INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Advantage Mailing, LLC 401(K) Plan
Anaheim, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Advantage Mailing, LLC 401(K) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Advantage Mailing, LLC 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Advantage Mailing, LLC 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Advantage Mailing, LLC 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Advantage Mailing, LLC 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Advantage Mailing, LLC 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1. DESCRIPTION OF PLAN

The following description of the Advantage Mailing, LLC 401(K) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a qualified defined contribution plan covering all employees of the Plan Sponsor who have completed one year of service. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was adopted on September 1, 2005, as a voluntary employee contribution plan for the benefit of the employees of Advantage Mailing, LLC (The "Plan Sponsor") to provide benefits to eligible employees, as defined in the Plan document. The Plan's trustee is ADP Retirement Trust Services, LLC ("Trustee") is responsible in the custody and management of the plan's assets. The Plan's recordkeeper is ADP retirement services. The Plan Sponsor serves as the plan administrator. The Plan Administrative Committee is responsible for selecting investment offerings and ensuring compliance with Plan document.

Contributions: Each year, participants may contribute a percentage of pretax or Roth after tax compensation, as defined by the Plan. All contributions are subject to certain Internal Revenue Code ("IRC") limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions, subject to certain IRC limitations. Participants may also contribute amounts representing rollover distributions from other qualified plans. The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of their eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Plan allows the Plan Sponsor to make discretionary matching and non-elective contributions. For the years ended December 31, 2025 and 2024, the Plan Sponsor did not elect to make any employer contributions.

Participant accounts: Each participant's account is credited with the participant's elective contribution, and allocations of any Plan earnings, and is reduced by Plan fees. Allocations are based on participant earnings or account balances, as defined. Administrative expenses are allocated to participant's accounts based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment elections: Upon enrollment in the Plan, participants direct their contributions into any of the various investment options offered by the Plan. The Plan currently offers a choice of various investment options for participants. Participants may change or transfer their investment options at any time.

Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's discretionary matching and non-elective discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service with the Plan Sponsor as follows:

Years of Vesting Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

NOTE 1. DESCRIPTION OF PLAN (Continued)

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The notes are secured by the balance in the participant's account and bear a reasonable interest rate (prime rate at the inception of the loan plus one percent). Principal and interest is paid ratably through payroll deductions. Interest rates on outstanding notes ranged from 4.25% to 9.50% at December 31, 2025. Notes are amortized in level payments over a period not to exceed five years, except for notes to purchase the participant's primary residence that are amortized in level payments over a period not to exceed thirty years. For participant notes that become delinquent, the amount of the unpaid note principal plus any accrued interest will be treated as a deemed distribution. Deemed distributions are reported as a taxable distribution and remain part of the participant's account balance until a distributable event occurs.

Payment of benefits: The payment of benefits can be made upon service or disability retirement, termination of the Plan, death, termination of employment, or financial hardship. Upon termination of employment, a participant may withdraw his or her accumulated balances in the Plan. If a participant has reached the age of 59 ½, distributions may be made, at the participant's election, from any account which are 100% vested without requiring the participant to terminate employment. Only lump sum cash distributions are permitted. Upon termination, a participant with a vested account balance equal to or less than $5,000 will automatically receive a lump sum distribution. Hardship withdrawals are allowed from the participant's elective account for certain qualifying hardship circumstance. Additionally, participants may keep their account with the Plan or rollover the balance to another qualified retirement account.

Forfeited accounts: As of December 31, 2025 and 2024, the forfeited nonvested accounts totaled $0 and $0, respectively. Forfeitures of nonvested accounts will be used to reduce any employer contributions.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting: The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of estimates: The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes receivable from participants: Participant note receivables are reported at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make note repayments and the plan administrator deems the participant note to be in default, the participant note balance is reduced, and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

Administrative expenses: Certain expenses of the Plan are paid by the Plan Sponsor and are excluded from these financial statements. Administrative expenses paid by the Plan for the year ended December 31, 2025 totaled $106,405.

Payment of benefits: Distributions to the participants of the Plan are recorded when paid.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment valuation and income recognition: The Plan's participant directed investments are reported at fair value as determined by the Trustee based on factors such as quoted market prices in active markets and prevailing interest rates. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contributions are invested in unaffiliated mutual funds and a common collective trust.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for its investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for applicable investments.

Subsequent events: The Plan has evaluated subsequent events through September 21, 2026, the date the financial statements were available to be issued.

NOTE 3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology are observable other than level 1 prices, such as quoted prices for similar assets and liabilities; quoted prices in markets that are not active; or other inputs that are observable for the assets or liabilities. Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation measurement are unobservable, supported by the little or no market data, and are significant to the fair value of the assets and liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Registered investment companies: Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded and are considered Level 1 assets. The NAV is a quoted price in an active market.

NOTE 3. FAIR VALUE MEASUREMENTS (Continued)

Common collective trust ("CCTs"): The Plan has an investment in a common collective trust: MetLife Rel Stable Value Fund. Units held in common collectives are valued using NAV practical expedient of the CCTs as reported by the CCTs managers. The NAV practical expedient is based on fair value of the underlying assets owned by the CCTs, minus its liabilities, and then divided by the number of units outstanding. The NAV practical expedient of a CCTs is calculated based on a compilation of primarily observable market information.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	**Level 2**	**Level 3**	**Total**
Registered investment companies	$ 17,915,801	$ -	$ -	$ 17,915,801
Collective investment trust measured at NAV (Practical expedient) (a)				965,916
Total investments				**$ 18,881,717**

	Assets at Fair Value as of December 31, 2024			
	Level 1	**Level 2**	**Level 3**	**Total**
Registered investment companies	$ 14,397,651	$ -	$ -	$ 14,397,651
Collective investment trust measured at NAV (Practical expedient) (a)				1,093,442
Total investments				**$ 15,491,093**

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 4. EXCESS CONTRIBUTIONS

Participants' contributions include $0 and $45,992 of excess contributions for the years ended December 31, 2025 and 2024, respectively. The 2024 excess contributions were returned to the participants before March 15, 2025 for the year ended December 31, 2024.

NOTE 5. PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are made available by ADP Retirement Trust Services, LLC, who is the Trustee as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions as defined by ERISA. Fees incurred by the Plan for investment servicing are included in net appreciation (depreciation) in fair value of investments and amounted to, as they are paid through revenue sharing, rather than direct payment.

During the year ended December 31, 2025, the Plan made direct payments of $106,405, to third party servicers for recordkeeping, trustee, and investment advisory services, which were not covered by revenue sharing. Of these payments, certain fees of $56,970 paid to the recordkeeper are considered to be party-in interest transactions under ERISA. The Plan Sponsor pays directly any other fees related to the Plan's operations, other than investment management fees. Note from participants and the related interest income of $39,000 are also considered related party transactions.

NOTE 6. CERTIFIED INVESTMENT INFORMATON

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, ADP Retirement Trust Services, LLC, the trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivables from participants reflected on the accompanying statements of net assets available for plan benefits as of December 31, 2025 and 2024, the supplemental Schedule, Schedule H, line 4i -- Schedule of Assets (Held at End of Year) as of December 31, 2025; and the related investment activity and interest income on notes receivable from participants reflected in the statement of changes in net assets available for plan benefits for the year ended December 31, 2025.

NOTE 7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024 to the respective Form 5500:

	2025	2024
Net assets available for benefits per the financials statements	$ 19,310,347	$ 15,831,394
Amounts accrued for excess participant contributions	-	45,992
Net assets available for benefits per the Form 5500	$ 19,310,347	$ 15,877,386
Net increase in net assets available for benefits per the financial statements	$ 3,478,953	
Amounts accrued for excess participant contributions, prior year	(45,992)	
Net increase in net assets available for benefits per the Form 5500	$ 3,432,961	

NOTE 8. TAX STATUS

The Plan document is a pre-approved prototype plan that received a favorable opinion letter from the IRS dated October 6, 2020, which stated that the Plan, as then designed, was in accordance with applicable sections of the IRC. Although the plan has been amended since receiving the favorable opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the federal or state tax authorities. The Plan's administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Plan Sponsor may determine.

NOTE 10. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
