# INDEPENDENT AUDITOR'S REPORT

Vermont Precision Tools, Inc. 401(k) Plan
Swanton, Vermont

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Vermont Precision Tools, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Vermont Precision Tools, Inc. 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years ended December 31, 2025 and December 31, 2024, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Vermont Precision Tools, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Vermont Precision Tools, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Vermont Precision Tools, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Vermont Precision Tools, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets held at end of year are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

## NOTE 1 DESCRIPTION OF PLAN

The following description of the Vermont Precision Tools, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

### General

The Plan was established on October 1, 1987, as a cash or deferred profit-sharing plan covering eligible employees of Vermont Precision Tools, Inc. and Vermont Thread Gage, LLC (the Employer) who have completed one year of service and performed 1,000 hours of service during that time and have attained age twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

### Contributions

Participants make voluntary employee salary reduction contributions. Participants may elect to contribute from 1% to 100% of their compensation into the Plan. A participant's annual contribution may not exceed IRS limits.

Employees may make rollover or transfer contributions prior to becoming a participant upon approval of a Plan representative.

The Employer will match 50% of participant elective deferrals, not to exceed 5% of the participant's compensation.

### Participant Accounts

Each participant's account is credited with the participant's allocated share of the Employer's contributions, elective deferrals, any amount of transfer and rollover contributions, and the participant's share of investment earnings and appreciation in the value of investments. Participants may direct their funds to various investment fund options. Withdrawals or distributions made to the participant, the participant share of investment losses and depreciation in the value of investments, and the participant's share of administrative fees and expenses paid out of the Plan will be deducted from each participant's account.

### Vesting

Under this Plan, participants are vested according to the following schedule:

| Years of Service | Vested % |
|---|---|
| Less than 2 years | 0% |
| At least 2 years, but less than 3 | 20% |
| At least 3 years, but less than 4 | 40% |
| At least 4 years, but less than 5 | 60% |
| At least 5 years, but less than 6 | 80% |
| 6 years or more | 100% |

NOTE 1 DESCRIPTION OF PLAN (continued)

Notes Receivable from Participants

Participants may borrow from their vested fund accounts a minimum of $500 up to a maximum equal of the lessor of $50,000 or 50% of their account balance. The loans are treated as participant directed investments and are secured by the balance in the participant's account. Principal and interest are paid ratably through payroll deductions bearing interest at rates that are commensurate with local prevailing rates as determined by the third party administrator. Delinquent participant loans are reclassified distributions based on the terms of the plan document.

Hardship Withdrawals

Participants may file a written request for a hardship withdrawal of the portion of their account attributable to elective deferrals, Employer contributions and rollovers from other plans. Hardship withdrawals may be authorized by the employer for the following reasons: to assist in purchasing a primary place of personal residence, to assist in paying tuition expenses for the next twelve months of post-secondary education, to assist in paying certain hospital, doctor, or surgery expenses not covered by insurance, to prevent eviction from or foreclosure on a principal residence, payments for burial or funeral expenses for your deceased parent, spouse, children of other dependents, or expenses for the repair of damage to your principal residence that would qualify for the casualty deduction under the Internal Revenue Code.

Payment of Benefits

Upon termination of service, a participant may request early payment of their vested benefit by submitting a written request to the plan administrator. For account balances not greater than $5,000, the Employer will pay any vested benefit in a single lump-sum payment as soon as is administratively feasible. If the account balance exceeds $5,000, the participant may choose to defer the payment until the participant attained the age of 70½. The plan also has an in-service distribution option, allowing active employees to take distributions starting at the age of 59½.

Administrative Expenses

Administrative expenses paid from Plan assets, were $41,418 and $87,494 in 2025 and 2024. Administrative fees were for services provided by the record keeper and trustee.

Forfeitures

Under the plan, forfeitures may be allocated as non-elective contributions. The amount of forfeitures used were $-0- and $14,970 in 2025 and 2024, respectively. As of December 31, 2025 and 2024, the ending balance of the forfeitures account was $12,517 and $-0-, respectively.

Related Parties

The plan sponsor, Vermont Precision Tools, Inc., provides administrative services to the plan at no charge.

## NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan are prepared using the accrual basis of accounting.

Cash and Cash Equivalents
The Plan considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

Investments and Investment Valuation
Investments are held and maintained by the Plan trustee, Empower Insurance Company of America, and is reported at fair value. The fair value of participant directed investment assets is measured by quoted prices in an active market.

Securities transactions are recognized on the trade date (the date the order to buy or sell is executed). Dividend income is recorded on the ex-dividend date. Interest and dividend income is recognized when received to conform to the accounting for the Form 5500.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit responsive investment contracts, because the contract value is the amount the participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statement of Net Assets Available for Benefits presents the fair value of the investment contracts as well as the adjustment of fully benefit-responsive investment contracts from fair value to contract value. The Statement of Changes in Net Assets Available for Benefits is prepared on a contract value basis.

Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Information Certified by Trustee
The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Empower Insurance Company of America and Ascensus Trust Company, certified to the Plan Administrator fair value and physical custody of investments at December 31, 2025 and 2024 and investment transactions for the Plan years then ended and investments included in the Statement of Net Assets Available for Plan Benefits, interest and dividend income, net appreciation (depreciation) in the fair value of investments included in the Statement of Changes in Net Assets Available for Plan Benefits and the information contained below.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments

Investments certified by Empower Insurance Company of America and Ascensus, LLC at December 31, are as follows:

| | 2025 | 2024 |
|---|---|---|
| Cash and cash equivalents | $ 12,517 | $ - |
| Common/collective trusts | 4,985,584 | 472,674 |
| Mutual funds | 9,078,616 | 12,069,560 |
| Dividend income | 223,629 | 278,772 |
| Net appreciation/(depreciation) in fair value of investments | 797,041 | 1,069,866 |
| Net Investment gain from Common Collective Trust | 867,858 | 16,294 |

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right to terminate the Plan at any time by delivering to the trustee and administrator written notice of such termination.

Income Tax Status

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service and the Plan sponsor believes that the Plan continues to qualify and to operate as designed. The federal tax returns for the years ended after December 31, 2019, remains open for potential examination by the Department of Labor.

Allowance for Doubtful Accounts

The Plan considers allowance for doubtful accounts to be amounts that would not be collectible by the plan. All participant loans are secured by vested participant balances. Therefore, there is no allowance for doubtful accounts as December 31, 2025 and 2024.

NOTE 3 FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable or reflective of future fair values. Furthermore, although the Plan believes its valuations methods are appropriate and consistent with other market participant, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quotes prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority.

NOTE 3 FAIR VALUE MEASUREMENTS (continued)

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 input valuation methods are described in detail below and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Basis of Fair Value Measurement

Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly. (market approach).

Level 3 Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common/Collective Trusts:* Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Transfers resulting from employer-initiated events require 12 months' advance written notice to the Trustee for the fund. The Trustee for the fund may waive or reduce the 12-month requirement to the extent that the trustee for the fund determines that such waiver or reduction would not negatively impact the Fund or the Participating Trusts. Subject to limitations in the Trust Document for the fund, participants may make withdrawals to make bona fide benefit payments in accordance with the plan provisions, to direct their own investments, to make participant loans, and to pay fees.

The following tables present by level, within the fair value hierarchy, the Plan investment assets at fair value, as of December 31, 2025 and 2024. As required by professional accounting standards, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

NOTE 3 FAIR VALUE MEASUREMENTS (continued)

* In accordance with Subtopic 820-10 (under ASU 2015-07), certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE 4 FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NET ASSET VALUE

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2025, and 2024, respectively.

NOTE 5 PARTY IN INTEREST TRANSACTIONS

Certain plan investments are managed by Empower Insurance Company of America who is the trustee and performs recordkeeping services for the plan and therefore, these transactions qualify as party in interest transactions. During the years ended December 31, 2025 and 2024, Empower Insurance Company of America and Newport Trust Company received $41,418 and $17,050, respectively in direct compensation for providing these services.

NOTE 6 SUBSEQUENT EVENTS

In accordance with professional accounting standards, The Plan has evaluated subsequent events through September 29, 2026, which is the date these financial statements were available to be issued. All subsequent events requiring recognition as of December 31, 2025, have been incorporated into these financial statements herein.
