INDEPENDENT AUDITOR'S REPORT

To the Administrators
Irwin Seating Company
Profit Sharing Retirement Plan
Grand Rapids, MI

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Irwin Seating Company Profit Sharing Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Irwin Seating Company Profit Sharing Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Irwin Seating Company Profit Sharing Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Irwin Seating Company Profit Sharing Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Irwin Seating Company Profit Sharing Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Irwin Seating Company Profit Sharing Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4i Schedule of Assets Held at End of Year and Schedule H, line 4a Schedule of Delinquent Participant Contributions as of the year ended December 31, 2025 are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other

records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PROFIT SHARING RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

A. DESCRIPTION OF THE PLAN

The following description of Irwin Seating Company Profit Sharing Retirement Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. GENERAL. The Plan is a defined contribution plan for all salaried and hourly employees of Irwin Seating Company. The salary and hourly participants must have worked a quarter year of service and be 18 years of age or more. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. CONTRIBUTIONS. For the union participants the Company makes contributions to the Plan based on the number of hours each employee accumulates during the Plan year. Under the terms of the union contract at Irwin Seating Company, monthly contributions of .30 cents per hour are required for 2025 and 2024. Both salary (non-union) and hourly (union) participants may contribute up to 100% of their compensation, subject to certain limitations. The Company chose to match 100% of deferrals up to $2,500 for 2025 and 2024. Also, each year the Company can contribute to the plan a discretionary percentage of its profits determined by management. The Company chose not to contribute in 2025 or 2024.

3. PARTICIPANT ACCOUNTS. Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, and (b) Plan earnings. Employer contributions are allocated to the participants' account, prorated based on compensation. Plan earnings are allocated to the participant accounts based upon their account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

4. VESTING. Participants are immediately vested both in their voluntary and company contributions plus the earnings thereon.

5. PAYMENTS OF BENEFITS. On termination of employment, a participant may select to receive a lump-sum or a partial distribution. Also, if the balance of the participant's account is greater than $1,000, they may elect to keep the balance in the plan.

6. NOTES RECEIVABLE FROM PARTICIPANTS. Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balances. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant loan fund. Loan terms range from 1-10 years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. The interest rate is 1% over prime for 2025 and 2024, respectively. The interest rate is determined annually by the Plan Administrators. Principal and interest is paid ratably through payroll deductions.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. ACCOUNTING METHOD. The financial statements of the Plan are prepared under the accrual method of accounting.

2. ESTIMATES. The preparation of financial statements in conformity with generally accepted accounting principles may require the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

3. INVESTMENT VALUATION AND INCOME RECOGNITION. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

   The Plan holds units of a common/collective trust ("CCT") with the Putnam Stable Value Fund ("Putnam") that has investments in fully benefit-responsive investment contracts. The fair value of the Plan's interest in the CCT is based on audited financial information reported by the issuer, Putnam Fiduciary Trust Company. The issuer determines fair value based on the underlying investments (primarily conventional, synthetic and separate account investment contracts, and cash equivalents). The value of the CCT represents contributions plus earnings, less participant withdrawals and administrative expenses. Participant-directed redemptions for the CCT have no restrictions; the Plan, however, is required to provide a one-year redemption notice to liquidate its entire share in the fund.

   Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

4. NOTES RECEIVABLE FROM PARTICIPANTS. Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

5. PAYMENT OF BENEFITS. Benefits are recorded when paid.

6. DATE OF MANAGEMENT'S REVIEW. Subsequent events were evaluated through September 25, 2026, which is the date the financial statements were available to be issued.

C. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable Inputs. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

C. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- **a.** Quoted prices for similar assets or liabilities in active markets
- **b.** Quoted prices for identical or similar assets or liabilities in inactive markets
- **c.** Inputs other than quoted prices that are observable for the asset or liability
- **d.** Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds. Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Variable Annuities: Prices/unit values for Variable Annuity investment options are calculated daily by the annuity provider according to the methods described in the annuity contract.

Common/collective trust funds. The investments include a stable value fund. The fair values of participation units held in the stable value fund are based on NAV as a practical expedient to reflect all fund investments at fair value, including direct and indirect interests in fully benefit-responsive contracts. Accordingly, these NAV-based investments have been excluded from the fair value hierarchy.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024.

D. INFORMATION PREPARED AND CERTIFIED BY EMPOWER THE TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following is a summary of the unaudited information regarding the Plan as of December 31, 2025 and 2024, and for the years ended December 31, 2025 and 2024, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by the Trustee and furnished to the Plan. The Plan has obtained certifications from the Trustee as of December 31, 2025 and 2024 and for the periods January 1, 2025, through December 31, 2025 and January 1, 2024 through December 31, 2024, that such information is complete and accurate.

	2025	2024
Investments at fair value:		
Mutual funds	$ 94,410,261	$ 83,394,009
Variable annuities	287,140	134,100
Common collective trust funds	6,139,097	7,555,078
Notes receivable from participants	1,955,637	1,970,243
Investment income (loss)	16,743,753	11,494,003

E. TAX STATUS

The Plan obtained its latest determination letter on November 14, 2022, from the Internal Revenue Service stating that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

F. ADMINISTRATIVE EXPENSES

The Plan can pay for plan expenses through a revenue sharing agreement set up with their third party administrator, Empower Retirement. Any administrative expenses not covered by the revenue sharing agreement are paid by Irwin Seating Company, the plan sponsor.

G. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

H. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

I. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Empower Retirement. Empower Retirement is the trustee of the Plan, and therefore, these transactions qualified as party-in-interest transactions. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

J. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

Plus: administrative fees netted on financial statements	228
Less: distribution of deemed loans not included on Form 5500	-
Total deductions per Schedule H of the Form 5500	$ 11,636,149

K. PROHIBITED TRANSACTIONS AND CONTINGENCIES

During the course of the 2025 plan year, the Plan committed a prohibited transaction. The plan sponsor inadvertently failed to timely remit an employee contribution according to DOL regulations resulting in the contribution being deposited late. The amount of the late deposit totaled $5,288 for the 2025 plan year. The Plan voluntarily self-corrected by paying in the employee contribution and the applicable lost earnings in 2026. The Plan's financial statements do not disclose any adjustments for the impact of this prohibited transaction.
