INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Community Legal Services Group Benefit Plan

Opinion

We have audited the accompanying financial statements of Community Legal Services Group Benefit Plan, an employee benefit plan subject to the Employee Retirement Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and benefit obligations as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits and of changes in benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of Community Legal Services Group Benefit Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and plan benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Community Legal Services Group Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Legal Services Group Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Community Legal Services Group Benefit Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Legal Services Group Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

COMMUNITY LEGAL SERVICES GROUP BENEFIT PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF PLAN

The following description of the Community Legal Services Group Benefit Plan (Plan) provides only general information about the Plan's provisions. Participants should refer to the plan agreement for a complete description of the Plan's provisions, copies of which may be obtained from the Plan sponsor.

General

The Plan provides health and other benefits to eligible employees of Community Legal Services, Inc. (Organization) and covered dependents. A full-time employee, who regularly works 21 or more hours per week, becomes eligible to enroll for coverage under the Plan immediately upon hire. Participation in the Plan will begin as of the first day of the month following their date of hire. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA), as amended.

Benefits

The Plan provides health benefits (medical and prescription drugs). The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Insured Benefits

The Plan offers a preferred provider organization (PPO) plan.

Other

The Organization has the right under the Plan to modify the benefits provided. The Organization may terminate its participation, at any time, upon providing proper notification to the Plan administrator as defined in the Participation Agreement. The Organization is responsible for all liabilities incurred until their effective date of termination. Termination of the Plan is subject to the provisions set forth in ERISA.

Funding Policy

The Plan includes benefits that are fully insured as well as self-funded. Contributions funded by the Organization are invested in assets held in the Trust fund (the fund). The Trust invests the fund's money as set forth in the Plan's investment policy. Investments consist of an interest-bearing money market account and are reported in the accompanying financial statements at fair value. Interest income is recognized when earned.

Experienced-Rated Contracts

Certain insurance contracts are subject to experience-rating adjustments. Experience ratings (calculated as the difference between the premiums paid and the total of claims paid, and fees charged by the insurance company) are determined by the insurance company in the following year and may result in a premium surplus or deficit.

NOTE 1: DESCRIPTION OF PLAN (continued)

Stop Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Self-Insured Benefits

The claims for self-insured benefits are processed by the Plan's third-party claims processor under administrative services only (ASO) arrangements. The claims processor pays claims directly to or on behalf of participants and are then reimbursed by either the Plan or general assets of the Organization. Despite the Plan's utilization of a third-party claim's processor, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PMB) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

The Plan has a health reimbursement arrangement (HRA) that is funded solely through Organization contributions. The HRA allows eligible participants to be reimbursed tax free for qualified medical expenses subject to a specified ceiling. Amounts remaining at the end of the year can generally be carried over to the next year. The Organization is not permitted to refund any part of the balance to the employee; the account cannot be used for anything other than reimbursements for qualified medical expenses; and remaining amounts are not portable upon termination once the employee leaves the Organization. The Plan is funded by Organization contributions.

Contributions

The Plan requires the Organization to make contributions to the Plan that are sufficient to cover the costs of the benefits provided. The amount is determined annually based upon premiums charged by insurance providers and the Trust administrator for self-funded benefits. The Trust administrator bases annual contribution payments on past claims paid, surplus funds and rates charged by insurance carriers for like coverage. Employee contributions are only required if former employees elect to continue coverage under COBRA. Any deficiency of the Plan's net assets over benefit obligations would be funded at the direction of the Trustees. The Trustees would have multiple options at their discretion, including retroactive rate adjustments and or prospective rate adjustments.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of Benefits

Premiums paid by the Organization are recorded as premiums paid in the accompanying Statement of Changes in Net Assets Available for Benefits.

Claim payments are recorded when paid by the third-party claims processor. Amounts due to the claims processor that have not been reimbursed by the Plan are recorded as payable to claims administrators in the accompanying Statements of Net Assets Available for Benefits.

Stop Loss Liability

Premiums for stop loss insurance are included in premium payments in the accompanying Statement of Changes in Net Assets Available for Benefits. Stop loss refunds totaling $415,493 have been netted with claims paid in the accompanying Statement of Changes in Net Assets Available for Benefits.

Operating Expenses

Administrative and claims processing expenses are paid out of the Plan's Trust fund.

Cash and Cash Equivalents

The Plan considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Excluded from the definition of cash equivalents are such amounts that have been designated by the Plan administrator for investments.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The short-term investments are valued at cost, which approximates fair market value.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Other Receivables

Receivables consist of third-party administrator fees and insurance premiums paid to the Plan for the subsequent year’s coverage. These amounts are expected to be collected within one year and have been recorded at their realizable value. The Plan evaluates the collectability of receivables in accordance with ASC 326, *Financial Instruments — Credit Losses*, considering factors such as historical collection experience, current conditions, and reasonable and supportable forecasts. Based on this assessment, Plan management has determined that an allowance for credit losses was not required as of December 31, 2025 and 2024.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Other Plan Benefits

Plan obligations at December 31, 2025 and 2024 for benefit claims incurred by active participants but not reported at that date, are estimated by the Trust administrator based upon past claims paid information. Such estimated amounts are reported in the accompanying Statements of Benefit Obligations at present value.

Insurance Contracts

Insurance carriers provide coverage for medical and prescription drug costs. Under the terms of the contracts with each respective carrier, the insurer has received premium payments and has a legal obligation to make all benefit payments. As such, these insurance contracts are excluded from the Plan assets.

NOTE 3: BENEFIT OBLIGATIONS

Costs incurred by participants and their beneficiaries and dependents are covered by insurance contracts maintained by the Plan. It is the present intention of the Organization and the Plan to continue insurance coverage for these benefits. The Organization is not permitted to deduct amounts for future benefits (beyond one year).

Postemployment obligations consist solely of coverage provided by the Plan under COBRA. Participants contribute 100 percent of the expected cost of the obligation, as estimated by the claim's administrator. Postemployment obligations have not been disclosed because the claims administrator cannot reasonably estimate the amounts; however, the claims administrator has determined that the obligation would be immaterial to the Plan's financial statements, based on participants covering the expected cost of such benefits.

NOTE 4: PLAN ADMINISTRATION

The Plan utilizes the services of a third-party Trust administrator and claims processor to oversee the operations of the Plan. These services include the collection of contributions, payment of insurance premiums and processing of benefit claims for self-funded benefits. The Trust administrator receives a fee for the performance of these services.

NOTE 5: CLAIMS INCURRED BUT NOT REPORTED

Plan obligations at December 31 for claims incurred but not reported are estimated based on claims data provided by the Plan’s third-party claims administrator. These amounts are paid by the Plan only if claims are submitted and approved for payment.

NOTE 6: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

  If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Money Market Fund - Valued at the daily closing price as reported by the fund. The money market fund is an open-end mutual fund that is registered with the Securities and Exchange Commission. This fund is required to publish its daily net asset value (NAV) and to transact at that price. The money market fund is deemed to be actively traded.

NOTE 6: FAIR VALUE MEASUREMENTS (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	**Level 2**	**Level 3**	**Total**
Money market fund	**$ 22,385**	**$ -**	**$ -**	**$ 22,385**
Total Assets at Fair Value	**$ 22,385**	**$ -**	**$ -**	**$ 22,385**

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Money market fund	$ 1,159	$ -	$ -	$ 1,159
Total Assets at Fair Value	$ 1,159	$ -	$ -	$ 1,159

NOTE 7: ADMINISTRATIVE EXPENSES

The Plan pays administrative expenses that consist primarily of administrative fees paid to the third-party claims administrators. These expenses are reported on the Statement of Changes in Net Assets Available for Benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Organization on behalf of the Plan.

NOTE 8: TAX STATUS

The Plan Sponsor has received a tax exempt status for the Plan from the Internal Revenue Service (IRS), stating that the plan was in compliance with applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the tax exempt status, the Plan administrator and the Plan legal counsel believe the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9: TERMINATION OF THE PLAN

Although it has not expressed any intent to do so, the Organization has the right under the Plan to modify the benefits provided to and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. Upon satisfaction of all outstanding claims and obligations, any remaining residual net assets are expected to revert to the Plan Sponsor in accordance with the provisions of the Plan document and applicable regulatory requirements.

NOTE 10: CONCENTRATIONS

The Plan maintains its cash in bank deposit accounts at a financial institution. Accounts at the institution are insured by the Federal Deposit Insurance Corporation and at times, the Plan's cash balances may exceed insured limits. The Plan has not experienced any losses in such accounts.

NOTE 11: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	December 31,	
	2025	2024
Net assets available for benefits per financial statements	**$ 580,105**	$ 377,255
Benefit obligations currently payable	**(339,848)**	(384,307)
Net Assets Available for Benefits per the Form 5500	**$ 240,257**	$ (7,052)

The following is a reconciliation of claims paid per the financial statements to Form 5500:

	December 31, 2025
Claims paid per the financial statements	$ 2,392,708
Add: Amounts currently payable at December 31, 2025	339,848
Less: Amounts currently payable at December 31, 2024	(384,307)
Claims Paid Per the Form 5500	$ 2,348,249

Claims and premiums that have been processed and approved for payment at year-end, but not paid and claims incurred but not reported are not considered liabilities under GAAP and, therefore, are not presented as liabilities or claims and premiums paid in the accompanying financial statements but are recorded on the Form 5500 as a liability.

NOTE 12: RELATED PARTY TRANSACTIONS

The Plan has several arrangements with service providers. These transactions are party in interest transactions under ERISA.

NOTE 13: RISKS AND UNCERTAINTIES

Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE 14: SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 6, 2026, the date on which the financial statements were available to be issued.
