan by the Companies and employees on a pay-as-you-go basis.

Health and dental costs incurred by participants and their beneficiaries and dependents are covered by insurance contracts maintained by the Plan. It is the present intention of the Companies and the Plan to continue obtaining insurance coverage for benefits. The Plan's postretirement benefit obligation, including future insurance premiums, will be funded by the Companies' contributions to the Plan in those later years.

The weighted-average health care and dental cost-trend rate assumption has a significant effect on the amounts reported as benefit obligations in the accompanying financial statements. If the assumed rates increased by one percentage point, it would increase the obligation by approximately $3,330,000 and $3,487,000 as of December 31, 2025 and 2024, respectively.

Note 5. Party-in-Interest Transactions

The Plan utilizes third party and contract administrators who provided administrative services for the years ended December 31, 2025 and 2024. Fees paid by the Plan for these services amounted to $3,676,451 and $3,280,634 for the years ended December 31, 2025 and 2024, respectively. These transactions qualify as party-in-interest transactions under ERISA which are exempt from the prohibited transactions rule.

Note 6. Tax Status

The Plan is not required to obtain a determination letter from the Internal Revenue Service (IRS). The latest favorable determination letter received by the Companies' employee benefit trust from the IRS regarding Section 501(c)(9) trust's tax-exempt status of the Plan was dated November 19, 1976. The latest favorable determination letter received by the Companies' union health trust from the IRS regarding Section 501(c)(9) trust's tax-exempt status of the Plan was dated November 27, 1979. The Plan Administrator and the Plan's legal counsel believe that the Plan is currently being operated in compliance with the applicable provisions of the Internal Revenue Code (IRC), and therefore believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note 7. Reconciliation of Financial Statements to Form 5500

Certain balances included on Schedule H, Part I and II on the Annual Return/Report of Employee Benefits Plan (Form 5500) have been reclassified for the purpose of presentation in the financial statements.

The following is a reconciliation of net assets available for benefits according to the financial statements to those shown on the Plan's Form 5500 Schedule H at December 31, 2025 and 2024:

	2025	*2024*
Net assets available for benefits per the financial statements	$22,036,523	$ 23,080,728
Benefits payable	(5,778,347)	(5,547,092)
Net assets available for benefits per Form 5500	$16,258,176	$ 17,533,636

The following is a reconciliation of benefits paid to participants according to the financial statements to those shown on the Plan's Form 5500 Schedule H for the year ended December 31, 2025:

	2025
Benefits paid to participants per the financial statements	$84,592,001
Stop loss premiums per financial statements	4,394,628
Add: Benefits payable at December 31, 2025	5,778,347
Less: Benefits payable at December 31, 2024	(5,547,092)
Benefits paid to participants per Form 5500	$89,217,884

Health claims payable and claims incurred but not reported are not presented as liabilities in the accompanying statements of net assets available for benefits at December 31, 2025 and 2024.

Note 8. Subsequent Events

The Plan has evaluated events and transactions subsequent to December 31, 2025 through the date the financial statements were available to be issued, noting no significant items requiring further discussion.
