JACOBY AND HANDLEY, PLLC
CERTIFIED PUBLIC ACCOUNTANTS

Independent Auditors' Report

The Participants and Administrator
Southern Eagle Distributing, Inc. 401(k) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Southern Eagle Distributing, Inc. 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

(Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SOUTHERN EAGLE DISTRIBUTING, INC. 401(K) RETIREMENT PLAN

Notes to Financial Statements

December 31, 2025 and 2024

(1) Description of Plan

The following description of the Southern Eagle Distributing, Inc. 401(k) Retirement Plan (Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

(a) General

The Plan, which commenced on January 1, 1989, is a defined contribution retirement plan covering substantially all employees of Southern Eagle Distributing, Inc. (Sponsor), who have attained the age of 18 and have completed three months of service. Employees are eligible to enter the Plan on the first day of the month following the completion of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(b) Contributions

Participants may contribute up to 80% of their pretax compensation, as defined in the Plan Agreement, subject to certain IRS limitations. The Plan also allows employees to elect Roth after-tax contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified plans. In accordance with the Plan Agreement, the Sponsor made matching contributions for the years ended December 31, 2025 and 2024 equal to 50% of the first 10% of the employee's Elective Deferral. In addition, the Plan Agreement provides for discretionary non-elective contributions, however, there were none in 2025 or 2024. Participants direct the investment of their contributions into various investment options offered by the Plan.

(c) Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Sponsor's contribution, the Plan's earnings, and expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants are immediately 100% vested in their voluntary and rollover contributions plus or minus actual earnings or losses thereon. Vesting in the Sponsor's contribution portion of their accounts is based on years of continuous service.

(Continued)

A participant is 100% vested at the normal retirement age of 65, death, disability, and after five years of credited service as follows:

Years of Service	Vesting Percentage
1	20%
2	40%
3	60%
4	80%
5	100%

(e) Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $500 up to the maximum, when aggregated with all outstanding loans of the participant from the Plan, equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's vested interest in the assets of the Plan and bear a reasonable rate of interest at prime plus 1% unless the Administrator determines otherwise. Loans are to be repaid in level installments of principal and interest over a term not to exceed 5 years unless the loan is to acquire a principal residence for the Participant where the repayment schedule is not to exceed 30 years. As of December 31, 2025 and 2024, the interest rates charged ranged from 4.25% to 9.50%.

(f) Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, or in substantially equal installments over a period of time as specified by the Plan. Participants may withdraw certain amounts from the Plan under hardship withdrawal provisions or upon reaching the age of 59 ½ years while employed with the Sponsor.

(g) Forfeitures

Forfeited non-vested accounts, inclusive of investment earnings, may be used to pay administrative expenses or reduce future Sponsor contributions. As of December 31, 2025 and 2024, the Plan had $1,876 and $45 in forfeited non-vested accounts, respectively.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The Plan's financial statements are prepared using the accrual basis of accounting.

(Continued)

(b) Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are valued at contract value, as discussed below. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for discussion of fair value measurements.

Investment contracts held by a defined contribution plan are reported at contract value, which is the relevant measurement attribute to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade date basis. The net appreciation in fair value of investments, which reflects the net unrealized appreciation, interest, dividends, and realized gain on investments, is reflected within the statements of changes in net assets available for plan benefits.

(c) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

(d) Payment of Benefits

Benefits are recorded when paid.

(e) Administrative Fees and Expenses

Administrative fees and expenses may be paid from either Plan forfeitures or by the Sponsor. Loan administrative expenses are paid from the individual borrowing participant's Plan account.

(f) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported changes in net assets during the reporting period. Actual results could differ from those estimates.

(g) Risks and Uncertainties

The Plan invests in various investment funds that are subject to various risks that determine the value of the fund. Due to the level of risk associated with certain financial instruments and the level of uncertainty related to changes in the value of these investments, it is at least reasonably possible that changes in market conditions in the near term could materially affect participant's account balances and the value of investments reported in the financial statements.

(3) Certified Investments (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025 and 2024, and interest and dividends, and net appreciation (depreciation) in fair value of investments for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Life Insurance Company as of and for the years ended December 31, 2025 and 2024.

Investments as of December 31, 2025 and 2024 are participant-directed and consist of the following:

		2025	2024
Investments at fair value:			
Mutual funds	$	13,408,416	12,489,829
Pooled separate accounts		1,639,533	1,061,816
Total	$	15,047,949	13,551,645
Investments at contract value – Principal Fixed Income Guaranteed Option Account	$	346,687	306,038

The Principal Fixed Income Guaranteed Option Account is a fully benefit-responsive investment contract with Principal Life Insurance Company (Principal Life) with Principal Trust Company as custodian. The contract guarantees a composite crediting rate which is reset semiannually, which was 4.65% and 1.55% as of December 31, 2025 and 2024. During the years ended December 31, 2025 and 2024, interest income of $10,404 and $7,016 respectively, was earned by the account.

Certain events limit the ability of the Plan to transact at contract value with Federated. Such events include mergers, mass layoffs, plan terminations, implementation of early retirement incentive programs, or other events within the control of the Plan Sponsor resulting in a material and adverse financial impact on the fund. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

(4) Fair Value of Investments

The Plan follows the provisions of the Fair Value Measurements and Disclosures Topic of the FASB ASC, which establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds and pooled separate accounts – Valued either at quoted market prices, which represent the net assets value of shares held by the Plan at year end, or indirectly at quoted market prices and as adjusted for an accumulation of fund earnings, which collectively represent the accumulated asset value of shares held by the Plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair values of the Plan's investments of $15,047,949 and $13,551,645 as of December 31, 2025 and 2024, respectively, were considered level 1 investments within the fair value hierarchy.

Notes to Financial Statements

(5) Party-In-Interest Transactions

The Plan pays administrative expenses to Principal Trust Company, an affiliate of Principal Life Insurance Company, for investment management services, therefore these transactions qualify as party-in-interest. These expenses amounted to $89,499 and $74,463 for the years ended December 31, 2025 and 2024, respectively, and are recorded as administrative expenses.

(6) Tax Status

The Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC) and is exempt from Federal income taxes. The Plan is based on a prototype plan sponsored by EJReynolds, Inc., which has received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020.

The Plan is subject to routine audits by various taxing jurisdictions. The Plan's open audit periods are 2022 through 2025.

The Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

(7) Plan Termination

Although it has not expressed intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their accounts.

(8) Subsequent Events

In preparing these financial statements, management has evaluated subsequent events and transactions for potential disclosure through October 6, 2026, the date the financial statements were available to be issued.
