INDEPENDENT AUDITORS' REPORT

To the Plan Trustees
Wilmington Eye, P.A. Retirement Savings Plan
Wilmington, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Wilmington Eye, P.A. Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Wilmington Eye, P.A. Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wilmington Eye, P.A. Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wilmington Eye, P.A. Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wilmington Eye, P.A. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wilmington Eye, P.A. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and the Schedule of Assets (Held at End of Year) as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of Wilmington Eye, P.A. Retirement Savings Plan (the "Plan") provides only general information for the Plan. Participants in the Plan should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 1976 as a defined contribution plan. The Plan covers all resident employees of Wilmington Eye, P.A. and Wilmington Eye Surgery Center, LLC (collectively, the "Company") who are at least 21 years old and have completed one year of employment (1,000 hours in 12-month period). Service with Coastal Carolina Eye Clinic, Oculoplastic Consultants of the Carolinas and Intercoastal Eye are credited towards this eligibility service requirement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants are automatically enrolled in the Plan with a 3% pre-tax deferral election once an employee meets the eligibility requirements, unless they opt out. Starting with their third year of employment, participants would receive an automatic deferral increase of 1% each year after their initial enrollment date, up to 6%. Effective December 1, 2024, the Plan was amended whereby participants receive an automatic deferral increase of 1% each year after their initial enrollment, starting on January 1 of their second year of employment, until reaching 6%. Participants may elect to contribute a different percentage of their pre-tax or after-tax ("Roth") annual compensation, not to exceed the maximum allowed by the Internal Revenue Service ("IRS"). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan also permits rollover contributions from other qualifying retirement plans. The Company makes safe harbor matching contributions in the amount equal to 100% of the first 1% of employees' eligible compensation and an additional 50% of any contributions exceeding 1%, not to exceed 6%. The Company may also make a discretionary matching contribution. There were no discretionary matching contributions in 2025.

Participant Accounts

Employee contributions and employer contributions activity are maintained separately in each participant's account. Participants direct the investment of their account balances into various investment options offered by the Plan. Participants may change their investments daily. Each participant's account is credited with the participant's contribution, the Company's contribution, and an allocation of plan earnings and administrative expenses. Allocations are based on participants' compensation or account balances, as defined. A participant is entitled to the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in the salary reduction amount and the Company's safe harbor match contributed to the Plan. Vesting in the Company's discretionary matching contributions is based on the years of continuous service. Participants are vested in the Company's discretionary matching contributions after completing three years of credited service. Effective December 1, 2024, the Plan was amended whereby participants are fully vested in the discretionary portion of their account after completing six years of credited service.

1. Description of Plan (Continued)

Forfeitures

At December 31, 2025, forfeited non-vested accounts totaled $9,338. Forfeitures can be added to any employer contribution, used to reduce any employer contributions, or used to pay plan expenses. Effective December 1, 2024 forfeitures must be first used to pay administrative expenses. Any forfeitures not used to pay administrative expenses under the Plan can be applied to reduce employer matching contributions for the following Plan year. During the year ended December 31, 2025, the Plan used $13 of forfeited accounts to pay administrative expenses.

Payment of Benefits

Generally, a participant becomes eligible to receive benefits on their normal retirement age (55), death, disability, termination of employment, or reasons of proven financial hardship. Participants are also eligible to take in-service withdrawals once they attain age 59 ½. Participants may receive 100% of their account balance in a lump sum or installments. If the vested balance is less than $5,000, a lump sum distribution is made.

Hardship Withdrawals

A participant may withdraw all or part of their elective deferral contributions for immediate and severe financial need. Participants self-certify that they have an immediate and severe financial need and that the amount requested does not exceed the amount necessary to satisfy the need. In accordance with IRS regulations, the participant must exhaust all other assets available prior to obtaining the hardship withdrawal. Effective December 1, 2024, the Plan was amended whereby the minimum hardship withdrawal amount is $500, and only permitted from participants' employee deferral contribution accounts.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 reduced by the excess of the highest outstanding balance of all other loans from the Plan during the one-year period ending the day before the loan was made over the outstanding balance of loans from the Plan on the date on which the loan was made or 50 percent of their vested account balance. A participant can only have two loans outstanding at a time. Effective December 31, 2024, the Plan was amended whereby a participant can only have one loan outstanding at a time. The loans are secured by the balance in the participants' accounts and bear interest at a fixed rate of prime plus 1.0% (7.75% at December 31, 2025) as of the date of the new loan. Principal and interest are paid ratably through payroll deductions. Total notes receivable from participants were $164,574 and $95,934 at December 31, 2025 and 2024, respectively.

2. Significant Accounting Policies

Basis of Accounting
The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates
The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents
The Plan considers all invested cash balances to be cash equivalents.

Payment of Benefits
Benefits are recorded when paid.

Investment Valuation and Income Recognition
Investments are comprised of mutual funds, a self-directed brokerage account, a collective investment trust fund, and money market funds. The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized appreciation and depreciation in value of investments are allocated to the participant accounts based on participant holdings in each fund.

Plan Expenses
Certain plan expenses are paid by the plan sponsor as provided by the plan document. Expenses related to specific participant transactions (notes receivable from participants and distributions) are charged directly to the participant's account.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid, interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

3. Federal Income Taxes

The Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan document. This document received an opinion letter dated June 30, 2020, in which the IRS stated that the document was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). As allowed by the IRS, the Plan is relying on the opinion letter issued on the plan document for its own qualification. The plan document has been amended for changes required by the IRS since receiving the opinion letter. The plan administrator believes the Plan is designed and currently operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the applicable authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process.

4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in the employer portion of their accounts.

5. Investments

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements and supplemental schedule was obtained or derived from information certified as complete and accurate by Fidelity Management Trust Company ("Fidelity"), the trustee of the Plan, and was not subject to audit for the years ended December 31:

	2025	2024
Mutual Funds	$ 14,153,847	$ 11,722,828
Self-Directed Brokerage Account	2,391,769	1,794,205

Investments Measured at Net Asset Value		1,094,156
Investments at Fair Value	$ 13,763,633	$ 14,857,789

6. Fair Value Measurements (Continued)

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

Level 2 Inputs are based on significant other observable inputs such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs when market prices are not attainable but other observable inputs are available to arrive at a fair value, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There were no Level 2 or 3 investments in the Plan.

Level 1 Fair Value Measurements
The fair value of mutual funds, the self-directed brokerage account, and money market funds are based on quoted net asset values of the shares held by the Plan at year end.

Collective Investment Trust Funds
These investments are valued using the net asset value ("NAV") of units of the collective investment trust ("CIT") funds. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investments for an amount different from the reported net asset value.

7. Collective Investment Trust Fund

The Alliance Bernstein U.S. Large Cap Growth CIT (W Series) Fee Class P-1 is a collective investment trust fund managed by Great Gray Trust Company, LLC. It invests primarily in large-cap U.S. stocks and may invest in non-U.S. securities. There were no unfunded commitments.

8. Risks and Uncertainties

The Plan invests in various investment securities as directed by its participants. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Party-in-Interest Transactions

Plan investments are managed by Fidelity, the trustee of the Plan, and therefore these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Fidelity and other parties-in-interest for contract administration, advisory and professional services amounted to $48,074 for the year ended December 31, 2025. The Plan also holds notes receivable from participants. As a result, these notes receivable and all related transactions were with a party-in-interest. All of these transactions are exempt from being prohibited transactions by ERISA.

10. Prohibited Transactions

During 2024 and 2025, the Company failed to deposit $27,732 and $111,402, respectively, of participant deferrals and loan remittances within the required timeframe as stated by the United States Department of Labor ("DOL"). The DOL considers late deposits to be a prohibited transaction. The Company calculated and remitted lost earnings for the late 2024 remittances in 2025. The Company plans to calculate and remit the lost earnings for 2025 late remittances subsequent to year end and will file the Form 5330 to pay applicable excise taxes. The excise tax payments will be made from the Company's assets and not from the assets of the Plan.

11. Subsequent Events

The Company has evaluated events and transactions for potential recognition or disclosure in the financial statements through September 22, 2026, which is the date the financial statements were available to be issued.

In December 2022, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2022 ("SECURE Act 2.0") that continued the retirement system reform previously passed in 2019. Certain provisions of the SECURE Act 2.0 are effective at various dates through 2026, with the plan amendment for the adoption of SECURE Act 2.0 due by December 31, 2026.

As part of SECURE Act 2.0, effective January 1, 2026, catch-up contributions made by high-income earners will be designated as Roth contributions.

11. Subsequent Events (Continued)

Effective March 19, 2026, the Plan was amended to remove the 1,000-hour eligibility service requirement, with the new service requirement being 12 months.

Effective September 21, 2026, the Plan was amended, changing the eligibility service requirement to three months for elective deferrals and 12 months for all employer matching contributions.
