United McGill Corporation Pay Deferral Plan and Trust
Groveport, Ohio

Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of United McGill Corporation Pay Deferral Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of United McGill Corporation Pay Deferral Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- **the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.**

- **the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).**

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United McGill Corporation Pay Deferral Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United McGill Corporation Pay Deferral Plan and Trust's ability to continue as a going concern for one year after financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- **Exercise professional judgment and maintain professional skepticism throughout the audit.**

- **Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.**

- **Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United McGill Corporation Pay Deferral Plan and Trust's internal control. Accordingly, no such opinion is expressed.**

- **Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.**

- **Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United McGill Corporation Pay Deferral Plan and Trust's ability to continue as a going concern for a reasonable period of time.**

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4i – Schedule of Assets Held for Investment Purposes at End of Year as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- **the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.**

- **the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).**

NOTE A - DESCRIPTION OF PLAN

The following brief description of the United McGill Corporation (the Company) Pay Deferral Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all salaried full-time, part-time employees and hourly-paid full-time employees of the Company who have satisfactorily completed their 90-day probationary period. The Plan is administered by the Retirement Committee (the Plan Administrator) and the Plan's investments are held by Ascensus Trust Company, (the Trustee) as appointed by the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Contributions

Participants may contribute (pre-tax and Roth) up to the limitations imposed by the Internal Revenue Code (IRC). The Plan accepts rollover contributions on behalf of participants from other pension or profit sharing plans. Rollovers received by the Plan for the years ended December 31, 2025 and 2024 totaled $8,508 and $21,352, respectively.

Employer Contributions

The Company elected to match 50% of the participant's deferral (pre-tax and Roth), up to the first 4% of the deferral for all full-time salaried associates and part-time non-union employees. For non-salaried associates covered under a Collective Bargaining Agreement, the Company makes a contribution based on the terms in the Collective Bargaining Agreement.

Employer Profit-Sharing Contributions

The Company may contribute discretionary profit-sharing contributions to the Plan for the benefit of all qualified salaried employees as authorized by the Company's Board of Directors. The Company did not authorize a discretionary contribution for the years ended December 31, 2025 and 2024.

Participant Accounts

Each participant's account is credited with the participant's contribution, employer contributions for eligible employees, and earnings, less an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Investment Options

A participant may direct all contributions in any of the investment options as allowed by the Plan. Participants may change their investment options at any time.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Vesting

Plan participants are immediately vested in their salary deferral and voluntary employee contributions plus earnings thereon. Participants are vested with respect to the employer matching contributions, discretionary profit-sharing contributions, and earnings thereon, in accordance with the following schedule:

Years of Service	Vested Percentage
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

Notes Receivable from Participants

Participants may borrow from their pre-tax accounts at a minimum of $1,000 up to a maximum of $50,000, or 50% of the vested portion of their account balance. The loans are secured by the balance in the participants' accounts and bear interest at the Prime interest rate plus 1% (6.75% and 7.50% for the years ended December 31, 2025 and 2024, respectively).

Benefit Payments

The benefit payable to a participant or their designated beneficiary is determined by the value of the vested portion of the participant's rollover account, employee contribution account, and employer contribution account as of the valuation date. Benefits are distributed in a lump-sum payment in the amount of the participants' vested balance upon the participant's retirement, termination, disability, or death. During active employment, participants may withdraw their pre-tax and post-tax contributions and related earnings through a hardship withdrawal.

CARES Act

The Plan adopted the applicable provisions of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), which was signed into law on March 27, 2020 and formally amended the Plan documents effective March 15, 2022. The CARES Act distribution provision allowed the Plan's participants to take a distribution up to $100,000 or 100% of their vested balance, whichever is less, from the Plan beginning on or after January 1, 2020 and before December 31, 2020. Eligible participants who receive a distribution under the CARES Act were not subject to the standard early withdrawal penalty that generally applies to participants under the age of 59½. The CARES Act loan provision allowed the Plan's participants to take a loan up to $100,000 or 100% of the participants' vested balance, whichever is less, through September 22, 2020. In addition, the Plan adopted the temporary loan repayment deferral provision of the CARES Act. The deferral provision adopted by the Plan allowed qualified Plan participants who had Plan loan repayments to suspend such repayments through December 31, 2020 and then re-amortize the loan over the remaining period of the loan plus up to an additional 12 months. Pursuant to the CARES Act, the Plan also suspended all minimum required distributions for 2020 and allowed participants who had already taken their minimum required distributions to roll them back into the Plan.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

SECURE 2.0 Act

The SECURE 2.0 Act of 2022 ("SECURE 2.0"), signed into law on December 29, 2022, makes significant changes to existing law for retirement plans by building upon provisions in the SECURE Act of 2019. SECURE 2.0 introduces new requirements and considerations for plan sponsors that are intended to expand coverage, increase savings, preserve income, and simplify plan rules and administrative procedures. Each of the provisions in SECURE 2.0 has its own effective date ranging from the date of enactment to 2028 and beyond, with the bulk of the provisions taking effect in 2023 and 2024. The Plan is required to be amended in regard to the requirements of SECURE 2.0 by December 31, 2026.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed in the preparation of these financial statements. These policies conform to accounting principles generally accepted in the United States of America, and have been applied on a consistent basis.

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with U.S. generally accepted accounting principles (GAAP) requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchase and sales of securities are recorded on a trade-date basis. Investment income is recognized when earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan payments, the participant otherwise qualifies for a distribution, and the Plan Administrator considers the participant note to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Benefit Payments

Benefit payments are recorded when paid.

Administrative Expenses

Administrative expenses are paid by the Plan. An Administrative Fee Credit Account was established to pay fees to the record keeper from the various fund managers. The Plan pays the administrative expenses first and offsets Company contributions with the remaining funds in the account.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Forfeited Amounts

Forfeitures are used to pay administrative fees, with any remaining amounts used to reduce future employer contributions. The remaining forfeited nonvested accounts totaled $-0- and $5,697 at December 31, 2025 and 2024, respectively. During the years ended December 31, 2025 and 2024, administrative fees paid from forfeited nonvested accounts were $-0- and $3,857, respectively, and employer contributions were reduced by $14,427 and $2,718 from forfeited nonvested accounts, respectively.

Reclassifications

Certain reclassifications have been made to the prior year's financial statements to conform to the current year presentation. Such reclassifications had no effect on net assets available for benefits.

Subsequent Events

Management evaluated all activity of the Plan through October 1, 2026, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements or notes.

NOTE C - FAIR VALUE

FASB ASC 820 establishes a framework for measuring fair value, which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described in the table below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- **Quoted prices for similar assets or liabilities in active markets;**
- **Quoted prices for identical or similar assets or liabilities in inactive markets;**
- **Inputs other than quoted prices that are observable for the asset or liability;**
- **Inputs that are derived principally from or corroborated by observable market data by correlation or other means.**

If the asset or liability has a specified (contractual) term, Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE C - FAIR VALUE (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

- ***Mutual funds*: Valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. (Level 1)**

- ***Common collective trust funds*: A stable value fund, which is a collective trust that consists primarily of synthetic guaranteed investment contracts, which are a combination of a portfolio of individual assets and a wrap contract typically issued by a financial institution or insurance company that provides that participant transactions are executed at net asset value. Investments in collective trust funds are reported at net asset value, which is used as a practical expedient to estimate fair value in the statements of net assets available for benefits.**

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

2025	Total	(Level 1)	(Level 2)	(Level 3)
Mutual funds	$ 33,964,902	$ 33,964,902	$ -	$ -
Investments measured at net asset value	849,918	-	-	-
Total	$ 34,814,820	$ 33,964,902	$ -	$ -

2024	Total	(Level 1)	(Level 2)	(Level 3)
Mutual funds	$ 28,196,759	$ 28,196,759	$ -	$ -
Investments measured at net asset value	2,291,326	-	-	-
Total	$ 30,488,085	$ 28,196,759	$ -	$ -

NOTE C - FAIR VALUE (CONTINUED)

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

2025	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Common collective trust	$ 849,918	$ -	Immediate	None

2024	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Common collective trust	$ 2,291,326	$ -	Immediate	None

NOTE D - SUMMARY OF INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Administrator has obtained certifications from Ascensus Trust Company, the Trustee, that the information provided to the Plan Administrator by the Trustee is complete and accurate in accordance with 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. A summary of information included in the financial statements and schedule, which has been certified as of and for the years ended December 31, 2025 and 2024, is as follows:

	2025	2024
Mutual funds	$ 33,964,902	$ 28,196,759
Common collective trust	849,918	2,291,326
Notes receivable from participants	178,896	177,481
Net appreciation in fair value of investments	3,607,688	3,249,155
Interest and dividends	1,160,692	906,537
Interest on notes receivable from participants	15,142	14,028

NOTE E - PARTY-IN-INTEREST TRANSACTIONS

Certain participants have borrowed on their vested account balances. As the individuals are participants in the Plan, these transactions qualify as party-in-interest transactions.

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE H - INCOME TAX STATUS

The Plan sponsor adopted a plan which received a favorable opinion letter, from the Internal Revenue Service dated June 30, 2020, which states that the Plan is designed in accordance with the applicable sections of the IRC and is, therefore, not subject to tax under present income tax law. The Plan is required to operate in conformity with the IRC to maintain its qualification. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

GAAP requires Plan management to evaluate tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the statute of limitations for the IRS to assess taxes on a plan expires three years from the due date of the return or the date on which it was filed, whichever is later.
