REPORT OF INDEPENDENT AUDITORS

To the Plan Administrator of the
403(b) Thrift Plan for the Employees of Dallas Children's Advocacy Center

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the 403(b) Thrift Plan for the Employees of Dallas Children's Advocacy Center (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HLB WE ARE AN INDEPENDENT MEMBER OF THE GLOBAL ADVISORY AND ACCOUNTING NETWORK

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103 (a)(3)(C).

403(b) THRIFT PLAN FOR THE EMPLOYEES OF DALLAS CHILDREN'S ADVOCACY CENTER

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

A. Description of the Plan

General

The following brief description of the 403(b) Thrift Plan for the Employees of Dallas Children's Advocacy Center (the "Plan") is provided for general information purposes only. The Plan is sponsored by Dallas Children's Advocacy Center (the "Plan Sponsor"). Participants should refer to the Plan document for more complete information. The Plan Sponsor's offices are located in Dallas, Texas.

The Plan was effective January 1, 2000, and is a defined contribution plan available to all full-time and part-time employees of the Plan Sponsor. The Plan was restated retroactively effective January 1, 2010, which was executed in March 2020, in order to comply with updated rules and regulations through 2017. The Plan was restated most recently effective November 1, 2025. There is no minimum service requirement to make contributions to the Plan. All employees of the Plan Sponsor are eligible to participate in the Plan, except for those who are non-resident aliens with no U.S. source income and those who are classified or treated as temporary employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The purpose of the Plan is to encourage the Plan Sponsor's employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

Contributions

Participants may contribute up to 100% of pre-tax annual compensation, as defined by the Plan. Effective November 1, 2025, participants may also contribute designated Roth (after tax) contributions. Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code (the "Code") as defined in the Plan document. Eligible participants may make a rollover contribution to the Plan.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the close of the year may make catch-up contributions in accordance with, and subject to the limitations imposed by the Code.

Effective January 1, 2025, the Plan permitted eligible participants who attain ages 60 through 63 during the plan year to make additional elective deferrals in excess of the standard age 50 catch-up contribution limit, as permitted under section 109 of the SECURE 2.0 Act of 2022 ("Super catch-up contributions"). Super catch-up contributions are subject to annual limits established by the Code and are adjusted periodically for inflation. The availability of super catch-up contributions is optional, and the Plan elected to adopt this provision for the 2025 plan year.

A. Description of the Plan – continued

Contributions – continued

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Company matches 100% of the participants' contributions up to 4%. Participants must be 21 years of age and have completed 1,000 hours of service during the year to be eligible to receive matching contributions.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of: (a) the Plan Sponsor's contribution, (b) Plan earnings (losses), and, (c) administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and Plan Sponsor contributions plus actual earnings thereon. Therefore, there are no forfeitures outstanding as of December 31, 2025 and 2024.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum amount equal to the lesser of $50,000 or 50% of their account balance. Loan terms range up to five years or longer for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Sponsor and are reevaluated each calendar quarter. As of December 31, 2025 and 2024, interest rates were 5.81% and 5.33%, respectively. Principal and interest are paid ratably through payroll deductions. Participant loans are classified as notes receivable from participants in the Plan's financial statements. Effective November 1, 2025, participants are limited to two outstanding loans.

Benefit Payments

Participants withdrawing during the year for reasons of death, disability, or retirement are entitled to their vested account balance to be distributed in the form of a lump sum payment, monthly installments over a specified payment schedule, or a rollover to another self-directed investment alternative. For termination of service due to other reasons, a participant may receive the value of the vested account balance as a lump-sum or rollover distribution. Certain in-service withdrawals are allowed. Terminated participants with vested account balances of less than $1,000 are subject to an involuntary lump-sum distribution if they do not submit distribution instructions in a timely manner.

A. Description of the Plan – continued

Benefit Payments – continued

A participant may also elect to withdraw all or a portion of their vested account balance while employed after reaching age 59 ½. A participant may receive a hardship distribution from salary reduction contributions if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, their spouse or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses; (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) funeral expenses; (6) to pay expenses for the repair of damage to the participant's principal residence; or (7) to pay expenses resulting from a disaster declared by the Federal Emergency Management Agency if the participant's primary residence or place of employment is located in the disaster area.

Investment Options

Upon enrollment in the Plan, a participant may direct their salary deferrals in 1% increments into any of the Plan's investment options.

B. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Contributions

Contributions from the Plan Sponsor and participants are accrued as they become obligations of the Plan Sponsor, as determined by the Plan's administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

Plan Expenses

Employees of the Plan Sponsor perform certain administrative functions with no compensation from the Plan. In accordance with Plan provisions, the Plan Sponsor pays substantially all costs relating to asset charges and recordkeeping. All significant administrative expenses are paid by the Plan Sponsor and are not reflected in the accompanying financial statements.

B. Summary of Significant Accounting Policies – continued

Investment Valuation and Income

The investments of the Plan are stated at fair value as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with GAAP, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan's valuation methodologies.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are recorded at the unpaid principal balance plus accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

C. Fair Value Measurements

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels defined are as follows:

- Level 1 – observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.

- Level 2 – observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.

- Level 3 – inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

C. Fair Value Measurements – continued

GAAP requires that management describe the methodologies used to measure the fair value of assets and liabilities. The methodologies used to measure the fair value of the Plan's investments are as follows:

- *Mutual funds* – Mutual funds are registered with the Securities and Exchange Commission and are carried at the net asset value ("NAV") at which the mutual fund shares are actively traded. Inputs used for valuing securities are not an indication of the risk associated with investing in those securities. The mutual funds are not publicly traded. The mutual funds are within an insurance contract and are privately held but operate like a publicly traded fund. All of the mutual funds are contained in a pooled separate account. As such, management has categorized the investments as Level 2 within the fair value hierarchy. There are no significant redemption restrictions on these investments at NAV.

- *Mutual of America General Account* – The Mutual of America General Account (the "General Account") assets are invested in the Mutual of America Interest Accumulation account, which is an insurance company general account. The General Account is credited with a contractual rate of return. The General Account is valued at contract value (book value) which approximates fair value. Below are additional characteristics of the General Account:

  - There are no front- or back-end charges, so investments in the General Account are completely liquid;

  - The interest rate credited to investments in the General Account is a current rate, and is not dependent upon the length of time the assets are invested with Mutual of America Life Insurance Company (the custodian);

  - Requests for withdrawal can be made at any time and are processed on the day that they are received; they are not dependent on the Plan Sponsor having to liquidate securities in order to generate a payment;

  - The value shown on the pension fund report is the redeemable value of the fund; there are no deferred sales charges, load assessments, or interest rate adjustments that would affect the value as a result of a withdrawal request; and

  - Mutual of America's investment committee sets the interest rate.

  As such, management has categorized the General Account investment as Level 2 within the fair value hierarchy.

There have been no changes in the methodologies used at December 31, 2025 and 2024.

C. Fair Value Measurements – continued

The following tables detail the Plan's investments at fair value by level, within the fair value hierarchy, as of December 31, 2025 and 2024. The Plan has no assets classified within Level 1 or Level 3 of the fair value hierarchy.

	Level 2	
	2025	2024
Mutual funds	$ 6,186,494	$ 5,602,642
General account	190,193	170,179
Total investments	$ 6,376,687	$ 5,772,821

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy.

D. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America Life Insurance Company, the custodian of the Plan.

E. Tax Status

The Plan Sponsor has adopted a written Plan document and operates in a form that satisfies the prototype 403(b) plan requirements. The Plan administrator believes the Plan is designed and is currently being operated in compliance with applicable requirements of the Code making it exempt from taxes. No recognition has been given to income taxes in these financial statements.

Effective January 1, 2010, the Plan was amended and restated retroactively by the adoption of the Mutual of America Prototype 403(b) Thrift Plan which has a favorable opinion letter from the IRS dated March 31, 2017. The Plan was most recently amended and restated by the adoption of the Mutual of America Financial Group 403(b) Pre-Approved Plan which has a favorable opinion letter from the IRS dated November 29, 2024. This opinion letter states that the form of the prototype plan is acceptable under Section 401 of the Code. The Plan Sponsor may rely on this letter with respect to the qualification of the Plan under Code Section 401(a) with certain limitations.

E. Tax Status – continued

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan Sponsor believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

F. Plan Termination

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA.

G. Parties-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The Plan holds various investments managed by Mutual of America Life Insurance Company. Mutual of America Life Insurance Company acts as custodian for only those investments as defined by the Plan. Transactions in such investments, as well as loans made to participants, qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

H. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

I. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net increase in assets available for benefits for the years ended December 31, 2025 and 2024, per the accompanying financial statements to the Form 5500:

	2025	2024
Net increase in assets available for benefits per the financial statements	$ 580,299	$ 883,514
Prior year participant contribution receivable	-	13,515
Prior year employer contribution receivable	-	6,619
Net increase (decrease) in net assets available for benefits per the Form 5500	$ 580,299	$ 903,648

The reconciling items noted above are due to the difference in the method of accounting used in preparing the Form 5500 as compared to the Plan's financial statements.

J. Subsequent Events

In preparing the accompanying financial statements, management has evaluated all subsequent events and transactions for potential recognition or disclosure through September 30, 2026, the date the financial statements were available for issuance.
