INDEPENDENT AUDITOR'S REPORT

To Robert Mueller, Plan Trustee
QSR Automations, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of QSR Automations, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024; the related statement of changes in net assets available for benefits for the year ended December 31, 2025; and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of QSR Automations, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of QSR Automations, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about QSR Automations, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of QSR Automations, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about QSR Automations, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

QSR AUTOMATIONS, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2025 AND 2024

NOTE 1 – DESCRIPTION OF PLAN

The following description of the QSR Automations, Inc. 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL – The Plan is a defined contribution plan covering all full-time employees of QSR Automations, LLC (Company) who are age 18 or older, effective January 1, 2025. Employees who have completed 1,000 hours of service during a 12-month period and are employed by the Company on the last day of the Plan year are eligible to receive the Company's match and profit-sharing contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company is responsible for the oversight of the Plan.

The Plan was amended on January 1, 2025, to change the minimum age requirement for all eligible employees to age 18. The Plan was amended on October 1, 2025, to change the trustee.

CONTRIBUTIONS – Each year, participants may contribute up to 90% of their annual compensation or the dollar amount set by law of their annual compensation, as defined in the Plan, either with pre-tax or after-tax contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 1% of eligible compensation, and their contributions invested in a designated balanced fund until changed by the participant. The Company's matching and profit-sharing contributions are discretionary and are determined annually. During the year ended December 31, 2025, the Company made a matching contribution of $245,484 and did not make a profit-sharing contribution to the Plan. Contributions are subject to certain IRS limitations.

PARTICIPANT ACCOUNTS – Each participant's account is credited with the participant's contributions and the Company's matching contributions, as well as allocations of the Company's profit-sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING – Participants are vested immediately in their contributions and actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service or upon death or disability.

NOTES RECEIVABLE FROM PARTICIPANTS – The Plan does not permit participants to take loans from the Plan. To access Plan assets, the participant must be eligible to receive a distribution from the Plan.

PAYMENT OF BENEFITS – On termination of service due to retirement, a participant may elect to receive a lump sum distribution equal to the value of the participant's vested interest in his or her account. On termination of service due to death, the designated beneficiary will receive a distribution under the method that is applicable in the current IRS guidelines.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

PAYMENT OF BENEFITS (CONTINUED) – For terminated participants whose vested account balances are over $5,000, the participant may elect to receive a lump sum distribution in cash or a rollover, or leave their funds in the Plan. For accounts with vested balances between $1,000 and $5,000, the participant may elect to receive a lump sum distribution in cash. For accounts with balances less than $1,000, a lump sum will be distributed for the entire vested amount upon termination without the participant's consent, if the participant does not make an election by the required date.

FORFEITED ACCOUNTS – As of December 31, 2025 and 2024, forfeited nonvested accounts totaled $39,166 and $13,780, respectively. Forfeitures may be used at the Company's discretion. No forfeitures were used in 2025.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING – The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from these estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION – Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

CONTRIBUTIONS – Contributions from Plan participants and the Company's matching contribution are recorded in the year in which the employee contributions are withheld from compensation. The Company's profit-sharing contribution is recorded in the year in which the profit was earned.

PAYMENT OF BENEFITS – Benefits are recorded when processed and approved for payment by the Plan. Benefits payable were $0 and $11,105 as of December 31, 2025 and 2024, respectively.

EXPENSES – Certain expenses of maintaining the Plan are paid by the Plan and allocated to the participants' accounts, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments or administrative expenses.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities & Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

Investments at Fair Value as of December 31, 2025

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 9,540,319			$ 9,540,319
Investments at fair value	**$ 9,540,319**			**$ 9,540,319**

Investments at Fair Value as of December 31, 2024

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 9,094,208			$ 9,094,208
Investments at fair value	**$ 9,094,208**			**$ 9,094,208**

NOTE 4 – CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest, dividends, capital gains, and administrative expenses for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company of America (the custodian of the Plan).

NOTE 5 – GROUP ANNUITY CONTRACT WITH EMPOWER ANNUITY INSURANCE COMPANY OF AMERICA

In 2023, the Plan entered into a traditional fully benefit-responsive investment contract with Empower Annuity Insurance Company of America (Empower) totaling $19,648 for 2025. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed on a quarterly basis for resetting. Empower may terminate the guaranteed investment contract prior to the scheduled maturity date if certain conditions are met, per the contract.

NOTE 5 – GROUP ANNUITY CONTRACT WITH EMPOWER ANNUITY INSURANCE COMPANY OF AMERICA (CONTINUED)

This contract meets the fully benefit-responsive investment contract criteria, and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer all or a portion of their investment at contract value. The minimum guaranteed de minimis pay-out amount is $20,000.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

If the Plan is terminated, Empower will pay the Plan sponsor the contractual account value in a lump sum as practicable, less any outstanding fees and charges. If the Plan sponsor terminates the contract for any reason other than a full plan termination, or if Empower terminates the contract, the Plan sponsor will chose from three contract termination options: 1) payment of the contractual account value either 12 or 36 months after the contract termination date, depending on conditions outlined in the contract; 2) payment of the contractual account value in 20 quarterly installments; or 3) any other termination option allowable under applicable law as mutually agreed upon in writing by Empower and the Plan sponsor.

As discussed in *Note 11 – Subsequent Events*, the Plan merged with the Crunchtime 401(k) Plan of Crunchtime Information Systems, Inc. on March 26, 2026. The transfer was done using contract value.

NOTE 6 – ROLLOVER CONTRIBUTIONS

A total of $15,108 was rolled into the Plan during the year ended December 31, 2025, and is included in rollovers on the statement of changes in net assets available for benefits.

NOTE 7 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Empower Annuity Insurance Company of America. Empower Annuity Insurance Company of America is the recordkeeper, as defined by the Plan.

Retirement Management Services, LLC is the third-party administrator, performing eligibility and employer contribution calculation services, as well as compliance testing for the Plan.

Transactions with these entities qualify as party-in-interest transactions.

Fees incurred by the Plan for the investment management services are included in administrative expenses and are allocated to participants' accounts. The Company pays directly any other fees related to the Plan's operations.

NOTE 8 – PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions. In June 2025, the Company merged with another entity, and on March 26, 2026, the Plan merged with its 401k plan. See *Note 11 – Subsequent Events* for additional information.

NOTE 9 – TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 22, 2021, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 11 – SUBSEQUENT EVENTS
