INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants
Monroe Tractor & Implement Co., Inc. 401(k) Profit Sharing Plan and Trust
Henrietta, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Monroe Tractor & Implement Co., Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Monroe Tractor & Implement Co., Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Monroe Tractor & Implement Co., Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements *(continued)*

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Monroe Tractor & Implement Co., Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Monroe Tractor & Implement Co., Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025

Note 1. Description of Plan

The following description of the Monroe Tractor & Implement Co., Inc. 401 (k) Profit Sharing Plan and Trust provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a 401 (k) profit sharing plan covering the employees of Monroe Tractor & Implement Co., Inc. Employees are eligible to participate in the employer matching and profit sharing features of the Plan after completion of one year of service and must be employed at the end of the Plan year. There is no minimum service requirement for the employee deferral portion of the Plan. Length of service is based on whole years of service. There is no minimum or maximum age for eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each participant may elect to have a specified portion (not to exceed 99%) of his/her compensation for a plan year allocated to his/her account up to a maximum of $23,500 per year. Eligible participants may also defer additional catch-up amounts as permitted by law. The plan includes an auto - enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. The initial deferral default rate is 4% and contributions are automatically invested in a designated balanced fund until changed by the participant. The employer will make a matching contribution for amounts deferred by participants. Matching contributions for 2025 and 2024 will equal 50% of the salary reduction up to 6% of compensation, resulting in a maximum contribution of 3% of compensation. The Company may also make annual profit sharing contributions at its own discretion. Participants direct the investment of the contributions and the investment options may be changed daily.

Participant Accounts

Salary deferral contributions and any matching contributions are allocated to the respective employee's accounts. Employer profit sharing contributions are allocated to each participant based on the ratio by which the participants' compensation bears to the compensation of all eligible participants.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and profit sharing contribution portion of their accounts plus actual earnings thereon is fully vested once they have completed five years of service, as defined by the Plan. If participants die or become disabled before retirement, the entire value of the participant's account becomes vested and non-forfeitable. Participants have the right to designate a beneficiary to receive their benefits should they die.

Note 1. Description of Plan (continued)

Participant Loans

Participants may borrow from their accounts a minimum of $1,000 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the participant's vested account balances and bear interest at prevailing market rates (7.75%). Loan terms range up to 5 years or up to 10 years if the loan is used for the purchase of a principal residence. Effective March 15, 2022 per a plan amendment, no new participant loans are allowed.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive a lump sum equal to the value of the participant's vested interest in his or her account or annual, monthly or quarterly installments, or by a qualified joint and survivor annuity option. The Plan also allows for in-service distributions if certain eligibility requirements are met.

Forfeitures

Forfeitures for terminated non-vested participant's accounts attributable to employer profit sharing contributions, employer-matching contributions and earnings there from may be used to reduce employer contributions or pay administrative expenses.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Note 2. Summary of Significant Accounting Policies (continued)

Financial Instruments- Credit Losses

The Plan's contributions receivable are subject to credit risk related to the ability of the Plan Sponsor to remit amounts due to the Plan. Management evaluated the collectability of contributions receivable as of December 31, 2025 and 2024 and determined that no allowance for credit losses was required. This determination was based on the nature of the receivable, historical collection experience, the financial condition of the Plan Sponsor, and collections received subsequent to year-end.

Participant Loans Receivable

Participant loans are stated at their unpaid principal balance plus any accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Plan recordkeeping and trustee fees are paid by the Plan and charged to participant's accounts. Investment expenses are allocated and deducted from participant accounts and shown separately from investment earnings. All other administrative expenses are paid by the Plan sponsor which is a party-in-interest. These expenses are not reflected in the accompanying financial statements and are considered exempt party-in-interest transactions.

Note 3. Investments

Investment concentrations at December 31, 2025 and 2024 are as follows:

	2025	2024
Blackrock Equity Dividend	$ 2,517,172	$ 2,218,536
Putnam Large Cap Growth	2,512,677	1,995,512
Fidelity Freedom 2020	1,912,181	1,728,289
Fidelity Freedom 2025	4,034,194	3,923,730
Fidelity Freedom 2030	2,473,042	2,126,254
Fidelity Freedom 2035	2,744,012	2,392,575
Fidelity Freedom 2040	2,716,589	2,432,558
Fidelity Freedom 2045	2,525,058	2,464,157
Fidelity Freedom 2050	1,812,415	NA
Fidelity Freedom 2055	1,886,942	1,441,981

Note 4. Fair Value Measurements

Generally accepted accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority, Level 1, to measurements using unadjusted quoted prices in active markets for identical assets or liabilities measurements. Level 2 measurements are quoted prices in markets that are not active, or inputs that are observable directly or indirectly, for substantially the full term of the asset or liability. Level 3 measurements, the lowest priority, utilizes inputs which are unobservable and significant to the fair value measurement.

Level 1 Fair value measurement

The fair value of registered investment companies and money market fund is based on quoted market net asset values of the shares held by the Plan at year end. The funds held by the Plan are considered to be actively traded.

The Plan's investments measured at fair value on a recurring basis at December 31 were as follows:

	2025		2024	
	Level 1	Total	Level 1	Total
Money market fund	$ 94,360	$ 94,360	$ 295,940	$ 295,940
Registered investment companies	32,886,767	32,886,767	27,679,541	27,679,541
Total investments at fair value	$32,981,127	$32,981,127	$27,975,481	$27,975,481

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 6. Tax Status

The Plan has adopted a prototype document for a non-standardized 401(k) Profit Sharing Plan written by Fidelity Management Trust Company. An Opinion letter dated June 30, 2020 was obtained for the nonstandardized prototype in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the advisory opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The plan is subject to routine audits by taxing authorities, however there are no audits for any tax periods in progress.

Note 7. Terminated Vested Accounts

At December 31, 2025 and 2024 there is $0 allocated to participant accounts who have elected to withdraw from the Plan, but have not been paid.

Note 8. Forfeited Accounts

As of December 31, 2025 and 2024 forfeited nonvested accounts amounted to $28,841 and $32,247, respectively. During the plan years ended December 31, 2025 and 2024 employer contributions were reduced by $32,428 and $29,019, respectively from forfeited nonvested accounts.

Note 9. Information Prepared and Certified by Fidelity Management Trust Company

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Fidelity Management Trust Company.

	2025	2024
Investments at fair value	$32,981,127	$27,975,481
Investment gains (losses)	3,672,205	2,442,844
Interest and dividend income	1,440,005	1,065,269
Participant loans receivable	968	18,642
Interest income on participant loans receivable	740	2,540

Note 10. Risks and Uncertainties

The Plan invests in registered investment companies and money market funds. These investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 11. Related Party Transactions

The Plan investments include shares of funds managed by affiliates of Fidelity Management Trust Company (FMTC). Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, these transactions and administrative expenses paid to FMTC qualify as exempt party-in-interest transactions. Expenses paid to Fidelity Management Trust Company were $112,654 and $112,868 for the years ended December 31, 2025 and 2024, respectively. Loans receivable from plan participants and the related interest income are also considered exempt party-in-interest transactions.

Note 12. Subsequent Events

Plan management has evaluated subsequent events through October 6, 2026, the date which the financial statements were available to be issued.
