INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
MedWiz Pharmacy 401(k) Plan
Bardonia, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of MedWiz Pharmacy 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of MedWiz Pharmacy 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section—

• the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

• the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MedWiz Pharmacy 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MedWiz Pharmacy 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

• Exercise professional judgment and maintain professional skepticism throughout the audit.

• Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

• Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MedWiz Pharmacy 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

• Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

• Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MedWiz Pharmacy 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

• the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

• the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MEDWIZ PHARMACY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

1. DESCRIPTION OF PLAN

General. MEDWIZ MGMT LLC (the "Company") established the MedWiz Pharmacy 401(k) Plan (the "Plan") effective January 1, 2025. Elective deferral, Roth, and matching contribution provisions became effective February 1, 2025. The Plan is a defined contribution 401(k) profit-sharing plan subject to ERISA. The Plan sponsor and administrator is MEDWIZ MGMT LLC. The Plan covers eligible employees of the Company and its affiliates that have adopted the Plan. Three individuals serve as trustees of the Plan, Mid Atlantic Trust Company serves as custodian of the Plan's investments, and RPG Consultants serves as the Plan's recordkeeper. Participants direct the investment of their accounts among the investment options offered by the Plan. This description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Eligibility. Eligible employees generally become eligible for elective deferral and employer matching contributions on the first day of the calendar month coincident with or next following completion of two months of service. Certain collectively bargained employees and nonresident aliens with no U.S.-source earned income are excluded.

Contributions. Participants may make pre-tax and Roth elective deferral contributions, subject to Internal Revenue Code limits. The Company may make discretionary matching contributions and qualified nonelective contributions. The Plan also accepts eligible rollover contributions. For the year ended December 31, 2025, employer contributions totaled $33,174, all of which is included in employer contributions receivable at December 31, 2025.

Automatic enrollment. The Plan provides automatic enrollment at 10% for employees subject to the automatic contribution provisions.

Vesting. Participants are 100% vested in elective deferral, rollover, and qualified nonelective contribution accounts. Employer matching contribution accounts vest 0% with less than three years of vesting service and 100% upon completion of three or more years of vesting service. Participants also become fully vested upon reaching age 65, the Plan's normal retirement age, while employed by the Company.

Forfeitures. Participants who terminate employment forfeit the nonvested portion of their employer matching contribution accounts upon distribution of their vested account balance or after five consecutive one-year periods of severance. There were no forfeitures during 2025 and no unallocated forfeitures at December 31, 2025.

Participant loans. The Plan permits participant loans subject to the limitations and repayment provisions contained in the Plan document. Loans outstanding at December 31, 2025 bear interest at rates ranging from 8.00% to 8.50% and mature at various dates through 2028; secured by participants' vested account balances; repayable through payroll deductions in substantially level installments of principal and interest each pay period.

Payment of benefits. Upon termination of employment, including termination due to disability, or death, a participant's vested account balance is payable in a lump sum. The Plan also permits hardship withdrawals and in-service distributions upon attainment of age 65, subject to the provisions of the Plan document.

Administrative expenses. Certain administrative expenses are paid by the Plan; other expenses may be paid by the Company.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting. The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates. The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect reported amounts and disclosures. Actual results could differ from those estimates.

Investment valuation and income recognition. Registered investment company shares are valued at quoted market prices or published net asset values at year end. Purchases and sales are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Net appreciation in fair value of investments includes realized gains and losses and changes in unrealized appreciation and depreciation.

Notes receivable from participants. Notes receivable from participants are measured at their unpaid principal balance plus accrued interest, if any. Interest income on notes receivable from participants is recorded on the accrual basis.

Benefits. Benefits are recorded when paid.

3. ERISA SECTION 103(a)(3)(C) AUDIT

Management elected to have the audit performed pursuant to ERISA Section 103(a)(3)(C). The Plan's investment assets are held by Mid Atlantic Trust Company. The accompanying financial statements and supplemental schedule include investment information derived from the year-end trust/custody information. Management has obtained a certification from Mid Atlantic Trust Company, the Plan's custodian and a qualified institution, stating that the investment information as of December 31, 2025 and for the year then ended is complete and accurate. The certified investment information consists of investments in registered investment companies of $1,633,833 at December 31, 2025, and the related dividends of $28,712 and net appreciation in fair value of investments of $182,978 for the year then ended.

4. FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) 820, Fair Value Measurement, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - This level consists of unadjusted quoted prices in active markets that are accessible to the Plan at the measurement date for identical assets or liabilities.

Level 2 - This level consists of inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets and liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in markets that are not active.
- Observable inputs other than quoted prices that are used in the valuation of the asset or liability (for example, interest-rate and yield-curve quotes at commonly quoted intervals).
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

Level 3 - This level consists of unobservable inputs for the asset or liability. Level 3 inputs include management's assumptions about the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk.

The level in the fair value hierarchy within which a fair value measurement is classified is determined based on the lowest-level input that is significant to the fair value measurement in its entirety. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified within Level 1 of the fair value hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments measured at fair value on a recurring basis:

December 31, 2025

	Level 1	Level 2	Level 3	Total
Registered investment company shares	$1,633,833	—	—	$1,633,833
Total investments, at fair value	**$1,633,833**	**—**	**—**	**$1,633,833**

Notes receivable from participants of $12,313 are measured at unpaid principal balance plus accrued interest, if any, and are not included in the fair value hierarchy.

5. INVESTMENTS

At December 31, 2025, the Plan held registered investment company shares of $1,633,833. Investment income for 2025 included dividends of $28,712 and net appreciation in fair value of investments of $182,978.

6. RISKS AND UNCERTAINTIES

The Plan invests in securities that are exposed to market, interest-rate, credit, and other risks. Due to the level of risk associated with certain investments, changes in values may occur in the near term and such changes could materially affect participant account balances and amounts reported in the financial statements.

7. TAX STATUS

The Plan has adopted a pre-approved qualified plan document for which the Internal Revenue Service has issued an opinion letter dated June 30, 2020 to the plan document provider. Although the Plan has not obtained its own determination letter, the Plan administrator believes the Plan is designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for tax periods in progress.

8. PARTY-IN-INTEREST TRANSACTIONS

Notes receivable from participants are party-in-interest transactions. The Plan also pays fees for recordkeeping and administrative services, which are deducted from Plan assets through the Plan's recordkeeper, RPG Consultants. These fees totaled $11,724 for the year ended December 31, 2025. These transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rules of ERISA.

9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan document to amend or terminate the Plan, subject to ERISA and the Internal Revenue Code. In the event of Plan termination, all participant account balances become fully vested.

10. SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 18, 2026, the date the financial statements were available to be issued. Management is not aware of any subsequent events requiring recognition or disclosure in the accompanying financial statements.

11. INITIAL PLAN YEAR AND AUDIT

The Plan was established effective January 1, 2025, and the 2025 Form 5500 is identified as the Plan's first return/report. Accordingly, the accompanying 2025 financial statements represent the Plan's initial plan-year financial statements and there are no prior-year Plan net assets to present.

12. RECONCILIATION TO FORM 5500

There are no differences between the amounts reported in the accompanying financial statements and the amounts reported in the Plan's 2025 Form 5500. At December 31, 2025, net assets available for benefits were $1,685,192, consisting of registered investment companies of $1,633,833, notes receivable from participants of $12,313, employer contribution receivables of $33,174, and participant contribution receivables of $5,872.
