INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
Acenda, Inc. 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements

We have performed an audit of the accompanying financial statements of Acenda, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2025 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4(i) of Assets (Held at End of Year), for the year ended December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Auditors' Report on the 2024 Financial Statements

The financial statements of the Plan as of December 31, 2024, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 14, 2025, indicated that in their opinion (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agrees to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

A. DESCRIPTION OF PLAN

The following description of the Acenda, Inc. 401(K) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Acenda, Inc. (the ”Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was established January 1, 1997 and amended January 1, 2020 to become a Safe Harbor Plan. The Plan was restated on March 11, 2022 for Cycle 3. Principal Trust Company (the “Trustee”) is the trustee of the Plan and holds the Plan’s assets.

Eligibility

All employees who have reached 21 years of age and one month of service are eligible to participate in the Plan. Employees who are union employees or nonresident aliens are excluded from participating in the Plan. After meeting the eligibility requirements, an employee becomes a member of the Plan on the first day of the month occurring on or after his/her qualification.

Contributions

The Plan provides for participant contributions of pretax annual compensation or Roth contributions, as defined in the Plan. The Plan requires automatic enrollment of 3% deferrals unless elected otherwise. Eligible employees may contribute a percentage of compensation. An employee’s contribution may not exceed 100% of their compensation. Rollovers of pre-tax contributions from another qualified plan may also be accepted by the Plan.

The Plan provides for employer safe harbor matching contributions. The safe harbor enhanced matching contribution is 100% of deferral up to 5%. The Company may make a discretionary profit sharing contribution, allocated among participants eligible to share in the contribution for the year. The amount contributed to each eligible participant will be allocated proportionately based on the participants’ category and compensation. There were no discretionary profit-sharing contributions in 2025.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and allocations of (a) the Company’s contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

A. DESCRIPTION OF PLAN (CONTINUED)

Participant Investment Options

Under the Plan, participants may direct the investment of both the Company and participant contributions. Participants may change their investment options daily.

Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum of $50,000. Total loans outstanding may not exceed 50% of a participant's vested account balance. Repayment terms for the loan are no more than five years, unless the purpose of the loan is for the purchase of a primary residence, in which case the term may be in excess of five years to a maximum of 10 years, with the loan balance amortized in equal installments over the life of the loan. The loans are secured by no more than 50% of the participant's vested account balance. The interest rate will be determined by the Plan Administrator and, in determining the interest rate, the Plan Administrator will take into consideration interest rates currently being charged on similar commercial loans by persons in the business of lending money. Principal and interest are paid ratably through payroll deductions. Interest rates on notes receivable from participants ranged from 5.25% to 10.50% at December 31, 2025 and 2024.

Payment of Benefits

Participants shall be 100% vested in their accrued benefits upon satisfying the normal or early retirement age under the Plan. The normal retirement age/date is the date on which a participant reaches age 65. The Plan allows for in-service withdrawals at age 59 ½. A participant, upon termination or retirement, may request a lump-sum payment of their total vested benefits. Upon termination or retirement, vested balances less than $1,000 will be paid out to the participant and vested balances greater than $1,000 but less than $5,000 will be rolled over to an individual retirement plan.

The Plan also allows, in certain hardship situations as defined by the Plan, participants to withdraw from their account balance while actively employed. These hardship withdrawals are subject to Internal Revenue Code restrictions and penalties.

Vesting

Participants are immediately 100% vested in any elective deferrals and rollover contributions and safe harbor match contributions, plus actual earnings thereon. Participants are 100% vested in Company discretionary employer contributions after they have completed three years of service.

Forfeitures

Forfeitures of the Company's matching contributions are used to reduce Company contributions, used to pay Plan expenses or allocated as additional nonelective discretionary contributions. Forfeitures resulting from five-year breaks in service prior to the Plan's safe harbor election are being used.

During the year ended December 31, 2025, $20,773 of forfeitures were used to reduce Company match contributions. At December 31, 2025 and 2024, available forfeitures totaled $6,528 and $9,303, respectively.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments in mutual funds are stated at quoted market price and are valued on a daily basis. Investments in pooled separate accounts are valued at net asset value ("NAV") based on the underlying assets as a practical expedient. The Plan's interest in the common collective trust is based on the contract value of the collective trust's underlying investments as based on information reported by the investment advisory using the audited financial statements of the collective trust at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded at the ex-dividend date.

As described under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 962-325-35 *"Plan Accounting – Defined Contributions Pension Plans"*, the Plan values all fully benefit-responsive contracts at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Participant Notes Receivable

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Interest income on participant loan receivables is recognized in the period in which it is earned and is recorded as interest income on the statements of changes in net assets available for benefits.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Excess Contributions

Excess contributions are the result of overfunding for highly compensated employees following the year-end compliance testing. The excess deferral funds are distributed to these employees the following year. Any excess match contributions are returned to the forfeiture account.

Administrative Expenses

Investment manager fees and broker commissions are paid by the Plan and recorded as reductions in participant allocations. All other administrative expenses are paid by the Company.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

Management has evaluated subsequent events for potential recognition and disclosure that occurred through October 6, 2026, the date the financial statements were available to be issued. No items were determined by management to require disclosure.

C. INFORMATION CERTIFIED AND PROVIDED BY THE TRUSTEE

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule, Schedule of Assets (Held at End of Year) is complete and accurate:

- Total investments and participant notes receivable as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Total investment income and interest income on participant notes receivable as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Total investments and notes receivable from participants, included in the Schedule of Assets (Held at End of Year) as of December 31, 2025, as shown on the ERISA-required supplemental schedule.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and the ERISA-required supplemental schedule, Schedule of Assets (Held at End of Year).

D. FAIR VALUE MEASUREMENTS

FASB ASC 820*, Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

D. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in less active markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds: Valued based on quoted actively traded market price.

Pooled separate accounts: valued at net asset value ("NAV") as reported to the Plan by the Trustee based on the market values of the underlying investments of the fund. The fund is not required to publish a daily NAV, therefore the NAV is a practical expedient in determining the fair value of the funds.

The preceding methods described may produce a fair value calculation that may not be indicative of realizable value or reflective of future fair value. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2025 and 2024.

D. FAIR VALUE MEASUREMENTS (CONTINUED)

	Investments at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,208,979	$ -	$ -	$ 1,208,979
Investments at fair value	$ 1,208,979	$ -	$ -	1,208,979
Investments at NAV				35,941,460
Total investments at fair value				$ 37,150,439

	Investments at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,158,261	$ -	$ -	$ 1,158,261
Investments at fair value	$ 1,158,261	$ -	$ -	1,158,261
Investments at NAV				31,986,587
Total investments at fair value				$ 33,144,848

Fair Value Estimated Using Net Asset Value per Share

The following table summarizes investments measured at fair value based on NAV per share as a practical expedient as of December 31, 2025 and 2024:

	Fair Value Using Net Asset Value per Share				
	Fair Value at December 31, 2025	Fair Value at December 31, 2024	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	$ 35,941,460	$ 31,986,587	$ -	Daily	None

Changes in Fair Value Levels

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2025, there were no transfers in or out of Level 3.

E. INVESTMENT IN INSURANCE COMPANY GENERAL ACCOUNT

The Plan has a benefit-responsive investment contract in an insurance company general account, or guaranteed interest account. The contract is included in the financial statements at contract value as reported to the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The objective of the fund is to provide preservation of capital, relatively stable returns consistent with its comparatively low risk profile, and liquidity for benefit-responsive plan or participant payments. The percentage of contributions allocated to the insurance company interest account is determined by the participants. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the Plan's ability to transact at contract value. Such events include the following: (a) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

F. PLAN TERMINATION

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, participants will become 100% vested in their accounts.

G. INCOME TAX STATUS

The IRS has determined and informed the Plan by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

H. PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are funds managed by Principal Trust Company. Principal Trust Company was the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Principal Trust Company was paid $94,284 for administrative services during the year ended December 31, 2025.

I. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2025 and 2024:

	December 31,	
	2025	2024
Net assets available for benefits per the financial statements	$ 37,710,619	$ 33,552,123
Differences in:

Net assets available for benefits per assets and liability statement of Form 5500	$ 37,709,971	$ 33,549,574

The following is a reconciliation of the change in net assets available for benefits per the financial statements to the net income per the Form 5500 for the year ended December 31, 2025:

	2025
Change in net assets available for benefits per the financial statements	$ 4,158,496
Change in Investment adjustments / deemed loan interest	1,901
Net income per Form 5500	$ 4,160,397
