Plan Administrative Committee and Participants of the
Capstone Real Estate Services, Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Capstone Real Estate Services, Inc. Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CAPSTONE REAL ESTATE SERVICES, INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE A - DESCRIPTION OF PLAN

The following description of the Capstone Real Estate Services, Inc. (the Company) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established effective January 1, 1993. Effective January 1, 1997, the Company elected to become a participant in the Pension Investors Corporation Prototype Plan under Adoption Agreement #004 Standardized Code 401(k) Plan (Paired Profit Sharing Plan). Effective January 1, 2022 the Plan adopted the Standard Retirement Services, Inc. Non-Standardized Defined Contribution Pre-Approved Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees that have completed two months of service are eligible to participate. Plan entry dates are April 1 and October 1.

Contributions

For the 2025 and 2024 plan years, participants could contribute an amount equal to not less than 1 percent nor more than 100 percent of compensation up to the IRS maximum deferral allowed. The Company may also make matching and discretionary non-elective contributions. There were no such company contributions for 2025 or 2024.

Participants direct the investment of contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of the Company's contribution and plan earnings. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A - DESCRIPTION OF PLAN - Continued

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. The balance of vesting in the participants' accounts is based on years of service. A participant becomes 20 percent vested after two years of service, 40 percent vested after three years of service, 60 percent vested after four years of service, 80 percent vested after five years of service, and 100 percent vested after six years of service. However, if an active participant dies prior to attaining the normal retirement age, the participant's estate becomes 100 percent vested.

Payment of Benefits

Upon termination of service, a participant may elect to receive benefits in one of the following ways: lump sum payment or periodic installments over a fixed reasonable period of time. All distributions are subject to the applicable provisions of the plan document.

Administrative Expenses

Generally, all plan expenses are paid by participants of the Plan or by the Plan, itself. The Plan Sponsor may, at its discretion, pay any such expenses.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

Method of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States requires the Plan's management to use estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Contributions

Employee contributions are recorded in the period during which the Company makes payroll deductions from the participants' earnings. Matching company contributions, if any, are recorded in the same period.

Benefits

Benefit claims are recorded as expenses when they have been approved for payment and paid by the Plan.

NOTE B - SUMMARY OF ACCOUNTING POLICIES - Continued

Fair Value Measurements

The Plan follows Accounting Standard Codification (ASC) 820, issued by the Financial Accounting Standards Board (FASB). That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in active markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value:

Pooled separate accounts: Valued at net asset value (NAV) of shares held at the end of the year and considered to be within Level 2 of the fair value hierarchy.

NOTE B - SUMMARY OF ACCOUNTING POLICIES - Continued

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2025 excess contributions to the applicable participants prior to March 15, 2026.

Subsequent Events

Management of the Plan has evaluated subsequent events for disclosure through the date of the Independent Auditors' Report, the date the financial statements were available to be issued.

NOTE C - CERTIFIED FINANCIAL INFORMATION (UNAUDITED)

As permitted by the rules and regulations of the Department of Labor with respect to reporting and disclosure under ERISA, Standard Insurance Company has certified to the Plan Administrator that all investments (stated at fair value or contract value) and participant loans, together with all other transactions which affect those assets, are complete and accurate.

The Plan's investments and participant loans are held by the custodian, Standard Insurance Company. Investments are presented at fair value as determined by quoted market or contract prices as determined by the custodian. The Plan's assets and related transactions certified by the custodian as of and for the years ended December 31, 2025 and 2024, are summarized as follows:

	2025	2024
Investments at fair value		
Pooled separate accounts	$ 5,815,229	$ 5,687,172
Investments at contract value		
Stable asset fund	1,223,503	1,186,854
Participant loans	134,344	150,007
Total assets	$ 7,173,076	$ 7,024,033

	2025	2024
Investment income (loss)		
Net gain (loss) on pooled separate accounts	$ 777,369	$ 793,608
Interest on stable asset fund	2,470	1,635
Interest on participant loans	10,805	10,447
Total investment income (loss)	$ 790,644	$ 805,690

NOTE D - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has entered into a guaranteed interest contract with the custodian. The custodian maintains an unallocated fund to which it adds interest. Withdrawals are permitted at any time without penalty and the contract has been determined to be fully benefit responsive as defined in FASB ASC 962. The investment is reported at contract value on the Statement of Net Assets Available for Benefits.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (c) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

NOTE E - PARTICIPANT LOANS

Under the terms of the Plan, participants may borrow from their accounts up to the lesser of $50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to/from the investment fund from/to the Participant Loans Fund. A loan is secured by the balance in the participant's account and bears interest at a rate commensurate with market rates for similar loans.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

NOTE G - PARTY-IN-INTEREST TRANSACTIONS

During the years ended December 31, 2025 and 2024, the Plan paid various service providers administrative, accounting, and consulting fees of $22,801 and $8,870, respectively.

NOTE H - INCOME TAXES

The Company has adopted the Standard Retirement Services, Inc. Non-Standardized Defined Contribution Pre-Approved Plan which has been determined by the Internal Revenue Service to be in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has received an opinion letter from the Internal Revenue Service as to the prototype plan's qualified status dated June 30, 2020. The Plan's administrator believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE I - FORFEITURES

Forfeitures result from nonvested benefit payments remaining in the Plan for terminated employees. Upon reaching the break-in-service, as defined in the plan document, forfeitures generated are added to the forfeiture reserve balance. The forfeiture reserve of $6,655 at December 31, 2025, and $7,219 at December 31, 2024, is available to offset company contributions or to pay plan expenses, which would be otherwise payable by the Company, in accordance with the plan document. The Plan used $15,248 and $750 in forfeitures during 2025 and 2024, respectively.

NOTE J - RECONCILIATION OF PLAN FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:
