INDEPENDENT AUDITORS' REPORT

Plan Administrator
America Works of New York, Inc. Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of America Works of New York, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the America Works of New York, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of America Works of New York, Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about America Works of New York, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements *(Continued)*

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of America Works of New York, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about America Works of New York, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMERICA WORKS OF NEW YORK, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2025 and 2024

NOTE 1 - DESCRIPTION OF PLAN

The following description of the America Works of New York, Inc. Retirement Plan (the "Plan") provides only general information. A more complete description is provided in the Plan agreement.

General

The Plan is a combined defined contribution profit sharing plan and deferred compensation plan under Section 401(k) of the Internal Revenue Code, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan covers eligible employees of America Works of New York, Inc., America Works of Maryland, Inc., America Works of Washington D.C., Inc., America Works of New Jersey, Inc., America Works of Wisconsin, Inc., America Works of Massachusetts, Inc., America Works of Pennsylvania, Inc., America Works of Louisiana, Inc., America Works of Tennessee, Inc., America Works of Texas, Inc., America Works of Illinois, Inc., America Works of California, Inc., America Works Employment Network, Inc., America Works of Missouri, Inc., America Works of Washington, Inc., America Works of Georgia, Inc., and America Works of Nebraska, Inc. (collectively referred to as the "Company").

Eligibility

Employees are eligible to participate by making elective deferrals to the Plan and receive employer matching contributions once they have completed one year of service with at least 1,000 hours of service. There is no age requirement as defined by the Plan. Plan entry dates are January 1, April 1, July 1, and October 1.

Contributions

Eligible participants may make contributions to the retirement plan subject to certain federally imposed limits ($23,500 in 2025 and $23,000 in 2024) on either a pre-tax or post-tax (Roth) basis. Participants that are eligible to enter the Plan and do not opt out will be automatically enrolled in the Plan at a 3% deferral rate. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions subject to certain federally imposed limits ($7,500 in 2025 and 2024). In addition, commencing in 2025, participants who are ages 60-63 at the end of the plan year are eligible instead to make super catch-up contributions up to $11,250. Rollover contributions from other qualified plans meeting certain conditions may be made.

The Company makes matching contributions to eligible participants of 4% of eligible participant compensation, up to a maximum of $3,500. However, if a participant contributes less than 4%, the Company will match the employee contribution. The Company may elect to make a discretionary profit sharing contribution, which would be allocated to all participants based upon Plan compensation.

NOTE 1 - DESCRIPTION OF PLAN *(Continued)*

Contributions (Continued)

All contributions are participant-directed and held and invested by the Plan's Trustee in accordance with the participant's investment allocation amongst a list of investment options offered. During the year ended December 31, 2025, the Company's total matching contributions to the Plan were $345,585.

Participant Accounts

Each participant's account is credited with the participant's contribution and Company contributions, as well as an allocation of the Plan's earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan.

Allocations are based on participant earnings (or losses), account balances, or specific transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, including rollovers, plus actual earnings thereon. Vesting in the Company's matching contributions is based on years of continuous service. A participant is fully vested after 6 years of service in accordance with the following schedule:

Years of Service	Percentage of Interest Vested
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of Benefits

Upon normal retirement, death, or disability, a participant will become 100% vested in his or her account. Upon termination, a participant is entitled to benefits equal to the vested value of his or her account. The Plan does not provide an early retirement provision.

Plan Administration

The Plan is administered by the Company's Chief Financial Officer. The Plan has two trustees who are members of the Company's executive management. Fidelity Management Trust Company ("FMTC") was a trustee of the Plan for the years ended December 31, 2025 and 2024.

NOTE 1 - DESCRIPTION OF PLAN *(Continued)*

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000, and up to a maximum equal to the lesser of 50% of their vested account balances or $50,000. The notes receivable from participants are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. The interest rate on all outstanding notes receivable was between 4.25% and 9.50% at December 31, 2025 and 2024.

Repayments are made through payroll deductions over the term of the note or by the participant directly through their plan account. All notes are payable within a period of five years unless used for the purchase of a principal residence. A participant can only have one loan currently outstanding from the Plan.

Forfeited Accounts

Forfeitures of terminated participants' non-vested accounts shall be used to reduce employer contributions for the succeeding Plan year or to pay administrative expenses. At December 31, 2025 and 2024, forfeited non-vested accounts were $14,052 and $8,597, respectively. For the year ended December 31, 2025, $27,445 of forfeited funds were used to reduce the employer contribution, and $11,021 of forfeited funds were used to pay administrative expenses.

Hardship Distributions

Participants may withdraw in a lump sum up to 100% of the vested interest in the participant's elective deferral account (excluding any investment earnings), matching contribution account, and non-elective contribution account to pay for a financial hardship caused by (1) eligible medical expenses incurred by the participant or his or her family; (2) the purchase (excluding mortgage payments) of a principal residence; (3) tuition for the next 12 months of college for the participant or his or her family; (4) payments needed to prevent eviction from a principal residence or payments needed to prevent foreclosure on the mortgage of a principal residence; (5) payments for burial or funeral expenses for the participant's family; or (6) certain expenses for the repair of damage to the participant's principal residence.

A hardship distribution cannot exceed the amount required to relieve the financial need.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recognized when earned. Dividend income is recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account, included in administrative expenses and are expensed when they are incurred. No allowance for credit losses had been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability, with a corresponding reduction to contributions. There were no excess contributions payable at December 31, 2025 and 2024.

Payment of Benefits

The Plan records benefit payments to withdrawing participants when paid. Under the rules for preparation of Form 5500, the Plan's Form 5500 will reflect an accrual for the amount to be paid to participants who withdrew from the Plan prior to the year-end, and who had requested a distribution which was approved but not yet paid at year-end, if any. There were no unpaid distributions at December 31, 2025 and 2024.

Expenses

For the year ended December 31, 2025, administrative expenses of $66,080 were paid by the Plan. Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent Events

Subsequent events were evaluated through October 6, 2026, which is the date the financial statements were available to be issued.

NOTE 3 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investments in securities are generally exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 4 - FAIR VALUE MEASUREMENTS

Basis of Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurements*, are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTE 4 - FAIR VALUE MEASUREMENTS *(Continued)*

Basis of Fair Value Measurement *(Continued)*

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables present by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2025 and 2024. The investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

December 31, 2025:

Description	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	$ 10,860,867	$ -	$ -	$ 10,860,867

NOTE 4 - FAIR VALUE MEASUREMENTS *(Continued)*

Basis of Fair Value Measurement *(Continued)*

December 31, 2024: Description	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual funds	$ 8,787,345	$ -	$ -	$ 8,787,345

NOTE 5 - INFORMATION CERTIFIED BY TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. At December 31, 2025 and 2024, the assets of the Plan are held by a trustee, FMTC. This trustee has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

1) Investments and notes receivable from participants, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024;

2) Dividends, net appreciation in fair value of investments and interest income on notes receivable from participants, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025;

3) The Schedule of Assets (Held at End of Year) as of December 31, 2025 as shown in the supplemental schedule.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 6 - INVESTMENT CONTRACT WITH INSURANCE COMPANIES

In 2020, the Plan entered into a participation agreement with Morley Stable Value Fund ("Morley"), a fully benefit-responsive investment contract. Morley is a fund offered by Principal Global Investors Trust Company, who is the trustee for the fund. The insurance companies maintain the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

NOTE 6 - INVESTMENT CONTRACT WITH INSURANCE COMPANIES *(Continued)*

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for a fully benefit-responsive investment contract because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Morley, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuers' ability to meet their financial obligations. The issuers' ability to meet their contractual obligations may be affected by future economic and regulatory developments.

Certain events may limit the Plan's ability to transact at contract value, including: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (d) the failure of the trust, that was established under the Plan to hold the Plan's assets, to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974, or (e) premature termination of the contract.

The Plan administrator does not believe events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that would limit the ability of the Plan to transact at contract value with the participants. The Morley contract may be terminated by either party upon 30 days' advance notice.

NOTE 7 - RELATED PARTIES AND PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who have or may perform services or have fiduciary responsibilities to the Plan. Certain employees and officers of the Company, who are also participants in the Plan, perform administrative services to the Plan at no cost to the Plan. The Plan issues loans to participants, which are secured by the balances in the participants' accounts. The Company pays certain administrative fees of the Plan. These transactions qualify as party-in-interest transactions.

Certain Plan investments are mutual funds managed by FMTC or its affiliates. FMTC is a trustee as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions and are denoted as such on the Supplemental Schedule of Assets (Held at End of Year). Fees incurred by the Plan for investment management services are included in administrative expenses.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 9 - TAX STATUS

The Company adopted a prototype plan of Fidelity Management & Research Company, for which the IRS issued an opinion dated June 30, 2020 stating that the form of the Plan is appropriate for use by employers for the benefit of their employees.

Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
