Independent Auditor's Report

To the Administrative Committee of
VadaTech Inc 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA 103(a)(3)(C) Audits
We have performed audits of the accompanying financial statements of VadaTech Inc 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of VadaTech Inc 401(k) Profit Sharing Plan & Trust's (the "Plan") financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the VadaTech Inc 401(k) Profit Sharing Plan & Trust (the "Plan") provides general information only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

VadaTech Inc (the "Company") entered into the Plan (a defined contribution plan) with an effective date of February 2, 2009 and restated on January 1, 2014. The Plan agreement was written to comply with the requirements of the Employee Retirement Income Security Act of 1974 ("ERISA") and the provisions of the Tax Reform Act of 1986 and has been amended and restated since inception to comply with various changes in legislation and regulation. The administrative committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Eligibility

All employees with six months of credited service, who are at least 18 years of age, are eligible for participation in the Plan. Participation occurs immediately following the completion of the eligibility requirements.

Contributions

Each year, participants may contribute up to the lower of 92% of their annual compensation or the maximum amount allowable by law, as defined in the Plan. Participants may also contribute amounts representing eligible distributions from other qualified plans as rollover contributions to the Plan. Participants direct the investment of their accounts among various investment options offered by the Plan.

The Company contributes to the Plan under the Safe Harbor provisions of the Internal Revenue Code ("IRC"). The Company makes a Safe Harbor non-elective contribution of not less than 3% of eligible participants' compensation, as defined by the Plan. Safe Harbor contributions made by the Company are fully vested immediately and cannot be forfeited. For the year ended December 31, 2025, the Company recognized Safe Harbor contributions of $456,258.

Discretionary non-elective contributions, including profit-sharing contributions, may also be made by the Company in accordance with the provisions of the Plan. For the year ended December 31, 2025, no such contributions were made.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings and may be charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participants' vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Additionally, participants are fully vested in the Company's contributions in accordance with the provisions of the Plan.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their accounts up to the lesser of $50,000 or 50% of their vested account balance, subject to applicable Plan and statutory limitations. Loans to participants are secured by the balance in the participant's account and bear interest at a rate established in accordance with the Plan's loan procedures. Principal and interest are generally repaid through regular payroll deductions. Generally, the term of a loan may not exceed five years.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are expensed when incurred and are recorded as administrative expenses. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. In the event of participant default through nonpayment or other means, foreclosure on the promissory note and attachment of security may not occur until an event occurs that would allow or require a distribution of a participant's vested account balance.

Distribution of Benefits

Participants or their beneficiaries may begin receiving benefits upon termination of the participant's employment for any reason, including death or disability. Generally, distributions are made in the form of a single lump-sum payment or as a direct rollover to an eligible retirement plan. Partial or installment distributions may be permitted as necessary to satisfy required minimum distribution requirements.

After termination of employment, if a participant's vested account balance, excluding amounts attributable to rollover contributions, does not exceed $5,000, the participant may elect to receive the distribution in cash or roll over the distribution to an eligible retirement plan. If no timely election is made, vested account balances of $1,000 or less are distributed directly to the participant in cash, while vested account balances greater than $1,000 but not exceeding $5,000 are automatically rolled over to an individual retirement account established for the participant. If the vested account balance exceeds $5,000, participant consent is generally required before a distribution may be made.

Under certain circumstances permitted by the Plan, participants may receive hardship or other in-service distributions from eligible vested accounts prior to termination of employment.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Valuation of Investments and Income Recognition

The Plan's investments, other than the stable value fund, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the valuation policies utilizing information provided by the investment advisors and the custodian of the Plan. The Plan's investment in the stable value fund is reported at contract value. Contract value represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 3 – INFORMATION CERTIFIED BY CUSTODIAN (UNAUDITED)

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule that was prepared by John Hancock Life Insurance Company ("John Hancock") and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from John Hancock that such information is complete and accurate:

- The value of investments as indicated in the statements of net assets available for benefits and notes to financial statements, including notes receivable from participants.
- All information indicated in the statement of changes in net assets available for benefits, with the exception of contributions, benefit payments and administrative fees, if any.
- All information indicated in the supplemental schedule.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1") and the lowest priority to unobservable inputs ("Level 3").

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation method include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Pooled Separate Accounts: The pooled separate accounts are valued at fair value based on the Plan's proportionate interest in the underlying subaccounts of the John Hancock separate account. The value of each subaccount unit is determined by dividing the market value of the assets of the subaccount, less applicable charges, by the number of units outstanding. The Plan's interest in each subaccount is determined based on the number of units held by the Plan multiplied by the applicable unit value. The underlying investments of the subaccounts, which include mutual funds, collective investment trusts, and exchange-traded funds, are valued at their reported net asset values or quoted market prices, as applicable.

The following tables provide information by level on the fair value of the Plan's investments as of December 31:

Assets at Fair Value as of December 31, 2025

	Fair Value	Level 1	Level 2	Level 3
Pooled-separate accounts	$ 8,089,379	$ -	$ 8,089,379	$ -

Assets at Fair Value as of December 31, 2024

	Fair Value	Level 1	Level 2	Level 3
Pooled-separate accounts	$ 7,427,488	$ -	$ 7,427,488	$ -

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The Plan also invests in the John Hancock Stable Value Fund through a subaccount under a group annuity contract. The subaccount invests in the John Hancock Stable Value Fund Collective Investment Trust (the "Stable Value Fund"). The Stable Value Fund invests primarily in fully benefit-responsive investment contracts and related underlying investments. Fully benefit-responsive investment contracts are reported at contract value, which represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. The Stable Value Fund maintains a stable net asset value of $1.00 per unit, with investment earnings credited through additional units based on the applicable crediting rate. This fund is not included in the fair value hierarchy. The value of the funds as of December 31, 2025 and 2024, was $72,772 and $70,055, respectively.

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by John Hancock. John Hancock is the custodian of the Plan assets and, therefore, these transactions qualify as party-in-interest transactions. In addition, John Hancock provides recordkeeping services to the Plan and received fees, which are paid through revenue generated by Plan investments, for those services. These transactions are exempt from the prohibited transaction rules of ERISA. Fees paid by the Plan amounted to $72,347 which includes $68,422 paid to John Hancock and $3,925 paid to a third-party administrator for the year ended December 31, 2025.

NOTE 6 – PRIORITIES UPON TERMINATION

Although the Company has established the Plan with the bona fide intention and expectation that it will be maintained indefinitely, nevertheless, the Company is not under any obligation or liability to continue the Plan for any given length of time. The Company may in its sole discretion discontinue or terminate the Plan in whole or in part in accordance with its provisions at any time without any liability for such discontinuance or termination.

In the event the Plan terminates, no further contributions will be made to the Plan and all amounts credited to the participants' accounts will continue to be vested in accordance with the Plan document. The Company will direct the distribution of the participants' accounts in a manner permitted by the Plan as soon as practicable.

NOTE 7 – TAX STATUS

The Plan is qualified under the provisions of the IRC and is not subject to federal and state income taxes.

The Plan is relying on an opinion letter dated June 30, 2020, in which the Internal Revenue Service ("IRS") states that the Prototype Non-standardized Profit-Sharing Plan with CODA, as then designed, was in compliance with the applicable requirements of the IRC. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC; therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is no longer subject to potential income tax examinations by tax authorities for years for which the statute of limitations has expired.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 – SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 8, 2026, which is the date the financial statements were available to be issued. No events were identified that would require disclosure.
