Russell Lands 401(k) Retirement Savings/Profit Sharing Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**
We have performed audits of the accompanying financial statements of Russell Lands 401(k) Retirement Savings/Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Russell Lands 401(k) Retirement Savings/Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion**
In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the Financial Statements**
We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Russell Lands 401(k) Retirement Savings/Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Russell Lands 401(k) Retirement Savings/Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Russell Lands 401(k) Retirement Savings/Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Russell Lands 401(k) Retirement Savings/Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

**Supplemental Schedule Required by ERISA**
The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## 1. DESCRIPTION OF PLAN

The following description of the Russell Lands (the Company) 401(k) Retirement Savings/Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

### General

The Plan was adopted on October 1, 1990 and is a defined contribution plan as described in the Internal Revenue Code (IRC). The Plan's sponsor is the Company. The Plan provides for participant loans and participant-directed investments. The Plan covers all employees of the Company who (i) elect to participate and (ii) have attained age 21 or older. An employee may elect to participate in the Plan immediately following completion of the eligibility requirements. The administration of the Plan is the responsibility of the administrator appointed by the Company's Board of Directors (Board). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

### Contributions

Participants in the Plan may contribute up to 50% of their eligible compensation as pre-tax deferrals or post-tax Roth deferrals, as defined in the Plan, subject to IRC limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants are immediately vested in their voluntary contributions plus actual earnings thereon, which are maintained in a separate account referred to as the "Employee Deferrals." An eligible employee may make a transfer to the Plan of benefits from a qualified retirement plan of another employer with certain restrictions. Such amounts plus earnings thereon are maintained in the participant's "Rollover" account and are immediately 100% vested. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan is a safe harbor plan. The Company made a safe harbor match equal to 100% of the first 3% and 50% of the next 2% for the plan year ending December 31, 2025. Safe harbor matching contributions and earnings thereon are maintained in a separate account referred to as the "Safe Harbor Match."

Additionally, the Company may make an annual discretionary, profit-sharing contribution in an amount determined at Plan year-end by the Board. Employer safe-harbor matching contributions, profit-sharing contributions, and earnings thereon are maintained in a separate account referred to as the "Employer Account." For plan years ending December 31, 2025 and 2024, profit-sharing contributions of $550,000 were approved by the Board and were receivable for the plan during 2025 and 2024. For the plan year ended December 31, 2025 profit-sharing contributions of $550,000 were received into the plan.

### Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**
Participants are immediately vested in their elective deferral contributions and Company safe harbor matching contributions plus actual earnings thereon. Vesting in the discretionary profit-sharing contributions, plus actual earnings thereon is based on years of continuous service. A participant is 100% vested in the discretionary profit-sharing contributions, plus actual earnings thereon, after three years of credited service.

Employees becoming totally and permanently disabled before reaching their normal retirement date will receive the full balance of their accounts under the Plan. For employees who die while working for the Company, the full balance of their accounts under the Plan will be paid to their beneficiaries. In the event of any termination of the Plan, or upon complete or partial discontinuance of contributions, the accounts of each affected participant shall become fully vested.

**Notes Receivable from Participants**
Participants may borrow from their fund account, provided that the note receivable does not exceed 50% of their vested account balance or $50,000 reduced by the highest outstanding note receivable balance during the preceding 12 months, whichever is less. Loan terms range from one to five years. The loans are secured by the balance in the participant's account and bear interest at prime with a range of from 4.25% to 9.50% as of December 31, 2025. Principal and interest are paid ratably through regular payroll deductions.

**Payment of Benefits**
Upon retirement, the participant is entitled to a distribution equal to the value of the participant's vested account balance. The participant may receive payment under the Plan in the form of a qualified joint and survivor annuity or, with spousal consent (as applicable) in periodic installment payments, in a lump sum or a direct rollover to a qualified plan. A participant may elect to defer retirement until after age 65, in which case payment of the funds accumulated in his or her individual account is deferred to any subsequent date selected by the participant up to age 70 ½. The Plan also provides for distribution of vested benefits in the event of termination or resignation, financial hardship, disability or death in accordance with Plan provisions. Upon attainment of age 59 ½, participants are entitled to withdraw all or part of their vested account balances while they are still employed by the Company.

**Forfeitures**
When participants cease their participation in the Plan prior to full vesting, the nonvested amounts in their Employer Accounts become forfeitures in the Plan year in which the participants receive distributions of their entire vested account balances or, if their distributions are deferred to a later date, after five consecutive one-year breaks in service. Forfeitures are retained in the Plan and used to pay administrative expenses. Any remaining forfeitures are used to reduce future employer contributions. The amount of forfeitures and earnings thereon retained in the Plan as of December 31, 2025 and 2024, was $11,100 and $5,351, respectively. During 2025, $36,063 and $381 were used to reduce employer contributions and administrative expenses, respectively.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting**
The financial statements of the Plan are prepared under the accrual basis of accounting.

**Use of Estimates**
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

**Notes Receivable from Participants**
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases to make loan repayments and the Company deems the participant loan to be in default, the participant loan is reduced, and a benefit payment is recorded.

**Payment of Benefits**
Benefits are recorded when paid.

**Administrative Expenses**
Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

**Subsequent Events**
The Plan has evaluated subsequent events through September 22, 2026, the date the financial statements were available to be issued.

## 3. INFORMATION CERTIFIED BY THE TRUSTEE

All information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee.

## 4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

Level 1 — Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 — Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

*Mutual Funds*: Valued at the daily closing price as reported in the active market in which the individual mutual funds are traded.

*Common Collective Trust:* Valued at the Net Asset Value (NAV) of shares held by the Plan at year-end. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trusts less liabilities.

The following tables set forth by level, within fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024.

| | Assets at Fair Value as of December 31, 2025 | | | |
|---|---|---|---|---|
| | **Level 1** | **Level 2** | **Level 3** | **Total** |
| Investments, at fair value | | | | |
| Mutual funds | $ 22,121,264 | $ - | $ - | $ 22,121,264 |
| Investments measured at NAV: | | | | |
| Common collective trust [(a)] | | | | 2,256,314 |
| Total assets at fair value | | | | $ 24,377,578 |

| | Assets at Fair Value as of December 31, 2024 | | | |
|---|---|---|---|---|
| | **Level 1** | **Level 2** | **Level 3** | **Total** |
| Investments, at fair value | | | | |
| Mutual funds | $ 18,187,733 | $ - | $ - | $ 18,187,733 |
| Investments measured at NAV: | | | | |
| Common collective trust [(a)] | | | | 2,214,915 |
| Total assets at fair value | | | | $ 20,402,648 |

(a) In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following tables summarize investments measured at fair value based on NAV per share as of December 31, 2025 and 2024:

| December 31, 2025 | Fair Value | Unfunded Commitments | Redemption Frequency (if currently eligible) | Redemption Notice Period |
|---|---|---|---|---|
| Galliard Stable Return Fund Common collective trust | $ 2,256,314 | N/A | Daily | 1 day |

| December 31, 2024 | Fair Value | Unfunded Commitments | Redemption Frequency (if currently eligible) | Redemption Notice Period |
|---|---|---|---|---|
| Galliard Stable Return Fund Common collective trust | $ 2,214,915 | N/A | Daily | 1 day |

## 5. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are funds made available by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Regions Bank is the investment advisor, and therefore, these transactions also qualify as party-in-interest transactions. Fees incurred by the Plan for these trustee and investment advisory services were $63,114 and $58,419, respectively, for the year ended December 31, 2025. The Company pays directly any other fees related to the Plan's operations.

## 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

## 7. TAX STATUS

The Plan has adopted a non-standardized prototype profit sharing plan with a cash or deferred arrangement sponsored by a prototype plan provider. The Internal Revenue Service (IRS) issued an opinion letter dated June 30, 2020, stating that the form of the prototype plan satisfies the applicable requirements of Section 401(a) of the Internal Revenue Code (IRC). The Plan has been amended since the issuance of the IRS opinion letter. The Plan Administrator believes that these amendments are consistent with the provisions of the prototype plan and applicable requirements of the IRC and that the Plan is currently designed and operated in compliance with the IRC. Accordingly, the Plan Administrator believes the Plan is qualified under Section 401(a) of the IRC, and the related trust, is exempt from federal income taxes under Section 501(a) of the IRC.

Accounting principles generally accepted in the United States of America requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## 9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for Plan benefits per the financial statements to the Form 5500:

| | 2025 | 2024 |
|---|---|---|
| Net assets available for benefits per the financial statements | $ 25,313,791 | $ 21,187,441 |
| Employer's contribution receivable | (550,000) | (550,000) |
| Rounding variance | - | (1) |
| Net assets available for benefits per the Form 5500 | $ 24,763,791 | $ 20,637,440 |

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to Schedule H of Form 5500:

| | |
|---|---|
| Net increase in net assets available for benefits per the financial statements | $ 4,126,350 |
| Change in rounding variance | 1 |
| Total income per Form 5500 | $ 4,126,351 |
