*INDEPENDENT AUDITOR'S REPORT*

Plan Administrator
Kent Quality Foods, Inc.
401(k) Retirement Plan
Grand Rapids, Michigan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of *Kent Quality Foods, Inc. 401(k) Retirement Plan*, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of *Kent Quality Foods, Inc. 401(k) Retirement Plan* and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about *Kent Quality Foods, Inc. 401(k) Retirement Plan's* ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of *Kent Quality Foods, Inc. 401(k) Retirement Plan's* internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about *Kent Quality Foods, Inc. 401(k) Retirement Plan's* ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

**Auditor's Responsibilities for the Audit of the Financial Statements - Continued**

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## *NOTE 1 - DESCRIPTION OF PLAN*

The following brief description of the *Kent Quality Foods, Inc. 401(k) Retirement Plan* ("Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

### *General*

The Plan is a defined contribution plan covering all eligible employees of *Kent Quality Foods, Inc.* and *CLC Transportation, LLC* ("Company") who are age 18 or older and who have completed 6 months or more of service. Subsequent to the year ended December 31, 2025, the Plan was amended to comply with certain provisions of the Secure 2.0 and Cares Acts.

### *Contributions*

Participants may contribute elective salary reductions up to 90 percent of their compensation as long as the total contribution does not exceed the legal dollar or percentage limits for the Plan year. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contribution into various investment options offered by the Plan. The Company has the right to make discretionary matching contributions to eligible employees each plan year. The Company contributed discretionary matching contributions of 50 percent of the first 6 percent of base compensation that participants contributed to the Plan for the years ended December 31, 2025 and 2024.

### *Participant Accounts*

Each participant's account is credited with the participant's elective salary reduction contribution, the Company's matching contribution, and Plan earnings (losses) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that could be provided from the participant's account.

### *Vesting*

Participants are immediately vested in their elective salary reduction contributions plus actual earnings (losses) allocated thereon. The Company portion of contributions plus actual earnings are vested to participants ratably over a six-year period.

## *NOTE 1 - DESCRIPTION OF PLAN - CONTINUED*

*Participant Loans*

Participants may borrow from their fund accounts as determined by the Plan administrator. Participants may borrow a minimum of $500 or any amount that does not exceed 50 percent of the participant's vested account balance as of the end of the accounting period preceding the date on which the loan is approved or $50,000, whichever amount is smaller. The loans are secured by assignment of 50 percent of the borrower's interest in their account and each loan will bear interest at a fixed rate for the life of the loan at a rate of two percent over the bank's prime rate. Loans for general purposes have terms ranging from 12 months to 60 months while loans related to principal residences have terms ranging from 61 months to 360 months.

*Payment of Benefits*

Upon termination of service, distributions from all accounts with balances exceeding $5,000 will be made in the form of a single lump-sum payment of the entire value of the vested interest in the account or payments in annual installments subject to certain rules as set by the Plan Sponsor. In-service withdrawals are permitted upon attaining age 59½ or in cases of financial hardship.

*Plan Forfeitures*

The Plan had outstanding forfeited amounts received of $2 and $23,305 for the years ended December 31, 2025 and 2024, respectively. The Plan uses forfeited amounts to reduce future employer contributions. In 2025 and 2024, employer contributions were reduced by $61,780 and $36,692, respectively, from forfeited amounts received. The Plan forfeiture balance has been included within the stable value fund balance and collective trust fund balance, respectively, as reported on the statements of net assets available for benefits for the years ended December 31, 2025 and 2024, respectively.

## *NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES*

*Basis of Accounting*

The accompanying financial statements are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

*NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED*

*Estimates*

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

*Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

*Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

*Payment of Benefits*

Benefit payments to participants are recorded when paid.

*NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED*

*Plan Expenses*

Certain Plan expenses, including fees for investment management, recordkeeping services, and administrative expenses are paid by the Plan and are either allocated to participant accounts or are included in net appreciation in fair value of investments presented in the statements of changes in net assets available for benefits. All other administrative expenses, including compensation for officers and employees performing administrative functions, are paid by the Company and are excluded from these financial statements.

*Subsequent Events*

Management has evaluated subsequent events through August 13, 2026, the date on which the financial statements were available to be issued.

*NOTE 3 - INFORMATION CERTIFIED BY THE CUSTODIAN*

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, custodians of the Plan, for the years ended December 31, 2025 and 2024.

| | 2025 | 2024 |

| Miscellaneous income | | 9,615 |

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

*NOTE 4 - INVESTMENT IN COLLECTIVE INVESTMENT TRUST*

The Plan invests in the flexPATH Stable Value Fund (the "Fund"). The Fund is a collective investment trust managed by flexPATH Strategies, designed to preserve principal and provide high current income. The Fund seeks to achieve this objective by investing in other collective investment funds and separate accounts with the primary fund being the Putnam Stable Value fund.

The Fund seeks to preserve principal, provide liquidity for participant-initiated transactions, and earn a stable rate of return that is competitive with short-term fixed income investments over time. To achieve this objective, the Fund invests primarily in fully benefit-responsive investment contracts, which may include [traditional guaranteed investment contracts, separate account contracts, and synthetic investment contracts (wrap contracts) backed by portfolios of high-quality fixed income securities], and in short-term investments held for liquidity. Participating plans may terminate their interest in the Fund at any time. Withdrawals shall be paid at the lessor of book or market value, as defined in the Fund's Declaration of Trust.

The Plan's investment in the Fund is reported at fair value using the NAV per unit as a practical expedient, as described in Note 5. The Trustee determines the Fund's NAV per unit daily. The Fund reports its fully benefit-responsive investment contracts at contract value in determining its NAV, so participant transactions occur at a unit value that generally does not fluctuate with changes in market interest rates. Contract value represents contributions made to the Fund, plus earnings credited, less participant withdrawals and administrative expenses. Earnings are credited at a crediting rate that is reset periodically based on the performance of the underlying investments, and are reflected in the change in the Fund's NAV per unit. At December 31, 2025 and 2024, the fair value of the Plan's investment in the Fund was $253,647 and $233,565, respectively.

The existence of certain conditions can limit the Fund's ability to transact at contract value with the issuers of its Wrap Contracts. Specifically, any event outside of the normal operation of the Fund which causes a withdrawal from the Wrap Contracts may result in a negative market value adjustment with respect to such withdrawal. Examples of such events include, but are not limited to, layoffs, bankruptcy, plan termination, mergers, early retirement incentives, and competing fund transfers or violations of equity wash or equivalent rules and changes of employer or plan qualification status. If the likelihood of such a non-book value withdrawal is imminent, it may be necessary to consider a revaluation of those particular fund contracts. The occurrence of an event outside the normal operating of the Fund which would cause withdrawals from Wrap Contracts is not considered to be probable.

*NOTE 4 - INVESTMENT IN COLLECTIVE INVESTMENT TRUST - CONTINUED*

In addition to the limitations noted above, issuers of Wrap Contracts have certain rights to terminate a contract and settle at an amount which differs from contract value. For example, certain breaches by the Fund of its obligations, representations, or warranties under the terms of Wrap Contracts can result in its termination at market value, which may differ from contract value. Wrap Contracts may also provide for termination with no payment obligation from the issuer if the performance of the contract constitutes a prohibited transaction under ERISA or other applicable law. Wrap Contracts may also provide issuer with the right to reduce contract value in the event an underlying security suffers a credit event or the right to terminate the contract in the event certain investment guidelines are materially breached and not cured.

The annualized yield earned by the Plan for the years ended December 31, 2025 and 2024, was 3.92 percent and 3.88 percent, respectively.

*NOTE 5 - FAIR VALUE MEASUREMENTS*

The Plan's investments are reported at fair value in the statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods were appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 inputs were available to the Plan.

*Level 1 Fair Value Measurements*

The fair value of interests in registered investment companies is based on quoted net asset values (NAV) of the shares held by the Plan at year-end.

*NOTE 5 - FAIR VALUE MEASUREMENTS - CONTINUED*

For both the years ended December 31, 2025 and December 31, 2024, the Plan's investment in the Fund (see Note 4) was valued using the NAV as a practical expedient which represents the price at which the Plan is able to initiate a transaction. This investment is excluded from the fair value hierarchy. The inputs on methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities. The Plan's investments calculated at the NAV per share may be redeemed on a daily basis at the NAV as of the measurement date. There are no unfunded commitments.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

| | Fair Value Measurements at Reporting Date Using | | |
|---|---|---|---|
| | Fair Value | Quoted Prices in Active Markets for Identical Assets (Level 1) | Significant Other Observable Inputs (Level 2) |
| December 31, 2025: | | | |
| Registered investment companies | $ 15,577,984 | $ 15,577,984 | $ - 0 - |
| December 31, 2024: | | | |
| Registered investment companies | $ 12,610,954 | $ 12,610,954 | $ - 0 - |

As of December 31, 2025 and 2024, an investment of $253,647 and $233,565, respectively, in a collective trust fund that has not been categorized in the fair value hierarchy as the underlying fund was measured using the NAV practical expedient.

Gains and losses (realized and unrealized) included in the statements of changes in net assets available for benefits for both years ended December 31, 2025 and 2024, are reported in net appreciation in fair value of investments.

*NOTE 6 - EXCESS CONTRIBUTIONS PAYABLE*

Contributions received from participants and the Company for 2025 are net of payments of $3,313 made in February 2026 to certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. That amount, plus gains thereon of $466, is included in the Plan's statement of net assets available for benefits as excess contributions payable at December 31, 2025.

Contributions received from participants and the Company for 2024 are net of payments of $10,407 made in February 2025 to certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. That amount, plus gains thereon of $1,193, is included in the Plan's statement of net assets available for benefits as excess contributions payable at December 31, 2024.

*NOTE 7 - TAX STATUS*

The Plan was restated effective January 1, 2021, under a new Watkins, Ross & Co. non-standardized pre-approved plan which has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the Plan was designed in accordance with applicable sections of the Internal Revenue Code (IRC) and, therefore, the Plan is qualified and the related trust is tax exempt. The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

GAAP requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

*NOTE 8 - RELATED PARTY TRANSACTIONS*

Certain Plan investments are shares of registered investment companies, collective investment trusts, and fixed annuities managed by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, custodians of the Plan. The Plan investments are held by Empower Trust Company, LLC. Therefore, these transactions qualify as party-in-interest transactions. The party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

*NOTE 9 - PLAN TERMINATION*

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to provisions of ERISA.

*NOTE 10 - RISKS AND UNCERTAINTIES*

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

*NOTE 11 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500*

There were no reconciling items between the financial statements and Schedule H of the Form 5500 for the years ended December 31, 2025 and 2024.
