Independent Auditor's Report

To the Trustee and Plan Administrator
Military Deli and Bakery Services, Inc. Health and Welfare Plan

Opinion

We have audited the financial statements of Military Deli and Bakery Services, Inc. Health and Welfare Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and of benefit obligations of Military Deli and Bakery Services, Inc. Health and Welfare Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and changes in its benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Military Deli and Bakery Services, Inc. Health and Welfare Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

"Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. The two firms operate as separate legal entities in an alternative practice structure. The entities of Citrin Cooperman & Company, LLP and Citrin Cooperman Advisors LLC are independent member firms of the Moore North America, Inc. (MNA) Association, which is itself a regional member of Moore Global Network Limited (MGNL). All the firms associated with MNA are independently owned and managed entities. Their membership in, or association with, MNA should not be construed as constituting or implying any partnership between them.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Military Deli and Bakery Services, Inc. Health and Welfare Plan's ability to continue as a going concern for one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Military Deli and Bakery Services, Inc. Health and Welfare Plan's internal control. Accordingly, no such opinion is expressed.

Their membership in, or association with, MNA should not be construed as constituting or implying any partnership between them.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Military Deli and Bakery Services, Inc. Health and Welfare Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of Military Deli & Bakery Services, Inc. Health and Welfare Plan (the Plan) provides only general information. Participants should refer to the plan document for a complete description of the Plan's provisions.

General - The Plan is a contributory defined benefit health and welfare plan originally established January 1, 1998, to provide health and other benefits to eligible participants. Substantially all full-time employees of Military Deli & Bakery Services, Inc. (the Plan sponsor) employed under a federal service contract are eligible to participate in the Plan, as well as non-service-contract employees.

Benefits - The Plan provides medical, dental, vision, hospital, prescription drugs, life insurance, accidental death and dismemberment insurance, short-term disability, long-term disability and other fringe benefits to all eligible employees of the Plan sponsor, including employees working under federal service contracts covered by the Service Contract Act (the Act). Benefits are generally reserved for employee coverage, but employees may purchase additional coverage for their spouse and dependents through pre-tax and after-tax deductions as allowable under Internal Revenue Service (IRS) and the Employee Retirement Income Security Act of 1974, as amended (ERISA) rules and regulations. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Self-insured benefits - The Plan's medical, prescription drug, dental and vision benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processor. The claims processor pays claims directly to or on behalf of participants and are then reimbursed by either the Plan's trust or the general assets of the Plan sponsor. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

Contributions - The Plan is funded by contributions from the Plan sponsor and employees. The Plan sponsor makes contributions to both Service Contract Act (SCA) and non-SCA employees. The contributions made to SCA employees are required by the SCA to provide an hourly fringe benefit rate and the applicable rate is set by the U.S. Department of Labor and implemented through contractual provisions. The rate is applied to the first 80 hours worked in a pay period. The contributions made to non-SCA employees are set at a fixed rate as long as the employees maintain full-time status. In addition to deductibles and copayments, participants may contribute specified amounts to the Plan. The employee contributions are deducted from payroll and are remitted to the Trust together with employer contributions.

Stop-loss coverage - The Plan has entered into a stop-loss insurance arrangement to limit its exposure for self-insured benefits (individual participant claims over a specified dollar amount, as well as its aggregate exposure for all claims). The Plan's self-insurance retention is $175,000 for individual losses on a per-person basis.

Administration - The Plan has contracted with a third-party recordkeeper, Allied Benefit Systems, LLC, to maintain participant benefit records and to process claims and premiums. The Plan has also contracted with Independent Fiduciary Services to serve as trustee through April 2025. Effective April 1, 2025, the Plan contracted with GSA National to provide recordkeeping services and Wilmington Trust to provide trustee services. All administrative expenses may be paid out of the Plan unless paid by the Plan sponsor. During the years ended December 31, 2025 and 2024, the Plan paid for substantially all administrative expenses, which consisted of third-party recordkeeping fees, trustee fees, auditing and accounting fees, and other miscellaneous expenses.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of accounting - The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates - The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and benefit obligations at the date of the financial statements and changes in net assets available for benefits and benefit obligations during the year, particularly the estimate of the liability for claims incurred but not yet reported to the Plan. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Investment valuation and income recognition - The Plan's investments are held by Wilmington Trust in a money market account. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the financial institution.

Interest income is recorded on an accrual basis.

Contributions receivable - Employer contributions due but not paid to the trust at year end are recorded as contributions receivable. There was no allowance for uncollectible accounts as of December 31, 2025 and 2024.

Participant reserve balances - The Plan sponsor contributes a required amount for employees based on a predetermined hourly fringe rate. Amounts contributed in excess of the required premiums, less expenses, are retained in the Plan for the benefits of these participants. This excess is known as the hour bank reserve maintained in the Individual Premium Reserve Account (IPRA) (see Note 5). The IPRA balances are used to fund employee premium shortfalls during months when the employee does not work sufficient hours to maintain full-time coverage. These funds may also be used after employee termination to fund continuation of coverage until exhausted. The IPRA balances amounted to $11,761 and $38,896 at December 31, 2025 and 2024, respectively.

Payment of benefits - Premiums paid by the Plan sponsor are recorded as payment of premiums to insurance companies in the accompanying Statement of Changes in Net Assets Available for Benefits.

Claim payments are recorded when paid by the third-party claims processor. Amounts due to the claims processor that have not been reimbursed by the Plan, if any, are recorded as payables to claims administrators in the accompanying Statements of Net Assets Available for Benefits.

Stop-loss coverage - Premiums for stop-loss insurance are included in payment of premiums to insurance companies in the accompanying Statement of Changes in Net Assets Available for Benefits. Stop-loss refunds for the years ended December 31, 2025 and 2024, totaling $47,261 and $42,004, respectively, have been netted with self-insured claims in the accompanying Statement of Changes in Net Assets Available for Benefits.

Benefit obligations - Claims incurred but not yet reported are estimated by the Plan's third-party administrator based on claims data provided by the Plan's self-insured claims processors. This analysis and estimate are determined using a historical analysis of claims paid subsequent to year end as well as subsequent benefit payments actually made, classified according to the date that the related services were provided.

Subsequent events - In accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 855, *Subsequent Events*, the Plan has evaluated subsequent events through October 7, 2026, the date on which these financial statements were available to be issued. No material subsequent events that required recognition or disclosure in these financial statements.

3. FAIR VALUE MEASUREMENETS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation technique used for assets measured at fair value.

Interest-bearing cash: These investments are stated at cost, which approximates fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

Assets at Fair Value as of December 31, 2025	**Level 1**	**Level 2**	**Level 3**	**Total**
Money market funds	$ 53,331	$ -	$ -	$ 53,331
Total investments at fair value	$ 53,331	$ -	$ -	$ 53,331

4. RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Allied Benefit Systems, LLC is the Plan's third-party claims administrator, GSA National is the Plan's recordkeeper and Independent Fiduciary Services was the Plan's former trustee. Therefore, transactions with these parties qualify as party in interest transactions. The Plan paid fees to Allied Benefit Systems, LLC, GSA National and Independent Fiduciary Services for the year ended December 31, 2025.

Certain administrative functions of the Plan are performed by officers or employees of the Plan sponsor. No such officer or employee receives compensation from the Plan.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA, the insurer’s contract, and the contract administration agreement. In the event of Plan termination, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits on account of the participant. No assets of the Plan may revert to the Plan sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

6. PARTICIPANT RESERVE BALANCES

Participant reserve balances reflect the hour bank reserve maintained in the IPRA. At termination of employment, the unexpended portion of a participant's reserve balance is remitted to a retirement account on behalf of the terminating participant. Participant reserve balances totaled $11,761 and $38,896 as of December 31, 2025 and 2024, respectively, and are included as a liability in the accompanying Statements of Net Assets Available for Benefits.

Changes in participant balances result from changes in plan participants and in the estimated cost of providing benefits. Accordingly, participant reserve balances fluctuate between periods depending on changes in the number of participants, changes in participant elections, and the cost of benefits negotiated with insurance companies.

The following table summarizes the changes in participant reserve balances during the years ended December 31, 2025, and 2024:

	2025	2024
Participant reserve balances at January 1	$ 38,896	$ 41,846
Decrease in IPRA	(27,135)	(2,950)
Participant reserve balances at December 31	$ 11,761	$ 38,896

7. TAX STATUS

The Trust established under the Plan to hold the Plan's assets has not applied for exemption from federal or state income taxes. The Plan is required to pay federal and state taxes on unrelated business income as defined by Internal Revenue Code (IRC). Unrelated business income consists of the investment income earned on the excess of the net assets available for benefits over the required reserve balance allowable under the IRC. The Plan sponsor believes that the Plan does not have any net taxable income for the years ended December 31, 2025 and 2024; therefore, no tax liability is reflected in these financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain tax positions that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

8. RISKS AND UNCERTAINTIES

The Plan maintains its cash in a bank deposit account with a financial institution, which, at times may exceed federally insured limits. Plan management periodically evaluates the balance and believes this account does not pose a financial risk to the Plan.

Some of the plan participants are SCA employees of the Plan sponsor working under contracts with the federal government. As such, federal contracts are subject to termination clauses whereby the government may terminate contracts for cause or convenience. Any contract termination or funding delays caused by political, budgetary, or other administrative matters may affect employees participating in the Plan and the ability and necessity of the Plan sponsor to fund and maintain the Plan.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ (241,144)	$ 409,797
Less: claims incurred but not yet reported	(575,000)	(310,000)
Net assets available for benefits per Form 5500	$ (816,144)	$ 99,797

The following is a reconciliation of the self-insured claims paid per the financial statements for the year ended December 31, 2025, to Form 5500:

Claims paid per the financial statements	$ 2,437,924
Add: amounts payable for current year end	575,000
Less: amounts payable for prior year end	(310,000)
Claims paid per Form 5500	$ 2,702,924
