INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator
of Rimco, Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed an audit of the financial statements of Rimco, Inc. Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. As permitted by ERISA Section 103(a)(3)(C), my audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

I conducted my audit in accordance with auditing standards generally accepted in the United States of America (GAAS). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Rimco, Inc. Retirement Savings Plan and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rimco, Inc. Retirement Savings Plan's ability

to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of Rimco, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rimco, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

My audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, are presented for purposes of additional analysis and are not required parts of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to

the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

In forming my opinion on the supplemental schedules, I evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by Banco Popular de Puerto Rico agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The December 31, 2024, Statement of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2024, and the accompanying notes to the financial statements were prepared entirely from information certified by the Trustee in accordance with 29 CFR 2520.103-8 of the Department of labor's rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes the following investments:

	$ 270,269	$ 293,483

Note 4- FAIR VALUE MEASUREMENT

US GAAP for fair value measurements establishes a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value into three levels. The fair value hierarchy gives the highest priority to quoted market prices (unadjusted) in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Level 2 inputs are inputs, other than quoted prices included within Level 1, which are observable for the asset or liability, either directly or indirectly. The Plan uses Level 1 inputs when available as Level 1 inputs generally provide the most reliable evidence of fair value.

Investments are measured at fair value on a recurring basis in the statements of net assets available for benefits.

Fair value information for investments is as follows:

	Level 1	Level 2	Level 3	Total
Cash & equivalents	$ 43,501	$ --	$ --	$ 43,501
Mutual Funds	3,464,564	--	--	3,464,564
Total	$3,508,065	$ --	--	$3,508,065

Note 5- PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 6- PARTY-IN-INTEREST

The Plan's investments and bank deposit account are managed by Banco Popular de Puerto Rico, the Plan's Trustee and bookkeeper. Therefore, as defined by the Plan, these transactions qualify as a party-in-interest transactions.

As mentioned in Note 2, the administrative and transactional service fees assessed by Banco Popular de Puerto Rico are paid by the Plan's sponsor, Rimco LLC.

Note 7- TAX STATUS

The Puerto Rico Department of Treasury has determined and informed the Company in letter dated August 16, 2016 that the Plan and related trust are designed in accordance with applicable sections of the Puerto Rico Internal Revenue Code (PRIRC).

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely that not would not be sustained upon examination by the Puerto Rico Department of Treasury. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note 8- COMMITMENTS AND CONTIGENCIES

The Plan is not involved in any litigation, claims, or assessments that management believes would materially affect the financial statements.

Note 9- RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10- PROHIBITED TRANSACTIONS

During 2024, Rimco, Inc. (the Plan Sponsor) did not remit certain participant contributions to the Plan within the time frame required by the Department of Labor (DOL). Participant contributions are required to be remitted to the Plan as soon as they can reasonably be segregated from the Plan Sponsor's general assets.

Participant contributions totaling approximately $141,163 were remitted to the Plan after the applicable remittance period. These late remittances constitute nonexempt prohibited transactions under the Employee Retirement Income Security Act of 1974 (ERISA).

The delinquent participant contributions were subsequently remitted to the Plan; however, the related prohibited transactions have not been fully corrected because applicable lost earnings have not yet been restored to the affected participants' accounts. The Plan Sponsor intends to calculate and restore the applicable lost earnings during 2026.
