# INDEPENDENT AUDITOR'S REPORT

October 2, 2026

To the Retirement Plan Committee
The Auto Club Group, Auto Club Insurance Association, and Auto Club Services, Inc.

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Auto Club Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for plan benefits for the years then ended, as well as the related notes to the financial statements.

The Plan's management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

The Plan's management has obtained certifications from qualified institutions as of, and for the years ended, December 31, 2025 and 2024, stating that the certified investment information, as described in Note B to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of Financial Statements" section:

- The amounts and disclosures in the financial statements, other than those agreed to, or derived from, the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

## INDEPENDENT AUDITOR'S REPORT (CONTINUED)

### Opinion (continued)

- The information in the accompanying financial statements related to assets held by, and certified to by, qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### Responsibilities of Management for the Financial Statements

The Plan's management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

The Plan's management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the "Scope and Nature of the ERISA Section 103(a)(3)(C) Audit" section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. *Reasonable assurance* is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## INDEPENDENT AUDITOR'S REPORT (CONTINUED)

### Auditor's Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with U.S. GAAS:

- We exercise professional judgment and maintain professional skepticism throughout the audit.

- We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and we design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- We obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- We evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, and we evaluate the overall presentation of the financial statements.

- We conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## INDEPENDENT AUDITOR'S REPORT (CONTINUED)

### Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to, or derived from, the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to, or derived from, the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by, and certified to by, qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

## Note A--Description of the Plan

The following description of The Auto Club Group 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement or the *Summary Plan Description,* which is available on the employer organizations' intranet website and is periodically mailed, for a more complete description of the Plan's provisions.

### General

The Plan is a defined contribution plan, which contains an Internal Revenue Code (IRC) section 401(k) provision allowing participants to voluntarily contribute to the Plan. The Plan also incorporates a tax-qualified retirement savings plan component for the benefit of eligible employees hired on and after July 1, 2007. The retirement savings plan component is known as The Auto Club Group Retirement Savings Plan (RSP). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Employees with one full month of service and temporary employees with twelve full months of service are eligible to participate in the Plan.

### Contributions

***401(k)***

Contributions to the Plan can be made in the form of before-tax and/or after-tax Roth 401(k) contributions. Participants may contribute up to 80 percent (50 percent for the period January 1, 2024 through March 31, 2024) of eligible pre-tax earnings up to the Internal Revenue Service (IRS) maximum annual deferral limit. Participants may also contribute amounts representing distributions from certain qualified benefit or defined contribution plans. Participants direct the investment of the contributions into various investment options offered by the Plan. The employer organizations may make discretionary matching contributions to the Plan in such an amount as determined by their Boards.

***RSP***

The employer organizations contribute 4% of participants' eligible earnings. Participants direct the investment of the contributions into various investment options offered by the Plan.

### Participant Accounts

Each participant's account is credited with the participant's contributions (401(k) only) and employer contributions and allocation of the Plan earnings, net of administrative fees. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

(Continued)

## Vesting

***401(k)***
Participants are immediately 100% vested in their voluntary contributions and the employer matching portion of contributions plus actual earnings thereon.

***RSP***
Participants become 100% vested in employer contributions plus actual earnings thereon after completing three full years of credited service. Forfeitures occur when an employee terminates employment prior to vesting. Forfeitures are used to pay reasonable administrative expenses of the Plan and/or reduce future employer contributions. Unallocated forfeitures balances as of December 31, 2025 and 2024 were $1,061,406 and $1,055,712, respectively. Forfeitures used to reduce employer contributions in 2025 and 2024 totaled $3,086,524 and $3,564,937, respectively, and forfeitures used to pay Plan administrative expenses totaled $127,750 and $100,643 in 2025 and 2024, respectively.

## Notes Receivable from Participants

Eligible participants may borrow from their 401(k) account in amounts ranging from $1,000 up to a maximum of $50,000 or 50 percent of their account balances. An administrative fee of $50 is charged to the participant's account for initiating a loan and an loan maintenance fee of $25 is charged, starting in the year after the loan is initiated. The loans are secured by the 401(k) vested account balance and bear interest at rates ranging from 4.25% to 10.5%. Principal and interest are paid ratably through payroll deductions. Participants may not borrow against the RSP account.

## Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions outstanding at December 31, 2025 or 2024.

## Payment of Benefits

Participants are entitled to receive the vested value of their account upon retirement or termination of employment.

## Plan Termination

The employer organizations have the right to amend or terminate the Plan at any time, subject to the provisions of ERISA. In the event the Plan is terminated, all participants' account balances become fully vested.

(Continued)

## Subsequent Events

The Plan administrator evaluated subsequent events through October 2, 2026, the date which the financial statements were available to be issued.

## Note B--Summary of Significant Accounting Policies

The financial statements have been prepared on the accrual basis of accounting.

## Certified Investment Information

Certain information in the accompanying financial statements and ERISA-required supplemental schedule related to participant-directed investments and notes receivable from participants held as of December 31, 2025 and 2024, and investment income, interest income on notes receivable from participants, and net appreciation in fair value of investments for the years ended December 31, 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, a qualified institution.

## Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e. an exit price). See Note C for further discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

## Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

## Payment of Benefits

Benefits are recorded when paid. There were no processed but unpaid withdrawals from the Plan at December 31, 2025 or 2024.

(Continued)

## Administrative Expenses

The employer organizations pay certain administrative expenses on behalf of the Plan which are excluded from the financial statements. Other administrative expenses are paid by the Plan.

## Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

## Note C--Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). The hierarchy for inputs used gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The Plan does not have any liabilities measured at fair value at December 31, 2025 or 2024. The levels of the fair value hierarchy are described below:

*Level 1* – Assets whose values are based on unadjusted quoted prices for identical assets in an active market that the Plan can access.

*Level 2* – Assets whose values are based on the following:

a. Quoted prices for similar assets in active markets;

b. Quoted prices for identical or similar assets in markets that are not active; or

c. Valuation models whose inputs are observable, directly or indirectly, for substantially the full term of the asset.

*Level 3* – Assets whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement. Unobservable inputs reflect the Plan's estimates of the assumptions that market participants would use in valuing the assets.

A summary of significant valuation techniques for assets measured at fair value on a recurring basis follows:

Level 1 measurements

*Registered investment companies:* Comprised of actively traded, registered fixed income and equity mutual funds. The fair value of these assets is based upon values from

 (Continued)

independent pricing services or unadjusted quoted market prices for identical assets in active markets.

The Plan does not own any level 2 or 3 assets.

Collective trust funds are measured using the net asset per share value practical expedient and therefore, are not categorized within the fair value hierarchy. The collective trust funds are open-end funds and primarily invest in index funds or hold benefit-responsive investment contracts issued by insurance companies and commercial banks. The collective trust fund's net asset value represents contract value, which is the amount participants would normally pay or receive if they were to initiate permitted transactions under the terms of the underlying plan. Participants can redeem these investments daily and there are no restrictions on redemptions. There were no unfunded commitments at December 31, 2025 or 2024.

Transfers between levels may occur due to changes in the availability of market observable inputs, which generally are caused by changes in market conditions such as liquidity, trading volume or bid-ask spreads. Transfers between levels may also occur due to changes in the valuation source. Transfers in and out of levels are reported as having occurred at the beginning of the year in which the transfer occurred. There were no transfers between levels during 2025 or 2024.

The following tables summarize the Plan's assets measured at fair value on a recurring basis:

| | Quoted Prices in Active Markets For Identical Assets (Level 1) | Total |
|---|---|---|
| **December 31, 2025** | | |
| Investments at fair value | | |
| Registered investment companies | $ 528,939,895 | $ 528,939,895 |
| Investments measured at net asset value | | |
| Collective trust funds | | 769,378,176 |
| **Total Assets** | | $ 1,298,318,071 |
| | | |
| **December 31, 2024** | | |
| Investments at fair value | | |
| Registered investment companies | $ 472,112,138 | $ 472,112,138 |
| Investments measured at net asset value | | |
| Collective trust funds | | 668,446,173 |
| **Total Assets** | | $ 1,140,558,311 |

Certain prior-year amounts have been reclassified to conform to the current-year presentation. Specifically, an investment fund totaling $45,991,125 was reclassified from registered investment companies to collective trust funds. Concurrently, the valuation method for this fund was reclassified from a quoted market fair value to net asset value as a practical expedient. This

(Continued)

reclassification had no effect on the total net assets available for benefits or the changes in net assets.

Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the financial statements.

**Note D--Income Tax Status**

The IRS has ruled (on February 22, 2024) that the Plan continues to qualify under section 401(a) of the IRC and is, therefore, not subject to tax under present federal income tax laws. In order to maintain its qualification, the Plan is required to operate in conformity with the IRC. Although the Plan has been amended since receiving the latest determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. The Plan administrator is not aware of any course of action or series of events that have occurred that might have adversely affected the Plan's qualified status. In addition, the Plan administrator is not aware of any uncertain tax positions or unrecognized tax benefits as of December 31, 2025 or 2024. Therefore, no provision for income taxes has been included in the Plan's financial statements
