INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Realterm US, Inc. 401(k) Plan
Annapolis, MD

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Realterm US, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Realterm US, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Realterm US, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Realterm US, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if

there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Realterm US, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Realterm US, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the

responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of Realterm US, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document and amendments for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Realterm US, Inc. (the "Company"). Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company serves as the custodian of the Plan. Principal Life Insurance Company serves as the insurance carrier of the Plan, and Principal Global Investors Trust Company served as trustee and issuer of the collective investment trust funds in which the Plan invested during 2024. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Contributions

Contributions to the Plan include (i) salary reduction contributions authorized by participants, (ii) matching contributions made by the Company, (iii) discretionary contributions made by the Company; and (iv) participant rollovers from another qualified plan. Participants have the option to make both traditional and roth elective salary reduction contributions to the plan. Employees are eligible to enter the Plan on the first day of the month after the employee has completed one month of service.

Participants may elect to contribute a percentage or dollar amount of their compensation, to the Plan each year, subject to the limitations, as defined in the plan document. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

The Company makes matching contributions equal to 50% of employees' salary deferrals, up to $3,500 per employee ($3,000 for 2024). The Company may also make discretionary profit-sharing contributions. No discretionary profit-sharing contributions were made to the Plan during 2025 or 2024.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Contributions are subject to certain Internal Revenue Code (IRC) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's discretionary contributions and allocations of plan earnings, and is charged with an allocation of administrative expenses. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Investments

Participants may direct the investment of their contributions and any Company contributions and/or account balances into various investment options offered by the Plan and may change investments and transfer amounts between funds daily.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service.

Participant Loans

Participants may borrow from their fund accounts a maximum amount equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms range from one to five years or within a reasonable period of time that is longer than five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at prime plus 1%. Principal and interest are paid ratably through payroll deductions. If a participant terminates employment with the Company, the loan becomes due and payable in full immediately. If the loan is not repaid, it will automatically be treated as a distribution at the end of the quarter subsequent to the quarter in which the default occurs.

Forfeitures

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. The plan document permits the use of forfeitures to either reduce employer contributions or pay plan administrative expenses for the plan year. However, if a participant is reemployed and fulfills certain requirements, as defined in the plan document, the account will be reinstated. At December 31, 2025 and 2024, forfeited nonvested accounts totaled $0. During 2025, $7,211 of forfeitures were used to reduce employer contributions and $5,049 of forfeitures were used to reduce administrative expenses. During 2024, $9,596 of forfeitures were used to reduce employer contributions and $13,596 of forfeitures were used to reduce administrative expenses.

Payment of Benefits

On termination of service with the Company (including termination of service due to death, disability, or retirement), a participant may elect to receive an amount equal to the value of the vested interest in the participant’s account as either a lump-sum amount or in monthly, quarterly, or annual installments. Participants may also elect to roll over their accounts to another tax-deferred account or remain in the Plan until they are legally required to begin taking distributions. All vested account balances not exceeding $7,000 will be immediately distributed in a lump-sum payment. With the plan administrator's approval, participants may withdraw all or part of their participant deferral and rollover contributions in the event of financial hardship.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Plan Fees and Administrative Expenses

Each participant's account is charged with an annual participant asset charge. Additional expenses paid by the participant include distribution and loan request changes. The employer pays all other Plan expenses.

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Payment of Benefits

Benefit payments to participants are recorded upon distribution. There were no participants who elected to withdraw from the Plan, but had not yet been paid at December 31, 2025 and 2024.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for loan losses has been recorded as of December 31, 2025 and 2024. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Use of Accounting Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion on fair value measurements.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)
Any unrealized appreciation or depreciation, as well as realized gains or losses for the year, are reflected as net appreciation or depreciation in fair value as shown on the statements of changes in net assets available for benefits. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis.

Subsequent Events
The Plan has evaluated subsequent events through October 2, 2026, which is the date the financial statements were available to be issued. See Note 11.

NOTE 3 - INVESTMENTS

All investment information disclosed in the accompanying financial statements and supplemental Schedule of Assets (Held at End of Year) including investments held and notes receivable from participants at December 31, 2025 and 2024, and net appreciation or depreciation in fair value of investments, dividends, and interest income on notes receivable from participants for the years ended December 31, 2025 and 2024, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the custodian of the Plan.

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

- Level 1 - Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

- Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are inactive; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

- Level 3 - Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

Registered Investment Company Shares
Valued at the daily closing price as reported by the fund. Registered investment company shares held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trusts
Valued at the net asset value of units of a collective trust. The net asset value as provided by the issuer is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily deny withdrawal from the trust in order to confirm that securities liquidations will be carried out in an orderly business manner.

Pooled Separate Accounts
The net asset value as provided by the insurance carrier is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the funds less its liabilities.

The following presents by level, within the fair value hierarchy, the Plan assets at fair value, as of December 31, 2025 and 2024.

	Assets at Fair Value as of December 31, 2025		
	Level 1	Measured at NAV	Total
Mutual funds	$29,418,187	$ -	$29,418,187
Pooled separate accounts[1]	-	1,328,053	1,328,053
	$29,418,187	$1,328,053	$30,746,240

	Assets at Fair Value as of December 31, 2024		
	Level 1	Measured at NAV	Total
Mutual funds	$10,586,082	$ -	$10,586,082
Collective investment trusts[1]	-	12,015,137	12,015,137
Pooled separate accounts[1]	-	1,218,118	1,218,118
	$10,586,082	$13,233,255	$23,819,337

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

1 *In accordance with ASC 820, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this total are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.*

The following table sets forth additional disclosures of the Plan's investments whose fair values are estimated using net asset value per share (or its equivalent) as of December 31, 2025 and 2024:

	December 31, 2025			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	$1,328,053	None	Daily	None

	December 31, 2024			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Collective investment trusts	$12,015,137	None	Daily	None
Pooled separate accounts	$1,218,118	None	Daily	None

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

A portion of the Plan's assets are held in a fully benefit-responsive group annuity investment contract (the "GIC") with Principal Life Insurance Company. The GIC is included in the financial statements at contract value. Contract value represents contributions made under the contract, plus income earned, less funds used to pay benefits to participants and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Amounts invested in the GIC may be subject to certain restrictions if the contract is terminated. Principal Life Insurance Company has control of the assets held under the GIC. The value of the GIC is subject to the financial stability of Principal Life Insurance Company. There are no reserves against contract value for credit risk of the contract issuer or otherwise. If the Plan exercises a termination option available under the GIC, a surrender charge would apply, and participant transactions would no longer be at contract value. Plan management does not intend to terminate the contract. Principal Life Insurance Company may not terminate the contract at any amount less than the contract value.

Principal Life Insurance Company is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate of the GIC is reset quarterly as determined by Principal Life Insurance Company. The rate that is credited to participant accounts will be the greater of the actual crediting rate or a minimum 1.5% floor rate.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across all participant-directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments. As of December 31, 2025 and 2024, approximately 19% and 18% of the plan's net assets were invested in Vanguard 500 Index, respectively.

NOTE 7 - TAX STATUS

The Plan has adopted a pre-approved plan document sponsored by Prime Benefits, Inc. Prime Benefits, Inc. received a favorable opinion letter for the plan document from the IRS dated June 30, 2020. The Plan was amended and restated in July 2022 with an effective date of January 1, 2021 to comply with the latest IRS legislation and regulations. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and therefore, believe that the Plan is qualified.

Accounting principles generally accepted in the United States require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE 8 - RELATED-PARTY TRANSACTIONS

Certain Plan investments are managed by Principal Trust Company or its affiliates, including Principal Life Insurance Company. Principal Trust Company serves as the Plan's custodian, and Principal Life Insurance Company serves as the insurance carrier, as defined by the Plan. Therefore, transactions involving these entities qualify as exempt party-in-interest transactions under ERISA.

NOTE 8 - RELATED-PARTY TRANSACTIONS (CONTINUED)

Fees paid by the Plan for investment management services are reflected as a reduction of investment returns and are not separately reported.

Additionally, the Plan permits participant loans, which are secured by the vested balances in the participants' accounts. These loans qualify as party-in-interest transactions and are exempt under ERISA regulations.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Income, expenses, net assets, and changes in net assets per Schedule H of Form 5500 for 2025 and 2024 agree to the audited financial statements of the Plan.

NOTE 10 - DELINQUENT REMITTANCES OF PARTICIPANT CONTRIBUTIONS

During the years ended December 31, 2025 and 2024, all employee contributions were remitted on a timely basis.

NOTE 11 - SUBSEQUENT EVENT

Effective September 1, 2026, the Plan changed custodians from Principal Trust Company to Merrill Lynch, and the Plan sponsor executed a new adoption agreement with Merrill Lynch. The change in custodian did not result in any changes to the provisions of the Plan.
