FINANCIAL STATEMENTS
and Independent Auditor's Report

December 31, 2025 and 2024

Leeper, Kean & Rumley, L.L.P.
Certified Public Accountants and Consultants

INDEPENDENT AUDITOR'S REPORT

To the Trustees
Diagnostic Radiology & Imaging Employee Benefits Plan
Greensboro, North Carolina

Opinion

We have audited the accompanying financial statements of Diagnostic Radiology & Imaging Employee Benefits Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits - cash basis as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits - cash basis for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits - cash basis of Diagnostic Radiology & Imaging Employee Benefits Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits - cash basis for the years then ended, in accordance with the cash basis of accounting described in Note 2(a).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diagnostic Radiology & Imaging Employee Benefits Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 2(a) of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 2(a); this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diagnostic Radiology & Imaging Employee Benefits Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diagnostic Radiology & Imaging Employee Benefits Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diagnostic Radiology & Imaging Employee Benefits Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Diagnostic Radiology & Imaging Employee Benefits Plan

NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

(1) Description of Plan

The following description of the Diagnostic Radiology & Imaging Employee Benefits Plan ("Plan") provides only general information. Participants should refer to the Plan Agreement for a complete description of the Plan's provisions.

(a) **General** - The Plan, established January 1, 2020, is a qualified defined benefit welfare plan, providing health, prescription drug and vision benefits, covering all employees and their dependents of Diagnostic Radiology & Imaging, LLC ("Company"). At each annual enrollment, provisions, such as participant contribution rates, coverage, deductibles, copays, and out-of-pocket maximums, may change.

Effective January 1, 2023, the Plan is available to employees who work at least twenty-four hours per week, and have satisfied the eligibility requirements of the Plan. Previously employees had to work thirty hours per week. Former employees and their dependents are eligible for continued coverage for the number of months specified in the Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA"), if they so elect.

A voluntary employees' beneficiary association ("VEBA") trust arrangement has been established for the funding and the payment of certain specified medical expenses of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

(b) **Contributions** - The Plan is funded by contributions from covered employees and the Company and all contributions are irrevocable. Contributions from employees are through payroll deduction. If any contribution is made in error, or if the deduction of any contribution is disallowed, the then value of such contribution will be returned to the Company or employee if within the time allowed by law. The Plan had 106 and 126 participants at December 31, 2025 and 2024, respectively.

The Plan provides for a special class of participants for employees who retire at age fifty-five or older with at least ten years of service with the Company. This class may continue medical coverage under the Plan as an alternative to COBRA coverage until the earlier of: (1) reaching age sixty-five, (2) becoming covered under another comparable group medical plan, (3) becoming entitled to Medicare, or (4) failing to timely pay any required premium for such coverage. Dependents of retired employees are eligible as well under similar circumstances.

(c) **Payment of Benefits** - Effective January 1, 2021, the Plan pays for all approved health, prescription drug and vision claims up to a maximum of $60,000 per participant.

The Plan has entered into a stop loss insurance arrangement in an effort to limit its exposure for individual participant claims over those specific dollar amounts. For the years ended December 31, 2025 and 2024, the Company paid $457,688 and $454,130, respectively, in stop loss insurance premiums. The specific stop loss coverage is evaluated annually based on the Plan's experience, change in the health care cost-trend rates, currently averaging increases of 7-10%, and the number of participants in the Plan. The specific stop loss coverage is $60,000 per participant.

(d) **Plan Termination** - The Company expects to continue the Plan indefinitely, but reserves the right to terminate the Plan in whole or in part at any time upon giving written notice to all parties concerned subject to the provisions of ERISA.

(e) **Expenses** - Certain expenses of maintaining the Plan are paid by the Company and excluded from these financial statements.

(2) Summary of Accounting Policies

(a) **Basis of Accounting** - The financial statements have been prepared using the cash basis of accounting, a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The primary difference between accounting principles generally accepted in the United States of America and the cash basis of accounting is the recognition of contributions receivable and liabilities for benefit claims payable.

(b) **Cash** - At various times throughout the year, the Plan had cash on deposit with a bank which exceeded the $250,000 federally-insured limit. Whenever cash balances exceed the amount insured, there is a risk of monetary loss.

(c) **Payment of Benefits** - Health, prescription drug and vision claims are reported when paid. Any refunds due to overpayments, subrogation, or adjustments are recorded in the period received and are shown netted with claims paid.

(d) **Prescription Rebates** - Prescription drug rebates are recorded when received and are shown netted with claims paid.

(e) **Management Estimates** - The preparation of the financial statements in conformity with the cash basis of accounting requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

(3) Benefit Obligations

Benefit obligations of the Plan at December 31, 2025 and 2024 for claims incurred by participants but not reported were approximately $213,000 and $119,000, respectively. The changes in the Plan's benefit obligation at December 31, 2025 and 2024 are as follows:

	2025	2024
Balance at beginning of year	$ 119,000	135,000
Claims incurred	1,738,448	1,093,633
Claims paid	(1,644,448)	(1,109,633)
Balance at end of year	$ 213,000	119,000

As described in Note 1(b), the Plan provides for benefits to employees who retire at age fifty-five with ten years of service. No benefits were paid on behalf of retired employees for the year ended December 31, 2025 and 2024. The ultimate obligation for postretirement benefits is not recognized because management cannot reasonably estimate the amounts; however, management has determined that the obligation would be immaterial to the financial statements, based on the participants covering the expected cost of such benefits and that a 1% increase in the assumed health care cost-trend rate would not have a significant effect on the Plan's benefit obligations.

(4) Party-In-Interest Transactions

Cigna Health and Life Insurance Company ("Cigna"), the Plan's supervisor, provides third party administrator and consulting services for the Plan and is a party-in-interest within the meaning of ERISA. Cigna processes all enrollments, claims, and excess loss claims for the Plan and was paid $55,648 and $60,155 by the Company for their services for the years ended December 31, 2025 and 2024, respectively.

(5) Tax Status

The VEBA trust, established under the Plan to hold the Plan's net assets, complies with the requirements of Section 501(c)(9) of the Internal Revenue Code ("IRC"), so that the trust's net investment income, if any, is exempt from income taxes. A determination letter, dated August 31, 2007, to the effect that the trust is qualified has been received from the Internal Revenue Service. The Plan has been amended subsequent to the IRS determination; however, the Plan sponsor and trustees believe the Plan, as amended, is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is not currently under examination for any tax periods. The Plan is generally subject to examination by taxing authorities for a period of up to three years after the date on which the returns are filed.

(6) Subsequent Events

The Plan's management has evaluated subsequent events through October 5, 2026, the date which the financial statements were available to be issued.
