INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Computer Packages, Inc. 401(k) Plan and Trust
Gaithersburg, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Computer Packages, Inc. 401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Computer Packages, Inc. 401(k) Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects,

the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Computer Packages, Inc. 401(k) Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Computer Packages, Inc. 401(k) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Computer Packages, Inc. 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt Computer Packages, Inc. 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter- Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance

with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Computer Packages, Inc. 401(k) Plan and Trust (the Plan) provides only general information about the Plan's provisions. Participants should refer to the plan agreement and summary plan description for a more complete description of the Plan's provisions, copies of which may be obtained from the plan sponsor.

General

The Plan is a defined contribution plan covering substantially all employees of Computer Packages Inc. (the "Company"). Employees, age 21 or over, are eligible to participate in the Plan on the first day of each Plan year or first day of the fourth, seventh and tenth months of each Plan year, following completion of six months of service.

The Company is the administrator of the Plan. As administrator, the Company has exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan (including the authority and responsibility to invest, manage and control the assets of the Plan specifically allocated to the trustee). Fidelity Management Trust Company is the appointed trustee, record-keeper and performs certain administrative services for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Plan Contributions

Participants may elect to contribute up to 90% of eligible compensation not to exceed the limits of the Internal Revenue Code. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans. Additional amounts may be contributed at the option of the Company's officers.

The Company may make discretionary contributions into the Plan as determined each year by the Company. For 2025 and 2024, the Company contributed 5% of the first $40,000 of each eligible participant's compensation and 9.3% of compensation in excess of $40,000 for each eligible participant.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions and allocations of plan earnings, and is charged with an allocation of administrative expenses. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

The Plan offers investment options that are comprised of collective investment trusts and mutual funds (registered investment companies).

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Vesting
Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary contributions plus accrued earnings thereon is based on years of service with the Company. A participant is 100% vested after six years of credited service.

Forfeitures
Forfeited nonvested Company contributions are held in a forfeiture account and are used to reduce future employer contributions or to pay plan expenses. Because the Company's contribution is funded after the end of the plan year, forfeitures accumulated in the forfeiture account at a plan year-end are applied to reduce the employer contribution in the following plan year.

Forfeitures applied from the forfeiture account to reduce employer contributions during the years ended December 31, 2025 and 2024 were $22,024 and $11,053, respectively. At December 31, 2025 and 2024, forfeitures available in the forfeiture account to reduce future employer contributions totaled $27,734 and $22,024, respectively.

Participant Loans
Participants may borrow from their fund accounts a maximum amount equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms range from one to five years or up to ten years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a fixed rate of 1% above the prime interest rate. Principal and interest are paid ratably through payroll deductions. If a participant terminates employment with the Company, the loan continues to be payable in accordance with the provisions of the loan note through automatic clearing house (ACH) repayments. If the loan is not repaid, it will automatically be treated as a distribution to the participant immediately.

Payment of Benefits
On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, or to receive installment payments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may also elect to roll over their accounts to another tax-deferred account or remain in the Plan until they are legally required to begin taking distributions. All vested account balances not exceeding $7,000 may be immediately distributed. With the plan administrator's approval, participants may withdraw all or part of their aggregate contributions in the event of financial hardship. Upon attainment of age 59½, participants are entitled to receive distributions in the deferral portion of their accounts.

Plan Termination
Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The accompanying financial statements have been prepared on the accrual basis of accounting.

Payment of Benefits
Benefits are recorded when paid.

Notes Receivable from Participants
Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are charged to the participant and expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Use of Accounting Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedules. Actual results could differ from those estimates.

Investment Valuation and Income Recognition
Investments held by the Plan are stated at fair value. For the registered investment company shares (mutual funds), fair value is determined by the net asset value calculated on the last business day of the Plan year.

The Plan has investments in collective investment trusts, which are reported at fair value using net asset value (NAV) as a practical expedient. The collective investment trusts calculate NAV per share in a manner consistent with measurement principles in FASB Accounting Standards Codification Topic 946 *Financial Services — Investment Companies.* This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

Management fees and operating expenses charged to the Plan for investments in the registered investment company shares are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Any unrealized appreciation or depreciation, as well as realized gains or losses for the year, are reflected as net appreciation or depreciation in fair value as shown on the statements of changes in net assets available for benefits. Interest income is reported on the accrual basis. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value investments.

Subsequent Events

The Plan has evaluated subsequent events through October 1, 2026, which is the date the financial statements were available to be issued. None were noted.

NOTE 3 - INVESTMENTS

All investment information disclosed in the accompanying financial statements and supplemental schedule of Assets (Held at End of Year) including investments held and notes receivable from participants at December 31, 2025 and 2024, and net appreciation or depreciation in fair value of investments, dividends and interest and interest income on notes receivable from participants for the years ended December 31, 2025 and 2024, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to Unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

- Level 1 - Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

- Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are inactive; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

- Level 3 - Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The level in the fair value hierarchy within which the fair value measurement is classified is determined based the lowest level input that is significant to the fair value measure in its entirety.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trusts: Valued at the net asset value of units of a collective trust. The net asset value as provided by the issuer is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the issuer reserves the right to temporarily deny withdrawal from the trust in order to confirm that securities liquidations will be carried out in an orderly business manner. The Plan holds units of the MFS Mid Cap Value Collective Investment Trust, which seeks long-term capital appreciation through investment primarily in mid-capitalization value equity securities, and the Columbia Trust Dividend Income Fund, which seeks total return, consisting of current income and capital appreciation, through investment primarily in dividend-paying equity securities.

The following presents by level, within the fair value hierarchy, the Plan investment assets at fair value, as of December 31, 2025.

	Assets at Fair Value as of December 31, 2025	
	Level 1	Total
Mutual funds	$28,190,515	$28,190,515
Collective investment trusts[1]	-	642,187
	$28,190,515	$28,832,702

The following presents by level, within the fair value hierarchy, the Plan investment assets at fair value, as of December 31, 2024.

	Assets at Fair Value as of December 31, 2024	
	Level 1	Total
Mutual funds	$24,786,619	$24,786,619

1 *In accordance with ASC 820, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this total are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.*

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth additional disclosures of the Plan's investment whose fair value is estimated using net asset value per share (or its equivalent) as of December 31, 2025:

	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Collective investment trusts	$642,187	$ -	Daily for participants	None for participants

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across all participant-directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments. As of December 31, 2025, approximately 29%, 12% and 10% of the plan's net assets were invested in Fidelity Government Money Market Fund, Fidelity Freedom 2035 Fund, and Fidelity 500 Index Fund, respectively. As of December 31, 2024, approximately 35% and 10% of the plan's net assets were invested in Fidelity Government Money Market Fund and Fidelity Freedom 2035 Fund, respectively.

NOTE 6 - TAX STATUS

The Plan was established on January 1, 1993. The Plan was most recently amended and restated effective January 3, 2023 to adopt a non-standardized pre-approved profit sharing plan sponsored by FMR LLC. The plan received a favorable opinion letter from the Internal Revenue Services (IRS) dated June 30, 2020.

Accounting principles generally accepted in the United States require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE 7 - TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. Certain plan investments are managed by Fidelity Management Trust Company, the trustee and custodian of the Plan. The Plan issues loans to participants, which are secured by the balances in the participants' accounts. The Plan participants loan origination fees are paid directly by the participant. The Company directly pays any other fees related to the Plan's operations. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

NOTE 8 - DELINQUENT REMITTANCE OF PARTICIPANT CONTRIBUTIONS

During the years ended December 31, 2025 and 2024, all employee contributions were remitted to the plan a timely basis.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Assets, income, expenses, and changes in net assets per Schedule H of Form 5500 for the years ended December 31, 2025 and 2024 agree to the 2025 and 2024 audited financial statements of the Plan, respectively.
