INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of the
Kilcor Construction 401(k) Plan
Alpharetta, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of the Kilcor Construction 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"), which comprise the statement of net assets available for benefits as of December 31, 2025, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("qualified institution"), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2025 and for the year then ended, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the 2025 Audit of the Financial Statements* section -

- the amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- the information in the 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2025 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the 2025 financial statements in accordance with U.S. generally accepted accounting principles and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2025 financial statements.

In preparing the 2025 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the 2025 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the 2025 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2025 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2025 financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2025 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2025 financial statements.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2025 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2025 financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the 2025 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2025 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2025 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2025 financial statements or to the 2025 financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Accountant's Compilation Report on the 2024 Financial Statement

Management is responsible for the accompanying statement of net assets available for benefits as of December 31, 2024, and the related notes to the financial statement in accordance with U.S. generally accepted accounting principles. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on this financial statement.

NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2025 AND 2024
AND FOR THE YEAR ENDED DECEMBER 31, 2025
(SEE INDEPENDENT AUDITOR'S REPORT)

1. DESCRIPTION OF PLAN

The following description of the Kilcor Construction 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

A. General

The Plan is a multiple-employer defined contribution plan sponsored by KC Consolidated Holdings Inc (also referred to as the "Company" or "Employer" or "Plan Sponsor") and one other participating employer covering substantially all full-time eligible employees who are at least eighteen years of age, have attained one month of service, and are not non-resident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan Administrative Committee oversees governance of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

The Plan has implemented a Safe Harbor Qualified Non-Elective Contribution ("QNEC") plan design, as permitted by the Internal Revenue Service ("IRS"), which exempts the Plan from certain compliance issues, primarily associated with non-discrimination testing issues.

B. Contributions

Each year, participants may contribute up to 100% of annual compensation to the Plan on a pretax or Roth basis, as defined in the Plan. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a pooled separate account as investment options for participants. The Company makes an annual Safe Harbor QNEC equal to 3% of annual participant compensation. The Company may also make discretionary matching and non-elective contributions as determined by management. No discretionary matching or non-elective contributions were made for the year ended December 31, 2025. Contributions are subject to certain statutory limitations.

C. Participants' Accounts

Each participant's account is credited with (i) the participant's contributions, (ii) the Company's contributions and (iii) the participant's account earnings. Each participant's account is charged with (i) the participant's withdrawals, (ii) the participant's account losses and (iii) an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

1. DESCRIPTION OF PLAN (Continued)

D. Vesting

Participants are immediately vested in their voluntary contributions, Safe Harbor QNECs, and actual earnings thereon. Vesting in the Company's discretionary matching and non-elective contributions is based on years of service as follows:

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participants also become 100% vested upon termination of the Plan, upon reaching the normal retirement age of sixty-five years old, or upon disability or death while an employee of the Plan Sponsor.

E. Payment of Benefits

A participant may withdraw up to a maximum of 100% of the vested account balance of elective, matching, and discretionary contributions, in the event of a participant's heavy and immediate financial hardship, as defined in the Plan agreement. Hardship distributions cannot exceed the amount of the participant's financial hardship and may not be repaid by the participant.

The Plan Administrator may be required by law to recognize obligations the participant incurs as a result of court-ordered support or alimony payments. The Plan Administrator must honor a qualified domestic relations order ("QDRO"). If a QDRO is received by the Plan Administrator, all or a portion of the participant's account balance may be used to satisfy the obligation.

In-service withdrawals of all or a portion of a participant's vested account balance may be withdrawn by a participant after reaching age fifty-nine and one-half. In-service withdrawals of all or a portion of a participant's rollover account balance may be withdrawn at any time.

Upon termination, retirement, disability or death a participant or beneficiary may receive the value of the account through a lump sum distribution or direct rollover into an individual retirement account, an annuity plan or a qualified trust. If a participant's account balance, as defined in the Plan Document, is greater than $7,000 and employment is terminated other than due to retirement or death, the account may not be distributed before normal retirement age without the participant's consent. Participants' account balances less than $1,000 will be paid as a cash distribution and balances between $1,000 and $7,000 will be automatically rolled over to an individual retirement account established in the participant's name.

1. DESCRIPTION OF PLAN (Continued)

E. Payment of Benefits (Continued)

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to IRS penalties unless the distribution is transferred to another qualified plan or individual retirement account.

F. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum amount equal to the lesser of 50% of their vested balance or $50,000, less the highest loan balance taken during the prior twelve months. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 5.25% to 9.50%, which are commensurate with local prevailing rates as determined by the Plan Administrator.

G. Forfeitures

At December 31, 2025 and 2024 (unaudited), forfeited nonvested accounts totaled $2,730 and $-0-, respectively. These accounts are used to reduce future employer contributions and/or pay administrative expenses. For the year ended December 31, 2025, employer contributions and administrative expenses were reduced by $1,037 from forfeited nonvested accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

B. Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles ("U.S. GAAP") requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by its investment advisors and the trustees. See Note 3 for discussion of fair value measurements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in Plan funds were deducted from income earned on a daily basis and are not separately reflected. Consequently, these management fees and operating expenses are reflected as a reduction of investment return for such investments.

D. Payment of Benefits

Benefit payments are recorded when paid by the Plan.

E. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

F. Administrative Expenses

The Company pays certain administrative expenses on behalf of the Plan including legal, accounting and Plan administration. Administrative expenses paid by the Plan totaled $31,105 for the year ended December 31, 2025.

G. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participant account balances and the amounts reported in the accompanying statements of net assets available for benefits.

3. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 3 inputs for the periods presented.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Pooled separate accounts (PSA): Valued based on market prices of the underlying investments. PSAs are made up of a wide variety of underlying investments such as equities, preferred stock, bonds, and mutual funds. The unit value of the PSA is calculated by dividing the total value of the assets of the PSA by the number of units in the PSA. For PSAs that invest exclusively in mutual funds, the total value of the assets of the PSA is based on the price per share of the underlying mutual fund. The mutual fund calculates price per share by dividing the mutual fund's net assets by the mutual fund's outstanding number of shares. There are currently no redemption restrictions on this investment.

Common collective trusts: Valued at the NAV of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV, as provided by the certifying entities, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

3. FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025

Fair Value of Investments that Calculate NAV

The following table summarizes the investments measured at fair value based on NAV per share:

	December 31, 2025 Fair Value	December 31, 2024 Fair Value (Unaudited)	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period

4. TAX STATUS

The Plan Sponsor entered into a non-standardized adoption agreement of the Transition Finance Strategies LLC d/b/a Blue Ridge Associates Pre-Approved Defined Contribution Plan (the "Pre-Approved Plan"). The Pre-Approved Plan received a favorable opinion letter from the IRS on June 30, 2020, which stated that the Pre-Approved Plan and related trust were designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving its latest opinion letter and has not obtained an updated opinion letter. However, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and that the Plan was qualified and tax exempt as of December 31, 2025, and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. PARTY-IN-INTEREST TRANSACTIONS

Delaware Charter Guarantee Trust Company d/b/a Principal Trust Company ("Principal Trust Company") and Principal Life Insurance Company perform services for, sell products to, and manage and maintain certain investments for the Plan for which fees are charged to the Plan. Party-in-interest transactions also include loans made to participants.

Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

6. PLAN TERMINATION

Although it has expressed no intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. INFORMATION CERTIFIED BY THE CERTIFYING ENTITIES (UNAUDITED)

The following information was certified by Principal Trust Company and Principal Life Insurance Company, the certifying entities, as being complete and accurate:

8. SUBSEQUENT EVENTS

Effective January 1, 2026, the Plan was amended such that the Plan's only other adopting employer ceased participation in the Plan, resulting in the Plan becoming a single-employer plan.

Plan management has evaluated subsequent events through September 29, 2026, which is the date the financial statements were available to be issued.
