INDEPENDENT AUDITOR'S REPORT

October 2, 2026

To the Plan Administrator of the
ATHENS ORTHOPEDIC CLINIC, P.A. 401K PROFIT SHARING PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of ATHENS ORTHOPEDIC CLINIC, P.A. 401(K) PROFIT SHARING PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of ATHENS ORTHOPEDIC CLINIC, P.A. 401(K) PROFIT SHARING PLAN'S financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024 and for the years then ended, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above relates to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ATHENS ORTHOPEDIC CLINIC, P.A. 401(K) PROFIT SHARING PLAN and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ATHENS ORTHOPEDIC CLINIC, P.A. 401(K) PROFIT SHARING PLAN'S ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ATHENS ORTHOPEDIC CLINIC, P.A. 401(K) PROFIT SHARING PLAN'S internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ATHENS ORTHOPEDIC CLINIC, P.A. 401(K) PROFIT SHARING PLAN'S ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ATHENS ORTHOPEDIC CLINIC, P.A.
401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Athens Orthopedic Clinic, P.A. (the Company) 401(K) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the summary plan description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all eligible employees of the Company who have attained age 18. The Plan is subject to the provisions of ERISA.

Contributions

Participants may elect to defer a percentage or dollar amount of their compensation subject to annual Internal Revenue Service maximum deferral limits. Deferral contributions may be made on a pre-tax or a Roth (after-tax) basis. Employees may also make rollover contributions of amounts distributed from other qualified retirement plans.

The Plan makes a fully vested 3% safe harbor nonelective contribution to all eligible employees. During 2025 and 2024, safe harbor employer contributions totaled $724,151 and $758,740, respectively. Additionally, the Plan allows for discretionary nonelective (profit sharing) and discretionary matching contributions. During 2025 and 2024, discretionary nonelective contributions totaled $986,021 and $977,025, respectively. There were no discretionary matching contributions for 2025 or 2024.

Participant Accounts

Each participant's account is credited with the participant's deferral contributions, rollovers, and Company contributions along with a proportionate amount of investment earnings or losses of the funds in which the contributions are invested. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Expense allocations are based on participant account balance or a per-capita allocation to all participant accounts. Fees related to specific participant transactions (such as distribution fees) are deducted from the account of the participant requesting the transaction. Participants may direct the investment of their account balance to any of the Plan's investment alternatives and may transfer among investment options on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their deferral contributions plus actual earnings thereon. They are also immediately vested in Safe Harbor contributions made by the Company. Vesting in the profit sharing contribution portions of the participant's accounts is based on years of service. A participant is 100% vested after four years of credited service.

Benefits

On termination of service, death, disability, or retirement, the participant or their beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants may request a withdrawal of a portion of their employee contribution account balance if they can demonstrate financial hardship as defined by the Plan.

Forfeited Accounts

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $2,414 and $22,652, respectively. During the years ended December 31, 2025 and 2024, $2,868 and $0 were used to reduce plan expenses, respectively. No forfeitures were used to reduce the employer profit sharing contributions for the years ended December 31, 2025 and 2024. During the years ended December 31, 2025 and 2024, $25,654 and $0 were used to reduce the employer discretionary nonelective contribution, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. The Morley Stable Value Fund is a collective trust and is reported at contract value. Brighthouse Variable Annuity Series L (previously named MetLife Annuity) is also valued at contract value.

Contract value is the relevant measurement for assets invested in fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the cash basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes realized and unrealized changes in fair value of investments bought, sold, and held during the year.

Benefit Payments

Benefit payments are recorded when paid.

Plan Expenses

The Plan's administrative expenses are paid by either the Plan or the Company as provided by the Plan document. Investment advisory fees are deducted from participant accounts. Certain transaction-related charges such as distribution fees are deducted from the accounts of the participants that incurred the charge.

NOTE 3 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.
Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Self-Directed brokerage accounts: Valued at the daily closing price of all the assets held in these accounts. Self-directed brokerage accounts allow experienced investors to choose their own investments, including those investments not normally offered in the Plan. Participants in these accounts are responsible for actively managing their accounts, such as selecting which stocks, bonds, etc. to invest in and which investments to sell. Because these accounts are entirely composed of actively traded investments, the value of self-directed brokerage accounts is readily determinable.

Mutual Funds: Valued using the Net Asset Value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus the liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value, on a recurring basis, as of December 31, 2025 and 2024:

	Fair Value Measurements At December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds held at Vanguard	$51,381,219	$ -	$ -	$51,381,219
Self-directed brokerage accounts	1,000,479	-	-	1,000,479
Total investments, at fair value	$52,381,698	$ -	$ -	$52,381,698

	Fair Value Measurements At December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds held at Vanguard	$43,332,912	$ -	$ -	$43,332,912
Self-directed brokerage accounts	880,995	-	-	880,995
Total investments, at fair value	$44,213,907	$ -	$ -	$44,213,907

NOTE 4 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

Beginning in 2013, the Plan has a fully benefit-responsive guaranteed investment contract with Morley Capital Management totaling $1,370,604 and $1,818,754 at December 31, 2025 and 2024, respectively. This fund invests primarily in a variety of high quality Stable Value Contracts (the performance of which may be predicated on underlying fixed income securities), as well as cash and cash equivalents. The underlying fixed income securities must be rated investment grade at the time of purchase and meet issuer diversification guidelines. Generally investment contracts include annuity contracts issued by insurance companies and agreements issued by banks that provide varying guaranteed interest or guaranteed book value liquidity, as well as certain other types of contracts, each of which provides book value accounting treatment for the fund.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Morley, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) plan investment reallocation directed by the plan sponsor, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, large layoffs or transfers of employees), that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) communications from the plan sponsor designed to encourage participants to redeem their Fund Units. Due to these restrictions, plan sponsor directed withdrawals from the Fund require twelve months advance written notice. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE 5 - VARIABLE ANNUITY FUND

The Plan's investments include participation in a variable annuity fund, an annuity contract issued by Brighthouse Life Insurance Company. As permitted by generally accepted accounting principles for employee benefit plans (*FASB ASC 962*), the variable annuity contract is presented at contract value, which represents contributions made to the contract, plus earnings, less participant withdrawals and administrative expenses. The contract value represents the cash value of the contract (before any applicable surrender, contract or other termination charges, or any market value adjustments as of year-end). The contract does not guarantee a minimum interest rate; investment returns are based on the performance of the selected subaccounts. For the years ended December 31, 2025 and 2024, the contract value was $194,917 and $177,617, respectively.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balances.

NOTE 7 - TAX STATUS

The Plan utilizes a pre-approved plan document. The Internal Revenue Service issued an opinion letter on June 30, 2020 that the plan document is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has not requested an individual determination letter and has been amended since receiving the IRS opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax.

NOTE 8 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The following investment assets and transactions in those assets included in the accompanying financial statements and supplemental schedule at December 31, 2025 and 2024 were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Plan's custodian, Ascensus Trust Company.

	2025	2024
Cash	$ 216,874	$ 198,007
Common stocks	95,659	74,056
Mutual funds	51,421,904	43,370,639
Common / collective trusts	1,370,604	1,818,754
Exchange-traded funds	647,262	571,205
	$53,752,303	$46,032,661

The Plan's remaining investments totaling $194,917 and $177,617 at December 31, 2025 and 2024, respectively, were not certified by the custodian. Accordingly, full scope audit procedures were applied to these investment assets and related investment transactions.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 2, 2026, the date the financial statements were available to be issued.
