Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Metropolitan Golf Group, LLC 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Metropolitan Golf Group, LLC 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Metropolitan Golf Group, LLC 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Metropolitan Golf Group, LLC 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Metropolitan Golf Group, LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting as described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule (modified cash basis) of Schedule H, line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule (modified cash basis), other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule (modified cash basis), other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule (modified cash basis), other than the information in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule (modified cash basis) related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of the Metropolitan Golf Group, LLC 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established effective January 1, 2000, as restated January 1, 2025. The Plan covers all employees, excluding nonresident aliens and Puerto Rico residents employees, of Metropolitan Golf Group, LLC (the "Company" or "Employer") who have completed 12 consecutive months with 1,000 hours of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan Administrator is responsible for oversight of the Plan. The Plan's Board of Trustees determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan Administrator.

Effective January 1, 2025, the Plan's Trustee changed from Reliance Trust Company to ADP Retirement Trust Services, LLC

Contributions

Each year, participants may contribute up to 25 percent of pre-tax or after-tax ("Roth") annual compensation, as defined in the plan document, up to the maximum limits of the Internal Revenue Code (IRC). Participants also may designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes matching contributions equal to 35% of a participant's contributions not to exceed 5% of the participant's eligible compensation. For the year ended December 31, 2025, employer match contributions were $25,303. For the year ended December 31, 2025, there were no profit sharing contributions to the Plan. Additional discretionary amounts may be contributed by the Company at the option of the Plan Administrator. For the year ended December 31, 2025, there were no additional discretionary contributions to the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant accounts

Each participant's account is credited with the participant's contributions and an allocation of the Company's contribution and Plan earnings (losses) thereon. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are participant directed.

1. Description of Plan (continued)

Vesting

A participant is 100% vested in his or her deferral and rollover accounts including allocated earnings thereon at all times. A participant vests in Employer contributions at 20% per year of credited service starting at two years of credited service and is 100% vested after six years of credited service.

Notes receivable from participants

Participants may borrow from their accounts at a minimum of $500 and up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are paid ratably through payroll deductions. The loan must be repaid within a period not to exceed 5 years from the date the participant receives the loan, unless the loan is for the purchase of the participant's primary residence, in which case the loan must be repaid within a period consistent with commercial lending practices for similar residential loans, but not to exceed 30 years.

Payment of benefits

Upon termination of service, participants may elect for payment to be made in a lump sum or in an amount the participant designates from time to time. Benefits can also be distributed in the event of a participant's immediate and heavy financial need. Such distributions, which are considered hardship withdrawals, cannot exceed the amount required to relieve the financial need.

Effective January 1, 2025, the Plan was amended to include a force-out provision. Under this provision, the accounts of terminated participants with balances less than $7,000 will be automatically distributed from the Plan.

Revenue Credit Account

The Plan and ADP have entered into a revenue sharing arrangement whereby a portion of the revenue earned from certain funds is passed through to the Plan for either payment of permitted Plan expenses or allocation back to eligible participants of the Plan on a pro rata basis based on the size of their account balances. In order for the Plan to receive credits as a result of this revenue sharing arrangement, the Plan created an account under the Plan. The account is a non-participant directed account within the Plan and is used to record the redistribution of Plan-generated fund revenue that exceeds the costs associated with Plan administration. The account balance was $46 and $43 at December 31, 2025 and 2024. During 2025, $14,361 was used to offset administrative expenses and, therefore, was netted against administrative expenses on the statement of changes in net assets available for benefits.

1. Description of Plan (continued)

Forfeited accounts

At December 31, 2025 and 2024, forfeited non-vested accounts totaled $14,289 and $11,726, respectively. Forfeitures are first used to pay plan administrative expenses and then to reduce future employer contributions. During 2025, Employer contributions were reduced by $2,661 from forfeited non-vested accounts.

2. Summary of Accounting Policies

Basis of Accounting

The accounts of the Plan are maintained, and the accompanying financial statements have been prepared using the modified cash basis of accounting which is a basis of accounting other than accounting principles generally accepted in the United States of America (U.S. GAAP). Investment income is recognized when received and disbursements are recognized when made, except for investments, which are reflected at fair value. Interest on notes receivable is recorded on the accrual basis. Accordingly, the financial statements are not intended to present the Plan's net assets available for benefits and changes in net assets available for benefits in conformity with U.S. GAAP.

Use of Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows U.S. GAAP guidance on Fair Value Measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the net asset value (“NAV”) per share as a practical expedient are not categorized within the fair value hierarchy.

2. Summary of Accounting Policies (continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Mutual funds are valued at the daily closing price reported by each fund. The mutual funds held by the Plan are open-end funds registered with the Securities and Exchange Commission. These funds are required to publish a daily NAV and transact at that price. The common/collective trust is valued at the NAV of units held by the Plan. The NAV, as provided by the trustee, is used as the practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Purchases and sales of securities are recorded on the settlement date. Interest income is recorded when received. Dividends are recorded when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. If a participant ceases to make loan repayments and the participant loan is deemed to be in default, the participant loan balance is reduced and the benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

In January 2025, the plan was amended so that administrative expenses of maintaining the Plan are paid directly by each participant and removed from participant’s accounts based on a ratio of the participant’s account balance to the total of all participants’ account balances. Investment-related expenses are included in the NAV of the respective funds and, consequently, those expenses are not separately reflected but are a component of net appreciation in fair value of investments.

Subsequent Events

Subsequent events were evaluated through October 5, 2026, the date the modified cash basis financial statements were available to be issued.

3. Information Certified by Trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and the ERISA-required supplemental Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year), including investments and notes receivable from participants held as of December 31, 2025 and 2024, and net appreciation in the fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by the respective trustees of the Plan. Effective January 1, 2025, ADP Retirement Trust Services, LLC became the trustee of the Plan, succeeding Reliance Trust Company, LLC. Both trustees are qualified institutions.

4. Investments

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	2025		
	Level 1	Investments Measured at NAV *	Total
Mutual funds	$ 2,531,306	$ -	$ 2,531,306
Common/collective trust	-	166,159	166,159
	$ 2,531,306	$ 166,159	$ 2,697,465

	2024		
	Level 1	Investments Measured at NAV *	Total
Mutual funds	$ 2,877,659	$ -	$ 2,877,659
Common/collective trust	-	134,806	134,806
	$ 2,877,659	$ 134,806	$ 3,012,465

(*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

4. Investments (continued)

Common/collective Trust

The Plan invests in the Reliance Trust Company Stable Value Collective Investment Trust, Series 25053 (the "Fund") which is a collective investment trust that was formed for the purpose of allowing plan sponsors of defined contribution plans qualified under Sections 401(a) and 501(a) of the IRC, to invest in the MetLife Reliance Stable Value Fund Series 25053 - Class 10. The contracts were issued by Metropolitan Life Insurance Company to Reliance Trust Company.

Units of the Fund are valued daily. Unit purchases and redemptions are transacted at the NAV determined as of the close of business each day. The NAV per unit is computed by dividing the total assets of the Fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in the Fund and included in the determination of unit values.

At December 31, 2025 and 2024, the Fund represented approximately 6% and 4% of the Plan's net assets available for benefits. At December 31, 2025 and 2024, the common/collective trust was redeemable daily with no notice period and the Plan had no unfunded commitments.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants would become 100% vested in their Employer contributions.

6. Tax Status

The Plan's prototype plan document preparer has obtained an opinion letter dated October 6, 2020 from the Internal Revenue Service ("IRS") stating that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

7. Related-Party and Party-in-Interest Transactions

The Plan issues loans to participants, which are secured by the participant's account balances. These transactions qualify as party in interest transactions.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits (modified cash basis).
