Report of Independent Auditors

The Plan Administrator
BJC 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of BJC 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes (collectively referred to as the "financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

A member firm of Ernst & Young Global Limited

Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the financial statements may have been affected by these conditions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 (referred to as the "supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule.

BJC 403(b) Plan

Notes to Financial Statements

December 31, 2025

1. Description of the Plan

The following description of the BJC 403(b) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution, single employer plan covering all eligible employees of certain participating employers of BJC Health System (the System) and its affiliates. On January 1, 2024, Saint Luke's Health System (SLHS) became a member of the System. On December 31, 2025, the Saint Luke's 403(b) Plan was merged into the Plan. Eligible employees are defined in the plan document. Eligible employees may make a rollover contribution from a former employer's eligible retirement plan or from an IRA. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions and Vesting

Each year, participants may contribute from 1% to 100% of eligible compensation, as defined in the Plan. Participants age 50 or older may make additional elective contributions to the Plan. A participating employer will make matching contributions to the BJC 401(k) Plan for an eligible employee who is a highly compensated employee and made an elective deferral to the Plan. Roth contributions are not eligible for the employer match.

The matching contributions are as follows:

Elective Contribution	Matching Contribution
1% of eligible compensation	1.00%
2%	1.25
3%	1.50
4% or more	1.75

1. Description of the Plan (continued)

In addition to making these contributions, the System provides certain eligible employees with nonelective contributions, which equal 4% of the eligible participant's benefit compensation. The System may also make additional discretionary supplemental nonmatching contributions for eligible employees. Eligible employees and benefit compensation are defined in the plan document. Participants are immediately vested in their contributions plus earnings thereon. Participants vest in this nonelective contribution based on the following:

Vesting for participants who have not been paid at least one hour of paid time by the System on or after January 1, 2007 is a 5-year cliff.

Vesting for participants who have been paid at least one hour of paid time by the System on or after January 1, 2007 is a 3-year cliff.

In addition, participants become fully vested if, before severance, they reach normal retirement age, die, or experience a total and permanent disability.

A participant may direct employee contributions and System contributions to any of the Plan's investment options, which consist of mutual funds and a self-directed brokerage option.

All contributions are subject to applicable limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution, System contributions, if any, and allocations of plan earnings and administrative expenses and may be charged a loan processing fee for any loans taken. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

1. Description of the Plan (continued)

Participant Loans

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum, in general, equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms range from 1 year to 4 years or up to 15 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a commercially reasonable rate as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. In-service withdrawals are available in certain limited circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS).

Plan Freeze and Termination

On December 31, 2025, the System amended the Plan to cease all future participation and all contributions to the plan effective December 31, 2025.

Although it has not expressed any intent to do so, the System has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts.

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting.

Payment of Benefits

Benefits are recorded when paid.

2. Summary of Significant Accounting Policies

Valuation of Investments and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

2. Summary of Significant Accounting Policies (continued)

Forfeitures

Upon termination of employment, participants forfeit their non-vested balances. If a participant is rehired within a five-year period, the forfeited contributions are reinstated. Forfeited balances of terminated participants' non-vested accounts are used to reduce future System contributions or to pay administrative expenses. Unallocated forfeited balances as of December 31, 2025 and 2024, were $159,997 and $182,257, respectively. Unallocated forfeited balances of $150,000 and $540,000 were used in 2025 and 2024, respectively, to reduce the 2025 and 2024 receivable balances. Forfeitures used to pay administrative expenses were $738 and $0 for the years ended December 31, 2025 and 2024, respectively.

Administrative Expenses

Administrative expenses of the Plan are paid from assets of the Plan.

3. Investments

Certain investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2025 and 2024, and net realized and unrealized appreciation in fair value of investments, interest and dividends, and interest income from notes receivable from participants for the years then ended, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Vanguard Fiduciary Trust Company and Fidelity Management Trust Company, the trustees.

4. Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurement*, establishes a fair value hierarchy that prioritizes the inputs used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement).

4. Fair Value Measurements (continued)

The Plan's financial assets are measured at fair value on a recurring basis. The three levels of the fair value hierarchy and a description of the valuation techniques and inputs used for instruments measured at fair value are as follows:

- Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities as of the reporting date. Level 1 consists of investments in mutual funds.

- Level 2 – Pricing inputs other than quoted prices included in Level 1 that are either directly observable or that can be derived or supported from observable data as of the reporting date. The Plan currently holds no Level 2 investments.

- Level 3 – Pricing inputs include those that are significant to the fair value of the financial asset or financial liability and are not observable from objective sources. The Plan currently holds no Level 3 investments.

The fair value of financial assets measured at fair value on a recurring basis was determined using the following:

		Fair Value Measurements at Reporting Date Using		
	Fair Market Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2025				
Mutual funds	**$ 1,531,907,273**	**$ 1,531,907,273**	**$ –**	**$ –**
Funds held in insurance company general account	**57,085,211**	**57,085,211**	**–**	**–**
Self-directed brokerage account (mutual funds)	**65,587,068**	**65,587,068**	**–**	**–**
Total assets at fair value	**$ 1,654,579,552**	**$ 1,654,579,552**	**$ –**	**$ –**
December 31, 2024				
Mutual funds	$ 464,362,167	$ 464,362,167	$ –	$ –
Self-directed brokerage account (mutual funds)	4,245,964	4,245,964	–	–
Total assets at fair value	$ 468,608,131	$ 468,608,131	$ –	$ –

4. Fair Value Measurements (continued)

The Plan's investments in mutual funds and the self-directed brokerage option (mutual funds) are classified within Level 1 of the fair value hierarchy because the fair values are based on unadjusted quoted market prices in active markets with sufficient volume and frequency.

5. Income Tax Status

The underlying pre-approved plan has received an advisory letter from the Internal Revenue Service (IRS) dated August 6, 2017, stating that the written form of the underlying pre-approved document is qualified under Section 403(b) of the Internal Revenue Code (the Code). Any employer adopting this form of the plan will be considered to have a plan qualified under the Code, and, therefore, the related custodial accounts are tax-exempt. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related custodial accounts, are tax-exempt.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. Reconciliation of Financial Statements to the Form 5500

The following is a reconciliation of net assets per the statements of net assets available for benefits to net assets per the Form 5500:

	December 31	
	2025	**2024**
Net assets per the statements of net assets available for benefits	**$ 1,687,912,395**	$ 481,502,360

Net assets per the Form 5500	**$ 1,687,511,200**	$ 481,460,465

The following is a reconciliation of the net increase in net assets available for benefits per the statements of changes in net assets available for benefits to net income per the Form 5500:

	December 31	
	2025	**2024**
Net (decrease) increase in net assets available for benefits prior to transfers per the statement of changes in net assets available for benefits	**$ 1,206,410,035**	$ 33,040,902
Transfers of assets	**(1,125,695,267)**	–
Net change in deemed distributions	**(26,869)**	16,732
Net income per the Form 5500	**$ 80,687,899**	$ 33,057,634

8. Related-Party Transactions and Parties-in-Interest Transactions

The Plan invests in shares of mutual funds managed by affiliates of Fidelity Management Trust Company. Transactions in such investments qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

9. Subsequent Events

Management evaluated subsequent events for the Plan through October 2, 2026, the date the financial statements were available to be issued.
