We have audited the financial statements of The Mundy Companies Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2025 and we will issue our report thereon dated September 22, 2026. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Bank of America, N.A., the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated May 19, 2026. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by The Mundy Companies Retirement Savings Plan are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2025. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

> Your estimate of the fair market value is based on quoted market prices. We evaluated the methods, assumptions, and data used to develop the fair market value in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

> The disclosure of fair value measurements in Note 10 to the financial statements states above as related to an estimate based on quoted market prices as relied upon from the trustee.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. You have corrected all such misstatements.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified the following reportable findings: No reportable findings were identified.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of management, and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Benton, Duroy & Ivey, P.C.

INDEPENDENT AUDITOR'S REPORT

The Administrative Committee
The Mundy Companies
Retirement Savings Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We have performed an audit of the financial statements of The Mundy Companies Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years ended, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the Financial Statement

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

19350 State Highway 249, Suite 610 ● Houston, TX 77070 ● (281) 537-1000

Basis for Opinion on the Financial Statement

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statement

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.

19350 State Highway 249, Suite 610 ● Houston, TX 77070 ● (281) 537-1000

Auditor's Responsibilities for the Audit of the Financial Statement (Continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Other Matter-Supplemental Schedules Required by ERISA (Continued)

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
The Mundy Companies Retirement Savings Plan
December 31, 2025 and 2024

1. Summary of Significant Accounting Policies

A summary of the major accounting policies followed by The Mundy Companies ("Companies") Retirement Savings Plan ("Plan") in the preparation of the accompanying financial statements is presented below:

The plan's investments are stated at fair market value as determined by Bank of America Merrill Lynch. Quoted market prices have been used. Purchases and sales of securities are recorded on a trade-date basis.

Interest income is accounted for on the accrual basis.

The Retirement Savings Plan is qualified under Section 401(a) of the Internal Revenue Code and is exempt from Federal Income Taxes under 501(a) of the Internal Revenue Code.

The Internal Revenue Service has determined and informed the Company by a letter dated October 13, 2017, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code.

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

2. Cash and Investments

The Plan's investments are held by a bank-administered trust fund and are composed of a money market fund and mutual fund.

The Plan experienced the following realized gains:

	Cost	Proceeds	Realized Gain
Mutual Funds			
For the Year Ended December 31, 2025	$ 4,145,345	$ 4,479,893	$ 334,548
For the Year Ended December 31, 2024	$ 2,231,661	$ 2,346,146	$ 114,485

During the years ended December 31, 2025 and 2024, the Plan's investments experienced the following net unrealized gain (loss):

	2025	2024
Mutual Funds	$ 236,851	$ 678,554

3. Plan Participants' Equity

The net assets available for Plan benefits are composed of the following company participants:

Mundy Service Corporation	Mundy Support Svcs., L.L.C.
Mundy Properties, Ltd.	Gulf Coast Mechanical, L.L.C.
Mundy Maint. and Svcs., L.L.C.	Turbine, Pump, & Compressor, L.L.C.
Mundy Maint., Svcs., and Ops., L.L.C.	Clearwater Loaders, Inc.

4. Description of Plan

The following description of The Retirement Savings Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all full-time employees of the company who have sixty days of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Security Act (ERISA).

CONTRIBUTIONS

Each year, the Company may make a discretionary contribution to the Plan in an amount determined by the Company's Board of Directors and reflected in an appropriate resolution adopted by the Directors. Participants may contribute from 1% to 15% of their gross income, subject to the the federal mandated limit of $23,500 and $23,000, with an additional $7,500 catch-up contribution for employees at age 50 by the end of the year or $11,250 for participants who attain age 60–63 in 2025.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, (b) Plan earnings, and (c) forfeitures of terminated participant's nonvested accounts as determined by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

VESTING

Participants are immediately vested 100% upon entering the Plan.

FORFEITURES

Since a participant is 100% vested in the plan there are no current forfeitures. A balance of $97 does remain in the Forfeiture account related to prior years when participants were not 100% vested until completing six years of service.

4. Description of Plan (Continued)

PAYMENT OF BENEFITS

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her account, or annual installments as approved by the administrative committee.

A participant may at any time file with the Committee an appropriate written request for a hardship withdrawal of an amount from his Pre-Tax Contribution Account.

Each participant who has attained or will attain age 65 before the close of the Plan Year may elect, in the form and in the manner prescribed from time to time by the Committee on a uniform and non-discriminatory basis (but in no event more frequently than once per Plan Year), to withdraw the entire amount or any portion therof from his Pre-Tax Contribution Account, Employer Contribution Account, and/or Rollover Account. All amounts distributed shall be paid in a lump sum payment in cash.

ADMINISTRATIVE CHARGES

All administrative expenses of the Plan, except amounts paid for certain investments, advisory services and bank charges, are paid by participants.

5. Continuation of Plan

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

6. Participant Directed Investments

Investments held by the Plan represent participant-directed accounts. That is, individual participants decide how funds held in trust for them are allocated among various investments. As of December 31, 2025 and 2024, all investments were held in the following types of participant-directed accounts:

- Money Market Fund
- Mutual Funds

7. Party-in-Interest Transactions

Plan investments are money market accounts and mutual funds managed by Bank of America Merrill Lynch, an entity that is a party-in-interest with respect to the Plan. These transactions are exempt and covered by the Prohibited Transaction Exemption provisions of ERISA and the Code.

7. Party-in-Interest Transactions (Continued)

The Company provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged. Auditing fees paid by the Company on behalf of the Plan were $19,665 and $14,004 for the years ended December 31, 2025 and 2024.

8. Information Certified by the Trustee (Unaudited)

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, information prepared and certified by a bank or insurance company, which is regulated, supervised and subject to periodic examination by a state or federal agency, need not be audited. The plan administrator has obtained certifications from the Bank of America, N.A. (custodian) that all information provided by them is complete and accurate. Information included in the accompanying financial statements and notes to financial statements as to investments, net appreciation (depreciation) in fair value of investments, interest income and all information in the Supplemental Schedule H, line 4i, Schedule of Assets (held at year end), is presented solely upon reliance on those certifications. The independent auditors did not perform auditing procedures with respect to this information except for comparing such information to the related information in the financial statements, notes to financial statements, and supplemental schedule.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

10. Fair Value Measurements (Continued)

	Fair Value Measurements Using:	Quoted Prices in Active Markets
December 31, 2025	Fair Value	(Level 1)
Money Market Fund	$ 2,740,239	$ 2,740,239
Mutual Funds at Market Value	15,593,094	15,593,094
	$ 18,333,333	$ 18,333,333
December 31, 2024	Fair Value	(Level 1)
Money Market Fund	$ 3,004,212	$ 3,004,212
Mutual Funds at Market Value	14,214,860	14,214,860
	$ 17,219,072	$ 17,219,072

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or 3 inputs were available to the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

11. Subsequent Events

The Company has evaluated subsequent events for potential recognition and disclosure through September 22, 2026, the date of financial statement issuance.

12. Contingent Assets/Liabilities

Several participants received shortage pay during the plan year that did not include a 401k deduction. The Plan Sponsor notified the custodian of the plan (Bank of America) in order to make any necessary correcting contributions into the plan. The corrective contributions were determined and funded in 2025. The amount of the corrective contribution was $749 plus the earnings attributal to that amount.
