Apps Associates LLC 401(k) Plan

Financial Statements and Supplemental Schedule
Including Independent Auditors' Report

December 31, 2025 and 2024

PKF O'CONNOR DAVIES
ACCOUNTANTS AND ADVISORS

Independent Auditors' Report

To the Plan Administrator and Participants of
Apps Associates LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Apps Associates LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Apps Associates LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

Opinion (Continued)

- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Apps Associates LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Apps Associates LLC 401(k) Plan’s ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Apps Associates LLC 401(k) Plan’s internal control. Accordingly, no such opinion is expressed.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Apps Associates LLC 401(k) Plan’s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Apps Associates LLC 401(k) Plan
Notes to Financial Statements
December 31, 2025 and 2024

1. Description of Plan

Apps Associates LLC (the "Employer") established the Apps Associates LLC 401(k) Plan (the "Plan") on January 1, 2005, as restated on September 8, 2021. The following description of the Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering all employees of the Employer, who have attained 21 years of age ("Participants"), except for employees covered by a collective bargaining agreement and nonresident aliens who do not receive any earned income from the Employer which constitutes United States sourced income, as defined in the plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). All investments are participant-directed. The investment committee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Fidelity Management Trust Company ("FMTC" or the "Custodian") provides asset custodian services. Fidelity Workplace Services, LLC ("FWS" or the "Recordkeeper"), an affiliate of FMTC, provides recordkeeping services and executes investment transactions. Fidelity Investments, an affiliate of FMTC, manages the investments in the Plan.

b. Plan Administration

The Employer is the plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan. Individual participant accounts may be charged directly for administrative expenses, if not paid by the Employer. Individual participant accounts are charged directly for loan recordkeeping, if applicable.

c. Contributions

Each year, Participants may contribute pre-tax or Roth amounts up to 75 percent of their eligible compensation, as defined in the plan document, up to the maximum limits of the Internal Revenue Code ("IRC"). Participants also may contribute after-tax contributions to their account. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("Rollover").

1. Description of Plan (Continued)

c. Contributions (Continued)

The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled Participants have their deferral rate set at 3 percent of eligible compensation and their contributions invested in the Default Model Portfolio based on the Participants' expected retirement date until changed by the Participant.

The Employer may contribute a discretionary match of 100 percent of each Participant's elective deferral not exceeding 3 percent of the Participant's eligible compensation, plus an additional 50 percent of the Participant's elective deferrals in excess of 2 percent but not in excess of 4 percent of the Participant's eligible compensation. Contributions are subject to certain IRC limitations. For the year ended December 31, 2025, the Employer made employer matching contributions of $1,917,999 of which $79,059 was funded through forfeitures.

d. Participant Accounts

Each Participant's account is credited with the Participant's contributions, Employer matching contributions, and an allocation of the Plan’s earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on Participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account.

e. Vesting

Participants are vested immediately in their participant and rollover contributions, and any previous safe harbor matching contributions previously received plus actual earnings thereon. Upon termination due to death, disability, or attainment of retirement age, a Participant is fully vested in all of their accounts. Employer contributions are subject to the following vesting schedules.

1. Description of Plan (Continued)

e. Vesting (Continued)

Years of Service	Participants employed on 12/31/2019	Participants employed on or after 1/1/2020	Participants previously employed by Smart Dog or Ethos
0 years	0%	0%	100%
1 year	20%	20%	
2 years	40%	40%	
3 years	100%	60%	
4 years		80%	
5 years		100%	

f. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. Participants may only borrow from their pre-tax deferral or Roth 401(k) deferral accounts. A Participant may only have one loan outstanding at a time. The loans are secured by the balance in the Participant's account. The loan interest rate, determined daily, is set at 1 percent above the Wall Street Journal prime rate, as defined. Principal and interest are paid ratably through payroll deductions. Terms range up to five years or greater for the purchase of a primary residence. Loans to Participants are reported as notes receivable from participants at the unpaid principal balance plus any accrued but unpaid interest.

Interest rates for outstanding loans range from 4.25% to 9.50% at December 31, 2025 and 2024 and mature at various dates through November 2038.

g. Payments of Benefits

On termination of service due to death, disability, termination, retirement, or other reasons, a Participant may elect to receive a lump sum amount equal to the full or partial value of the Participant's vested interest in his or her account. The payment can either be a cash distribution to the Participant or a tax free rollover to an individual retirement account or another qualified plan. If a Participant's vested account is more than $1,000 but less than $7,000, the plan administrator, after notification, may distribute the benefit into an individual retirement account. If the vested account balance is less than $1,000, the plan administrator, after notification, may distribute the account balance to the Participant.

1. Description of Plan (Continued)

g. Payments of Benefits (Continued)

In-service withdrawals from a Participant's account are permitted from Participant contributions, rollover accounts, due to financial hardship or upon reaching 59 1/2. In-service withdrawals upon reaching 59 1/2 are allowed from all Participant's vested accounts. Hardship withdrawals may be taken from the Participant's elective deferral account, and the vested portion of the employer matching contribution account.

h. Forfeited Accounts

A Participant who leaves the employment of the Employer forfeits any non-vested balance. At December 31, 2025 and 2024, forfeited nonvested accounts totaled $331,735 and $209,066, respectively. Forfeited balances of terminated Participants' accounts are used first to pay administrative expenses and then to reduce all Employer contributions in the year of forfeiture. During 2025, employer contributions were reduced by $79,059 and plan administrative expenses were reduced by $1,500, from forfeited nonvested accounts, in accordance with the Plan's provisions.

i. Revenue Sharing Agreement

The Employer has a revenue sharing arrangement with FMTC that provides for a quarterly allocation to eligible Participants, as defined in the service agreement. For the year ending December 31, 2025, the Plan received $32,609 of revenue credits which were utilized to fund Participant fees. These revenue credits are fully allocated to Participants at December 31, 2025.

2. Summary of Accounting Policies

a. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

2. Summary of Accounting Policies (Continued)

b. Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company, as applicable. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d. Notes Receivable from Participants

Notes receivable from Participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. Related fees are recorded as administrative fees and expensed when incurred. If a Participant ceases to make loan repayments and the plan administrator deems the loan to be in default, the Participant loan balance is reduced, and a benefit payment is recorded as soon as a distributable event occurs.

e. Payments of Benefits

Benefits are recorded when paid.

2. Summary of Accounting Policies (Continued)

f. Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from Participants are charged directly to the Participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

g. Subsequent Events

Subsequent events were evaluated through October 2, 2026, the date the financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation technique are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 - Inputs to the valuation technique include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation technique are unobservable and significant to the fair value measurement.

3. Fair Value Measurements (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price.

Collective investment fund: Valued at the net asset value ("NAV") of units in the collective trust. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Participants do not have beneficial ownership in the specific underlying securities or other assets in the fund, but do have an interest therein represented by units which are valued daily. The fund earns dividends and interest therein represented by units which are valued daily and are automatically reinvested in additional units. Generally, contributions to and withdrawals from the fund are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the Participants' accounts are charged or credited with the number of units properly attributable to each Participant. The collective investment fund has no unfunded commitments or redemption restrictions at December 31, 2025 and 2024 and redemption frequency is daily. Pursuant to U.S. GAAP guidance, alternate investments where fair value is measured using NAV per share as a practical expedient is not categorized within the fair value hierarchy.

3. Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

Assets at Fair Value as of December 31, 2025	Level 1	Level 2	Level 3	Total
Mutual funds	$ 66,580,404	$ -	$ -	$ 66,580,404
Total assets in the fair value hierarchy	66,580,404	-	-	66,580,404
Investments measured at net asset value	-	-	-	939,268
Total investments at fair value	$ 66,580,404	$ -	$ -	$ 67,519,672

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

Assets at Fair Value as of December 31, 2024	Level 1	Level 2	Level 3	Total
Mutual funds	$ 56,430,233	$ -	$ -	$ 56,430,233
Total assets in the fair value hierarchy	56,430,233	-	-	56,430,233
Investments measured at net asset value	-	-	-	601,400
Total investments at fair value	$ 56,430,233	$ -	$ -	$ 57,031,633

4. Information Certified by Custodian (Unaudited)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, the Custodian of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024, and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2025, and net appreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025.

5. Related-Party and Party In Interest Transactions

Certain Plan investments are managed by the Custodian, and therefore, these transactions qualify as party in interest transactions. Plan investments include funds that are managed by an affiliate of FMTC. Therefore, these transactions qualify as exempt party-in-interest transactions. Administrative fees of $33,970 were paid to FMTC during 2025. Administrative fees of $147,135 were paid to iCapital, LLC, the Employer's investment advisor, during 2025. Additionally, the Plan issues loans to Participants, which are secured by the Participant's account balances. These transactions qualify as party in interest transactions.

6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of such termination, Participants will become fully vested in their accounts. Any unallocated assets of the Plan will be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

7. Tax Status

The underlying volume submitter profit sharing plan has received its latest opinion letter from the IRS, dated June 30, 2020, stating that the form of the plan is qualified under section 401(a) of the IRC and that the plan, as then designed, was in compliance with the applicable requirements of the IRC. Any employer adopting this form of the plan will be considered to have a plan qualified under section 401(a) of the IRC. The Plan has been amended since receiving the opinion letter; however, the plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified and the related trust is tax-exempt as of the date of this report.

7. Tax Status (Continued)

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. It is the Plan's policy to account for any uncertainties as described under the income tax laws. Under the income tax laws, the tax-exempt status of the Plan is considered to be a tax position. No such uncertain tax positions have been recognized by the Plan.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for the years prior to 2022.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect Participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
