Independent Auditor's Report

To the Trustees of
Dickie Brennan & Co., Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements
We have performed an audit of the financial statements of Dickie Brennan & Co., Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year then ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section:

- The amounts and disclosures in the 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements
We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2025 Supplemental Schedules Required by ERISA
The supplemental schedule of assets (held at end of year) and schedule of delinquent participant contributions as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2024 Financial Statements

The financial statements of the Plan as of December 31, 2024, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated September 26, 2025 indicated in their opinion that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with U.S. GAAP, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution that management determined meets the requirement of ERISA Section 103(a)(3)(C).

Note 1. Description of Plan

The following brief description of the Dickie Brennan & Co., Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of Dickie Brennan & Co., LLC; Seven Sixteen Iberville, LLC; Brasserie, LLC; Le Petit Restaurant, LLC; Cousins Restaurant, Inc.; Acorn Café, LLC; Commissary, LLC; Clubhouse Concepts, LLC; Pascal's Operating Company, LLC; and DBC Catering, LLC (collectively, the Companies) who have satisfied the eligibility requirements of age 21 and older and one year of service. Dickie Brennan & Co., LLC is the Plan Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Each year, participants may elect to contribute his or her eligible compensation, up to the maximum allowed by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Companies may make, at their discretion, a matching contribution to the Plan. For the year ended December 31, 2025, the Companies matched 50% of the participants' contributions, up to 5% of their eligible compensation. The Companies may also make, at their discretion, a profit-sharing contribution to the Plan. There was no profit-sharing contribution made to the Plan for the year ended December 31, 2025.

Participant Accounts

Participants direct the allocation of their voluntary contributions and discretionary matching and profit-sharing contributions from the Companies among the Plan's investment options. Each participant's account is also credited with allocations of plan earnings/losses. Participant accounts are charged with an allocation of administrative expenses for investment management fees paid by the Plan. Allocations are based on participant earnings/losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is limited to the vested balance in the participant's account.

Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balance but may not exceed $50,000. The minimum amount a participant can borrow is $1,000. The loans are secured by the balance in the participant's vested account and bear an interest rate which is determined by the Plan Administrator. Principal and interest are paid ratably through bi-weekly payroll deductions. Loan interest paid by a participant is credited to the account of the paying participant.

Note 1. Description of Plan (Continued)

Payment of Benefits

Distributions from plan assets are made upon the participant's death, disability, retirement, termination of service, or other circumstances as described in the Plan Document. Distributions may be made in the form of a lump sum payment or an alternate form of payment as permitted in the Plan Document. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan.

Vesting

Participants are immediately vested in their contributions plus actual earnings/losses thereon. A participant becomes 100% vested in the Companies' discretionary contributions and earnings/losses thereon after 6 years of credited service. Participants become 100% vested in the Companies' contributions and earnings/losses at normal retirement age, death, disability, or termination of the Plan.

Forfeitures

When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account, as defined by the Plan, represents a forfeiture. Forfeiture accounts may be applied to payment of plan administration expenses or used to reduce future employer contributions. At December 31, 2025 and 2024, forfeited non-vested accounts totaled $10,373 and $8,800, respectively.

Plan Termination

Although they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination or partial termination of the Plan, or the complete discontinuance of contributions, the rights of all affected participants to their accrued benefits shall be fully vested and non-forfeitable.

Administrative Expenses

Administrative expenses of the Plan may be paid by the Companies or the Plan as provided in the Plan Document. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting
The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. Delinquent loans are treated as distributions based upon the terms of the Plan Document.

Contributions
Contributions from plan participants and the matching contributions from the Companies are recorded in the year in which the employee contributions are withheld from compensation.

Payment of Benefits
Benefits are recorded when paid.

Tax Status
The plan has adopted a preapproved plan document that has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the form of the preapproved plan document was in compliance with applicable requirements of the IRC. The Plan has been amended since adopting the preapproved plan document; however, the plan administrator believes the Plan is designed, and being operated, in compliance with the applicable requirements of the IRC.

Note 2. Summary of Significant Accounting Policies (Continued)

Tax Status (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Reclassifications

Certain prior-year amounts have been reclassified to conform to the current-year presentation. Such reclassifications had no effect on net assets available for benefits or changes in net assets available for benefits previously reported.

Note 3. Information Certified by John Hancock Life Insurance Company (U.S.A.)

The following is a summary of the Plan's asset information as of December 31, 2025 and 2024, and for the year ended December 31, 2024, included throughout the Plan's financial statements and ERISA-required supplemental schedules, obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (U.S.A.) (John Hancock), a qualified institution.

	2025	2024
Investments, at Fair Value		
Pooled Separate Accounts	**$ 6,222,219**	$ 5,037,713
Cash and Cash Equivalents	**$ 10,373**	$ 8,800
Notes Receivable from Participants	**$ 94,340**	$ 63,217

John Hancock also certified to the completeness and accuracy of $793,139 of net appreciation in fair value of investments and $7,040 of interest income on notes receivable from participants for the year ended December 31, 2025.

Note 4. Fair Value Measurements

The *Fair Value Measurement* Topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Note 4. Fair Value Measurements (Continued)

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Pooled Separate Accounts: Valued at the market value of the underlying mutual funds as adjusted for the Plan's participation unit in the pooled accounts.

The preceding method may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

December 31, 2025	**Level 1**	**Level 2**	**Level 3**	**Total**
Total Assets in the Fair Value Hierarchy	**$ -**	**$ -**	**$ -**	**$ -**
Investments Measured at Net Asset Value [(a)]				**6,222,219**
Investments, at Fair Value				**$ 6,222,219**

December 31, 2024	Level 1	Level 2	Level 3	Total
Total Assets in the Fair Value Hierarchy	$ -	$ -	$ -	$ -
Investments Measured at Net Asset Value [(a)]				5,037,713
Investments, at Fair Value				$ 5,037,713

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value (NAV) per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 4. Fair Value Measurements (Continued)

Investments Measured Using NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2025 and 2024.

	2025 Fair Value	2024 Fair Value	Unfunded Commitment	Redemption Notice Period
Pooled Separate Accounts				
Aggressive Growth Funds [(a)]	$ 1,574,791	$ 1,529,228	$ -	None
Asset Allocation Funds [(b)]	955,260	346,592	-	None
Conservative Funds [(c)]	310,052	303,440	-	None
Growth Funds [(d)]	1,336,217	1,154,857	-	None
Growth and Income Funds [(e)]	1,772,251	1,452,425	-	None
Income Funds [(f)]	273,648	251,171	-	None
Total	$ 6,222,219	$ 5,037,713	$ -	

(a) This category attempts to maximize returns by taking a relatively higher degree of risk. It emphasizes capital appreciation as a primary investment objective, rather than income or safety of principal.

(b) These funds primarily consist of investments seeking various degrees of current income, capital appreciation, and preservation of capital. The allocations are dependent on the target retirement date. The funds invest in fixed income and equity funds, with a goal of capital appreciation for those funds with distant target retirement dates. As the target retirement date approaches, the funds change the mix toward a goal of preservation of capital and production of income.

(c) These funds seek to preserve an investment portfolio's value by investing in lower risk securities such as fixed-income and money market securities.

(d) These funds consist of a diversified portfolio of stocks that has capital appreciation as its primary goal, with little or no dividend payouts. Portfolio companies would mainly consist of companies with above-average growth in earnings that reinvest their earnings into expansion, acquisitions, and/or research and development.

(e) These funds have a dual strategy of capital appreciation and current income generation through dividends or interest payments. A growth and income fund may invest only in equities or in a combination of stocks, bonds, REITS, and other securities.

(f) These funds emphasize current income, either on a monthly or quarterly basis, as opposed to capital appreciation. Such funds hold a variety of government, municipal, and corporate debt obligations, preferred stock, money market instruments, and dividend-paying stocks.

Note 5. Related-Party and Party-in-Interest Transactions

Certain plan investments are managed by John Hancock. John Hancock is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Certain fees incurred and paid directly by the Plan are for investment management services. Consequently, such transactions are permitted under the provisions of the Plan and are exempt from the provision of the party-in-interest transactions under ERISA.

Note 6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7. Prohibited Transactions

During 2025, the Plan Sponsor failed to deposit $75,645 of participant deferrals within the required timeframe as stated by the United States Department of Labor (DOL) regulations. The Plan Sponsor calculated lost earnings of $945 for these late remittances and deposited these lost earnings into affected participants' accounts in August and December 2025 to compensate those participants for potential lost income due to the delays.

Note 8. Subsequent Events

The Plan Administrator has evaluated subsequent events through the date that the financial statements were available to be issued, September 18, 2026, and determined that the following event occurred that requires disclosure.

In March 2026, the Plan Sponsor formed 2400 Napoleon Manager LLC. Employees of this entity will be eligible to participate in the Plan in March 2027.

No further subsequent events occurring after this September 18, 2026 have been evaluated for inclusion in these financial statements.
