INDEPENDENT AUDITORS' REPORT

Plan Administrator
Romanoff Electric, Inc. Retirement Plan
Gahanna, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **Romanoff Electric, Inc. Retirement Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of **Romanoff Electric, Inc. Retirement Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT - CONTINUED

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Romanoff Electric, Inc. Retirement Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Romanoff Electric, Inc. Retirement Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan, and determining that the Plan's transactions are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT - CONTINUED

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Romanoff Electric, Inc. Retirement Plan's** internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Romanoff Electric, Inc. Retirement Plan's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT - CONTINUED

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the **Romanoff Electric, Inc. Retirement Plan** (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - Effective January 1, 2007, Romanoff Electric, Inc. established the Plan for the benefit of all eligible employees of Romanoff Electric, Inc., Romanoff Electric Residential, Inc. and Romanoff Heating & Cooling, LLC (collectively, the "Company"), regardless of age or service, who perform services for the Company under a contract covered by a prevailing wage law. Union employees, nonresident aliens and leased employees are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - The Plan provides that the Company make prevailing wage contributions based on the hourly contribution rate required under the applicable prevailing wage law. The Plan does not allow participant salary deferrals. Participants may contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions). No contributions shall be made on behalf of a participant to the extent that when added to any salary deferral contributions, it would cause the amounts allocated to exceed the limitations allowed by the Internal Revenue Service.

Participant Accounts - Mid Atlantic Trust Company (the "Custodian") is custodian of Plan investments. Each participant's account is credited with Company contributions, net earnings or losses, distributions, and withdrawals. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs both separately, and distinctly, into which investment the employer contribution is to be invested.

Vesting - Participants are immediately vested in all contributions and corresponding earnings.

Notes receivable from participants - Participants may borrow from their account balance in any amount between $1,000 and $50,000, but not to exceed 50% of their vested account balance. Notes receivable from participants bear interest at an agreed-upon percentage based on prevailing market rates, subject to applicable usury limits. Note terms are for a period not exceeding five years. A longer term may be approved by the Plan if proceeds are to be used for the purchase of a primary residence. Notes receivable are secured by the balance in the participants' accounts. Principal and interest are paid ratably through payroll deductions.

Investment Options - Upon enrollment in the Plan, a participant may direct contributions in investment options in increments of one percent. Participants may change their investment options at any time via phone or the Internet.

Benefits Paid - Upon termination of service by reason of retirement, death, permanent disability, or otherwise, participants, or designated beneficiaries, may elect to receive their vested balance either in a lump-sum amount, or payments over a period of time in cash installments, or in a form agreeable to the Plan Administrator. If the participant's account balance is $5,000 or less, the Plan Administrator may elect to automatically distribute the balance to the participant, but not before six months after the participant's date of severance from employment. In addition, participants may receive distributions of all vested amounts for qualified financial hardships.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Financial Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect the reported amounts of net assets, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Contributions - Contributions from the Company are recorded in the year in which the associated prevailing wages are paid.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant note balance is reduced and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - The Company pays certain administrative expenses of the Plan, and the Plan participants will bear the responsibility of the remaining expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events - In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through September 14, 2026, the date the financial statements were available to be issued.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments and cash disclosed in the accompanying financial statements and supplemental schedule, including investments and cash held at December 31, 2025 and 2024, net appreciation in fair value of investments, and interest and dividends for the years 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Mid Atlantic Trust Company (the Custodian of the Plan).

NOTE 4 - FAIR VALUE MEASUREMENTS

Accounting standards provide a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under the accounting standards are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs, and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025.

Registered investment companies: Valued at the quoted market prices of shares held by the Plan at year-end.

Common collective trusts: Valued at the net asset value ("NAV") of units held by the Plan at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Fair Value
Registered investment companies	**$ 18,972**	**$ -**	**$ -**	**$ 18,972**
Common collective trusts	**-**	**3,522,187**	**-**	**3,522,187**
	$ 18,972	**$ 3,522,187**	**$ -**	**$ 3,541,159**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Fair Value
Registered investment companies	$ 41,338	$ -	$ -	$ 41,338
Common collective trusts	-	2,896,599	-	2,896,599
	$ 41,338	$ 2,896,599	$ -	$ 2,937,937

NOTE 5 - RELATED PARTY TRANSACTIONS

Record-keeping and third-party administration of the Plan was performed by Beneco Systems, LLC. Thus Beneco Systems, LLC qualifies as a party-in-interest.

Plan assets are held by Mid Atlantic Trust Company. Thus, Mid Atlantic Trust Company, as Custodian defined by the Plan, qualifies as a party-in-interest.

Fees paid by the Plan for Custodian services, plan administration, and recordkeeping for the years 2025 and 2024 totaled $42,309 and $34,133.

The Plan Sponsor provides certain accounting, record keeping, and administrative services to the Plan, for which it receives no compensation.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA and its related regulations.

NOTE 7 - TAX STATUS

The Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - BENEFITS ALLOCATED TO WITHDRAWN PARTICIPANTS

At December 31, 2025 and 2024, there were no amounts due to participants who have withdrawn from the Plan and requested benefit payment prior to year-end.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

For the years 2025 and 2024, there were no differences between the financial statements and the Form 5500.
