Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of E.G.O. North America, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of E.G.O. North America, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of E.G.O. North America, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about E.G.O. North America, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of E.G.O. North America, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about E.G.O. North America, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A – DESCRIPTION OF THE PLAN

The following description of the E.G.O. North America, Inc. 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all employees of E.G.O. North America, Inc. (the Company and Plan Sponsor) who have completed three months of service and are age 18 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Each year, participants may elect to defer a portion of compensation, as defined in the Plan, up to the maximum amount determined by current laws and regulations. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans. The Company makes a Safe Harbor matching contribution equal to 100% of salary deferrals that do not exceed 3% of compensation plus 50% of salary deferrals between 3% and 5% of compensation. The Company makes additional contributions to the Plan at its sole discretion. An employee must complete a year of service and be actively employed on the last day of the Plan year to share in this discretionary contribution. No discretionary contributions were made for Plan years ended December 31, 2025 or December 31, 2024. Contributions are subject to certain annual limitations.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, (b) Plan earnings, and (c) administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The accounts are participant directed.

Vesting. Participants are immediately vested in their contributions and the Company's Safe Harbor matching contribution plus actual earnings thereon. Prior to October 1, 2024, a participant was 100% vested in the Company's discretionary contribution plus actual earnings thereon after six years of credited service. Participants who are terminated after October 1, 2024 are 100% vested in all of their employer accounts.

Notes Receivable from Participants. Participants may borrow from their fund accounts up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms range from 1-5 years. The Administrator may permit a longer repayment period if the loan is for the purchase of a primary residence. The loans are secured by the balance in the participant's account. The loan interest rate is set by the Plan Administrator. Principal and interest is paid ratably through payroll deductions. Participant loans are valued at the unpaid principal balance plus accrued interest. Participant loans outstanding totaled $125,357 at December 31, 2025 and $255,716 at December 31, 2024 and are presented in the statement of net assets available for benefits as notes receivable from participants. A participant loan is considered in default and treated as a deemed distribution if a participant fails to make scheduled repayments.

Payment of Benefits. On termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. The Plan allows for in-service withdrawals at age 59 ½ as well as withdrawals in the event of financial hardship under certain conditions. At age 70 ½, 72 or 73 (depending on when a participant was born) and separated from service, a portion of the balance will be required to be distributed each year.

NOTE A – DESCRIPTION OF THE PLAN (Continued)

Forfeited Accounts. Participants who were terminated prior to October 1, 2024 with a remaining balance in the Plan may forfeit certain amounts. During the year ended December 31, 2025, forfeitures in the amount of $2,695 were used to reinstate a participant account balance. There was $3,956 in unallocated forfeitures as of December 31, 2025 and $6,651 in unallocated forfeitures as of December 31, 2024.

Safe Harbor Plan. Effective January 1, 2011, the Plan qualified for the "Safe Harbor" provisions offered in Section 401(k) and Section 401(m) of the Internal Revenue Code of 1986 and is no longer subject to ADP/ACP non-discrimination testing.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition. The Plan's investments are stated at fair value with the exception of the John Hancock Stable Value fund, which is carried at contract value. The Plan holds investments in John Hancock pooled separate accounts with underlying mutual fund investments. These investments are measured by the unit value (similar to mutual fund NAV calculation), which is based on the observable net asset value of the underlying investment for the mutual fund investments. The stable value fund is a fully benefit-responsive investment contract. The contract is measured by participant contributions plus accumulated contractual interest earned, less any participant-directed withdrawals and administrative fees. The stable value fund investment income is recognized as earned on an accrual basis.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits. Benefits are recorded when paid.

Expenses. Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

Use of Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE C – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

NOTE C – FAIR VALUE MEASUREMENTS (Continued)

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Refer to Note B for the valuation methods used to fair value Plan Assets.

The following table provides information by level for assets that are measured at fair value on a recurring basis as of December 31, 2025 and December 31, 2024:

Investments Outside the Hierarchy:

	Level 1	Level 2	Level 3	Total
John Hancock Pooled Separate Accounts (1)	$ -	$ -	$ -	$ 11,371,393
Total Investments at Fair Value December 31, 2025	**$ -**	**$ -**	**$ -**	**$ 11,371,393**
John Hancock Pooled Separate Accounts (1)	$ -	$ -	$ -	$ 12,077,834
Total Investments at Fair Value December 31, 2024	**$ -**	**$ -**	**$ -**	**$ 12,077,834**

(1) As required by ASC 820, investments measured at fair value using the NAV practical expedient have not been classified within the fair value hierarchy tables to allow for direct reconciliation to the Statement of Net Assets Available for Benefits.

The Pooled Separate Accounts are recorded at the NAV (or its equivalent). The NAV reported by the underlying fund approximates the fair value of the investment. These investments are redeemable with the fund at NAV. Plan participant transactions of investments or withdrawals may occur on a daily basis and there are no redemption restrictions on these funds. There are no unfunded commitments at December 31, 2025 and 2024.

NOTE D – INVESTMENTS REPORTED AT CONTRACT VALUE

The John Hancock Stable Value fund is a group annuity contract. Contributions to the contract are held in pooled separate accounts that invest primarily in benefit-responsive contracts issued by state regulated insurance companies and banks, including but not limited to John Hancock Life Insurance Company.

NOTE D – INVESTMENTS REPORTED AT CONTRACT VALUE (Continued)

Each insurance company either contractually guarantees or obtains contractual guarantees from third parties insuring against the loss of principal deposited into the fund and providing that individual participant withdrawals will be paid at contract value. However, if the contract value of the fund exceeds the market value of underlying securities, the stabilizing agreements provide that the payment of certain withdrawals may be delayed for up to 12 months unless the plan or the participant requesting the withdrawal elects to accept such payment subject to a market value adjustment. Certain events would limit the ability of the Plan to transact at contract value with John Hancock Life Insurance Company, including: (i) termination of the Plan's interest by the Plan Administrator with less than twelve months' notice, (ii) additional investment options established that constitute a competing fund, or (iii) withdrawals and transfers of amounts held under the contract due to a employer-initiated event including, but not limited to, a total or partial plan termination, merger, spin-off, lay-off, early retirement incentive program, sale or closing of all or part of the Plan sponsor's operations, bankruptcy or receivership. The partial plan termination did not limit the ability of the Plan to transact at contract value. John Hancock may terminate the contract for any of the following events: there are no contributions for 90 days, contract assets fall below $70,000, contributions in the last 2 years average less than $25,000 per year, there are less than 2 participants making contributions, or the Plan Sponsor becomes insolvent. The Plan Administrator does not believe that any events listed are probable of occurring.

NOTE E – SPONSOR PAID EXPENSES

The Plan’s Sponsor paid audit fees on the Plan’s behalf of approximately $16,000 for each year presented.

NOTE F – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants’ account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE G – INFORMATION CERTIFIED

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, John Hancock Life Insurance Company has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate in accordance with DOL regulations.

	2025	2024
Investments	$ 11,535,747	$ 12,303,959
Notes Receivable from Participants	$ 125,357	$ 255,716
Investment Income, Net	$ 1,833,661	
Interest Income on Participant Loans	$ 14,051	

NOTE H – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of pooled separate accounts managed by John Hancock Life Insurance Company. John Hancock Life Insurance Company receives administrative and investment transaction fees from the Plan. Indirect audit fees paid on behalf of the Plan by the Sponsor are considered party-in-interest transactions. Participant loans and interest paid on participant loans are also considered party-in-interest transactions. These transactions are exempt from the prohibited transactions rules under ERISA.

NOTE I – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE J – TAX STATUS

The Plan was amended and restated by adopting a pre-approved 401(k)/Profit Sharing Plan through My Benefits, LLC. The pre-approved plan has received a favorable opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the plan is in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan administrator believes that the plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt. The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States of America. As of December 31, 2025, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrecognized tax benefits that would either increase or decrease within the next twelve months. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE K – PARTIAL PLAN TERMINATION

Due to the increasing cost of labor and benefits, the Company ceased manufacturing operations in the United States and moved its manufacturing lines to Mexico. Effective October 1, 2024, the Plan experienced a “Partial Plan Termination” as a result of the plant closure and subsequent layoffs. A partial plan termination is presumed to occur when 20% or more of all participants are terminated during the year due to layoffs or other employer action. As a result of this partial plan termination designation, participants who are terminated after October 1, 2024 are 100% vested in all of their employer accounts.

NOTE L – SUBSEQUENT EVENTS

Management of the Plan has evaluated subsequent events through October 1, 2026, the date the financial statements were available to be issued. No additional discloses were needed.
