INDEPENDENT AUDITOR'S REPORT

September 28, 2026

To the Administrator of
New Enterprise Stone & Lime Co., Inc. Supplemental Benefits Plan:

Opinion
We have audited the accompanying financial statements of New Enterprise Stone & Lime Co., Inc. Supplemental Benefits Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of New Enterprise Stone & Lime Co., Inc. Supplemental Benefits Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of New Enterprise Stone & Lime Co., Inc. Supplemental Benefits Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

INDEPENDENT AUDITOR'S REPORT
(Continued)

Responsibilities of Management for the Financial Statements (Continued)
In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about New Enterprise Stone & Lime Co., Inc. Supplemental Benefits Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of New Enterprise Stone & Lime Co., Inc. Supplemental Benefits Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about New Enterprise Stone & Lime Co., Inc. Supplemental Benefits Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1. THE PLAN

The following description of the New Enterprise Stone & Lime Co., Inc. Supplemental Benefits Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan commenced operations on January 1, 2009.

General

The Plan provides supplemental unemployment benefits covering all hourly employees that perform services under contracts covered by federal or state prevailing wage laws. Participants of the Plan are employees of New Enterprise Stone & Lime Co., Inc., the "Company." The Plan maintains individual participant accounts which are 100% employer funded using prevailing wage benefit dollars. Employees who have worked an hour on a job under a prevailing wage contract are eligible for participation in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Participants are eligible to apply for supplemental unemployment benefits when the participant incurs an involuntary separation from employment with the Company resulting directly from a seasonal layoff, reduction in force, the discontinuance of a plan or operation, or other similar conditions that renders the participant eligible to collect state unemployment benefits.

Administration

HUB Prevailing Wage Solutions, formerly known as Direct Advisors, has responsibility for administering the Plan and also has responsibility for the management and control of the assets of the Trust. Direct Advisors, LLC was acquired by HUB International in 2022. HUB Prevailing Wage Solutions is the assumed business name (DBA) under which Direct Advisors, LLC operates.

Contributions and Contributions Receivable

The Company makes contributions to the Direct Advisors Escrow Trust (Trust) on behalf of each employee that meets the eligibility requirements. The contribution amounts are determined based on an employee's stated class and the number of service hours they have worked directly on construction contracts covered under federal and state prevailing wage laws.

At December 31, 2025 and 2024, the entire contribution receivable was due from the Company.

Participant Accounts

Each participant's account is credited with an allocation of the Company's contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Benefits Paid and Payable Under the Plan

The Plan provides for the payment of weekly supplemental unemployment benefits. Upon a participant's layoff from employment of the Company and subsequent eligibility to collect state unemployment benefits, a participant is eligible for a certain amount of benefit per week. The weekly benefit amount is based on the average weekly wages earned by employees in the same primary job classification. A participant's employee classification is determined by the Company.

At December 31, 2025 and 2024, benefits payable are amounts owed to participants for weekly supplemental unemployment benefits relating to the last week of the year.

1. THE PLAN (Continued)

Administrative Expenses
A majority of the Plan's administrative expenses are paid to HUB Prevailing Wage Solutions by the Company.

Vesting
The Company's contributed funds are immediately available to participants while they are actively employed with the Company. All undistributed funds for employees who were terminated for a reason other than those described in the general paragraph above are forfeited.

Forfeitures
Forfeitures occur on the last day of the second consecutive month that the participant was not eligible to receive benefits from the Plan. For the years ended December 31, 2025 and 2024, there were forfeitures of approximately $19,017 and $57,633, respectively, that were allocated to active participants in the Plan, as defined in the Plan document.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates
The preparation of financial statements in accordance with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Accordingly, actual results could differ from those estimates.

Allowance for Credit Losses
The Plan records a receivable for employer contributions that are remitted to the Plan subsequent to the Plan's year-end. The Plan considers an expected allowance for credit losses that is updated to reflect any changes in credit risk since the receivable was initially recorded. The estimated allowance for credit losses is based on historical, current, and expected future conditions. The Plan has not experienced any historical credit losses relative to contributions receivable and future economic conditions are not expected to change relative to historical financial information, therefore management has determined that no allowance for credit losses is necessary as of December 31, 2025 and 2024.

Payment of Benefits
Benefits to eligible participants are recognized when paid.

3. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time, subject to the provisions set forth in ERISA. In the event of plan termination, contributions that have not been paid as benefits for supplemental unemployment are to be contributed to the New Enterprise Stone & Lime Co., Inc. 401(k) Savings and Retirement Plan on behalf of the participant with respect to whom the contribution was made.

4. TAX STATUS

The Direct Advisors Escrow Trust, established to hold the Plan's assets, obtained its latest determination letter on April 11, 2001, in which the Internal Revenue Service stated that the Trust, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Trust has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Trust is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

5. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 28, 2026, which is the date the financial statements were available to be issued.
