Independent Auditor's Report

Participants and 401(k) Committee
Trinity Partners, LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Trinity Partners, LLC 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RSM US LLP is the U.S. member firm of RSM International, a global network of independent assurance, tax, and consulting firms.
Visit rsmus.com/aboutus for more information regarding RSM US LLP and RSM International.

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA
The supplemental schedule, Schedule H, line 4i—schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of Plan

The following description of the Trinity Partners, LLC 401(k) Profit Sharing Plan (the Plan) of Trinity Partners, LLC and subsidiaries (the Company) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General provisions and amendments: The Plan is a defined contribution plan established by the Company on January 1, 1997, and most recently amended and restated on October 1, 2021. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan covers eligible employees of Trinity Partners, LLC and participating employers, Tgas Advisors, LLC, Bell Canyon Consultants, LLC, Exeter Pharma Consultancy, LLC, BluePrint Research Group, D Cube and Analytics, Inc.

Eligibility requirements: The Plan covers substantially all employees of the Company, as defined above, who have attained the age of 21. Any employee who meets the age criteria during the year is eligible to participate the first day of the month coinciding with or next following the date the requirements are met.

To be eligible for the employer match, a participant must have made 401(k) or Roth contributions during the year. Participation in the employer discretionary profit sharing contribution requires a participant to complete one year of service in addition to the age requirement. Any employee who meets the requirements to participate in the employer discretionary profit sharing contribution is eligible to participate once enrolled on a semiannual entry date.

Contributions: Participants may elect to defer, on a pretax or after-tax basis, up to the maximum dollar amount allowed by the Internal Revenue Code (IRC) ($23,500 in the calendar year 2025). Participants who have attained age 50 by calendar year-end may also elect to make catch-up contributions of up to $7,500 for the calendar year 2025. Catch-up contributions are not subject to any other contribution limits or to the nondiscrimination rules.

The Company provides an employer matching contribution equal to 50% of each participant's deferral contribution up to 6% of their eligible compensation. For the year ended December 31, 2025, the employer matching contributions totaled $2,080,006, net of forfeitures applied.

In addition, the Company may elect to make additional discretionary profit sharing contributions to the Plan. For the 2025 plan year, there were no additional discretionary profit sharing contributions declared or contributed to the Plan.

Participant accounts: Each participant's account is credited with the participant's contributions, the Company's matching contribution, allocations of any discretionary profit sharing contribution, Plan earnings/losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1. Description of Plan (Continued)

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service as follows:

Years of Service	Vested Percentage
0 years up to 2 years	0%
2 years up to 3 years	25%
3 years up to 4 years	50%
4 years up to 5 years	75%
5 years or more	100%

Participants become 100% vested in the Company's discretionary profit sharing contribution upon the completion of three years of service. Participants are not vested in these contributions until this requirement is met.

If a participant attains normal retirement age while still employed or if a participant incurs a severance from employment as a result of death or disability, he or she will become 100% vested in his or her account.

Payment of benefits: The Plan permits withdrawals when a participant terminates employment, retires, or becomes permanently disabled or deceased. Account balances of $5,000 or less can be distributed without consent for termination of service in the form of a lump-sum payment equal to the vested interest in his or her account. In-service withdrawals are also permitted in certain circumstances, including financial hardships, as defined in the Plan document, or when a participant attains age 59½. These withdrawals are taxable as income, but the tax can be spread over three years, and the participant can elect to repay it within three years. Additionally, the 20% standard income tax withholding at the time of distribution is not required.

Forfeitures and expense budget account: Forfeitures are used to reduce employer matching or discretionary profit sharing contributions, or to pay administrative expenses. Forfeited nonvested accounts totaled $26,866 and $13,836 at December 31, 2025 and 2024, respectively, and are reported in investments on the statements of net assets available for benefits. For the year ended December 31, 2025, total forfeitures amounted to $435,650 and net appreciation on forfeited amounts was $1,564. During the year ended December 31, 2025, $424,184 in forfeitures were used to reduce employer matching contributions and no forfeitures were used to pay administrative expenses. All funds accumulated in the forfeiture account as of December 31, 2025, were used to reduce employer matching contributions during the 2026 plan year.

The Plan also has an expense budget account which is funded with the revenue generated from investment funds offered by the Plan and funds in this account are to be used to offset plan-related expenses. The balance in the expense budget account at both December 31, 2025 and 2024 totaled $58. During the year ended December 31, 2025, credits of $25,000 were funded to the Plan and $25,000 of funds in the budget account were used to offset Plan expenses. The balance in the expense budget account at December 31, 2025 and 2024, is reported in investments on the statements of net assets available for benefits.

Note 1. Description of Plan (Continued)

Investment elections: Upon enrollment in the Plan, each participant shall direct the investment of their account among a selection of mutual funds and a common collective trust. Participants may change their investment options at any time throughout the year by direct phone or online access.

Notes receivable from participants: Participants may borrow a minimum of $1,000 up to a maximum of the lesser of $50,000 (less the highest outstanding loan balance in the previous 12 months) or 50% of their vested account balance. Loan terms are provided up to five years, except the term for loans which are for the purchase of a principal residence may extend to 15 years. The terms of loans transferred into the Plan from other qualified plans retained the terms of their original loan. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with regional bank rates for similar loans or such other reasonable rate as determined by the Plan Administrator. The interest rate on all loans outstanding as of December 31, 2025, range from 4.25% to 9.50%, and loans mature through 2030. Principal and interest are paid ratably through payroll deductions. A participant is not allowed to have more than one loan outstanding at any time.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets accounting principles generally accepted in the United States of America (U.S. GAAP) to ensure net assets available for benefits and changes in net assets available for benefits are consistently reported.

Use of estimates: The preparation of financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases to make loan repayments and the loan is considered in default based on the provisions of the Plan, the participant loan balance is reduced, and a benefit payment is recorded upon the occurrence of a distributable event based on the terms of the Plan document.

Payment of benefits: Benefits are recorded when paid.

Administrative expenses: As provided by the Plan agreement, administrative expenses related to Plan investments and recordkeeping are paid by the Plan.

Note 2. Summary of Significant Accounting Policies (Continued)

Income taxes: U.S. GAAP requires plan management to evaluate tax positions taken by the Plan, and recognize a tax liability (or asset) if the Plan has taken any uncertain tax positions that more likely than not would not be sustained upon examination by a tax authority. Management evaluated the Plan's tax positions and concluded the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2022.

Note 3. Information Certified or Provided by Empower Trust Company, LLC (Trustee)

The following is a summary of the Plan's asset information as of December 31, 2025 and 2024, and for the year ended December 31, 2025, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the Trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that information provided to the Plan Administrator by the Trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets:

	2025	2024
Investments at fair value:		
Mutual funds	$ 95,263,705	$ 78,683,115
Common collective trust	1,486,648	771,346
	$ 96,750,353	$ 79,454,461
Notes receivable from participants	$ 224,648	$ 234,977

The Trustee also certified to the completeness and accuracy of $7,464,113 of net appreciation in fair value of investments, $5,197,180 of interest and dividend income related to the aforementioned investments and interest income on notes receivable from participants of $23,380 for the year ended December 31, 2025.

Note 4. Fair Value Measurements

U.S. GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Note 4. Fair Value Measurements (Continued)

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2025 and 2024.

Mutual funds: Mutual funds are valued at quoted market prices. These securities are categorized in Level 1 as they are actively traded, and no valuation adjustments have been applied.

Common collective trust: The common collective trust is valued at net asset value (NAV) per unit based on the underlying investments comprising the trust.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

Note 4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Investments:				
Mutual funds	$ 95,263,705	$ -	$ -	$ 95,263,705
Common collective trust at NAV (a)				1,486,648
Total investments, at fair value				$ 96,750,353

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Investments:				
Mutual funds	$ 78,683,115	$ -	$ -	$ 78,683,115
Common collective trust at NAV (a)				771,346
Total investments, at fair value				$ 79,454,461

(a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using NAV per share practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following tables set forth additional disclosures of the Plan's investments whose fair value is estimated using NAV per share (or its equivalent) as of December 31, 2025 and 2024:

	Fair Value Estimated Using NAV Per Share			
	December 31, 2025			
Investment	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Putnam Stable Value Fund	$ 1,486,648	$ -	Daily	None

	Fair Value Estimated Using NAV Per Share			
	December 31, 2024			
Investment	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Putnam Stable Value Fund	$ 771,346	$ -	Daily	None

Note 5. Income Tax Status

The Plan has adopted the Empower Annuity Insurance Company of America Defined Contribution Prototype Plan and Trust. This prototype plan obtained its latest opinion letter on November 14, 2022, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 6. Plan Termination

The Company has not expressed any intent to terminate the Plan. The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts.

Note 7. Party-in-Interest Transactions

The Plan issues loans to participants, which are secured by the balances in the participants' account, and constitute party-in-interest transactions as that term is defined in Section 3(14) of ERISA.

Note 8. Subsequent Events

The Plan has evaluated subsequent events through October 7, 2026, the date the financial statements were available to be issued.
