Independent Auditor's Report

Plan Administrator and Plan Management
American Trim, L.L.C. Employee Benefit Plan
Lima, Ohio

Opinion

We have audited the financial statements of American Trim, L.L.C. Employee Benefit Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits and of plan benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in plan benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of American Trim, L.L.C. Employee Benefit Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and plan benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of American Trim, L.L.C. Employee Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about American Trim, L.L.C. Employee Benefit Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of American Trim, L.L.C. Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about American Trim, L.L.C. Employee Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditor's Report

Plan Administrator and Plan Management
American Trim, L.L.C. Employee Benefit Plan
Lima, Ohio

Opinion

We have audited the financial statements of American Trim, L.L.C. Employee Benefit Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits and of plan benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in plan benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of American Trim, L.L.C. Employee Benefit Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and plan benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of American Trim, L.L.C. Employee Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about American Trim, L.L.C. Employee Benefit Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of American Trim, L.L.C. Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about American Trim, L.L.C. Employee Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note 1. Description of the Plan

The following description of the American Trim, L.L.C. Employee Benefit Plan (Plan), formerly American Trim L.L.C. Health and Dental Plan, provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions, which is available from the Plan Administrator.

General

The Plan provides health and other benefits covering certain employees of American Trim, L.L.C. (Company) and eligible dependents. The employees of Cullman Products, a division of American Trim, L.L.C., are covered via the Cullman Products Group Health & Dental Plan (Cullman Plan), which is merged into the Plan and is a fully insured plan. The employees of Erie Ceramic Arts Company, L.L.C., a wholly owned subsidiary of American Trim, L.L.C., are covered via the Erie Ceramic Arts Company Thrift Incentive Plan (Erie Plan), which is merged into the Plan and is a fully insured plan. The Plan carries a stop-loss coverage of $175,000 per eligible participant with no aggregate limit. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA), as amended. The Company's chief executive officer, chief financial officer, and chief operating officer are trustees of the Plan.

Payment of Benefits and Premiums

The Plan provides health benefits for both basic and major medical expenses, dental expenses, and prescription drugs to eligible full-time employees (who average a minimum of 30 hours of service each week) and to covered dependents.

United HealthCare Services, Inc. (UMR) processes medical claims of participants and dependents and makes payments to participants and providers. Premiums paid by the Plan for medical and dental benefits of the Cullman Plan and Erie Plan participants are recorded as premium payments in the accompanying statements of changes in net assets available for benefits.

Contributions

The Company makes contributions to the Plan as required to provide for payment of claims and administrative expenses. Active employees are required to make weekly or biweekly contributions to the Plan through payroll deductions.

Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to modify the benefits provided to active employees, discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, all claims incurred prior to such termination shall be paid.

Health Reimbursement Arrangement

The Plan has a health reimbursement arrangement (HRA) that is funded solely through Company contributions. The HRA allows eligible participants to be reimbursed tax free for qualified medical expenses subject to a specified ceiling. Amounts remaining at the end of the year can generally be carried over to the next year. The employer is not permitted to refund any part of the balance to the employee; the account cannot be used for anything other than reimbursements for qualified medical expenses; and remaining amounts are not portable upon termination once the employee leaves the employer.

Flex Spending Accounts

The Plan offers flexible spending accounts (FSA) that are funded solely through employee contributions. The FSA allows eligible participants to be reimbursed tax free for qualified medical expenses subject to a specified ceiling. Amounts remaining at the end of the year can generally be carried over to the next year. The employer is not permitted to refund any part of the balance to the employee; the account cannot be used for anything other than reimbursements for qualified medical expenses; and remaining amounts are not portable upon termination once the employee leaves the employer.

Note 2. Summary of Significant Accounting Policies

Method of Accounting

The accompanying financial statements are prepared on the accrual method of accounting.

Other Plan Benefits

Plan liabilities for health claims incurred, but not reported (IBNR), are estimated based upon historic claims experience and actual claims reported subsequent to the Plan year-end. Additional accruals are included for the estimated ultimate cost of future claims only if such claims are covered as of the Plan's fiscal year-end and the Plan is obligated to pay for the care regardless of continued participation in the Plan.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, benefit obligations and changes therein, IBNR and claims payable at the date of the financial statements. Actual results could differ from those estimates.

Plan Tax Status

The Plan has not requested a determination letter from the Internal Revenue Service stating that the Plan is tax-exempt. As an employee welfare benefit plan, the Plan is required to operate in conformity with the Internal Revenue Code and ERISA. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and ERISA.

Health Reimbursement Arrangement

There are no amounts included in the accompanying statements of net assets available for benefits that remain to reimburse participants for qualifying medical expenses as of December 31, 2025 and 2024.

Flex Spending Accounts

Included in the accompanying statements of net assets available for benefits are amounts available to reimburse participants for qualifying medical expenses as of December 31, 2025 and 2024, totaling $8,303 and $8,033, respectively. Claims incurred before Plan year-end that were submitted after year-end (but before the date defined by the Plan agreement) totaled $275 and $64 relating to 2025 and 2024, respectively. Forfeited amounts were used by the Company to offset Company administrative expenses in the year forfeited.

Note 3. Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

Fees for general administration, record keeping and stop-loss coverage paid by the Plan to third-party administrators were $526,205 and $589,278 for the years ended December 31, 2025 and 2024, respectively.

The Company provides certain administrative services at no cost to the Plan.
