FELDCO 401(K) PLAN

AUDIT REPORT
December 31, 2025 and 2024

INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor of the Feldco 401k Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Feldco 401k Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year following the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year), as of and for the year ended December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Feldco 401(k) Plan

Notes to the Financial Statements
As of December 31, 2025 and 2024, and for the Year Ended December 31, 2025

NOTE 1 – PLAN DESCRIPTION

The following description of the Feldco 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement or the summary plan description for a more complete description of the Plan's provisions.

A. GENERAL

The Plan is a profit sharing and defined contribution plan under the provisions of Section 401(a) of the United States Internal Revenue Code (the IRC), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company and any adopting participating employers. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as well as certain provisions of the federal income tax laws.

The Plan covers all employees of Feldco Factory Direct, LLC, Feldco Factory Direct National, LLC (a wholly owned subsidiary of Feldco Factory Direct, LLC), and Trio Management Inc. (a wholly-owned subsidiary of Feldco Factory Direct, LLC) (collectively the “Company”).

The Plan investments are administered and held in a trust by the Plan’s investment custodian, John Hancock Life Insurance Company (the “Investment Custodian”), which also serves as the recordkeeper of the Plan. The Plan administrator is responsible for overseeing and ensuring compliance with the Plan document. The Investment Custodian, recordkeeper and the Plan administrator are appointed by the Company.

B. ELIGIBILITY

All employees are eligible to participate in the Plan who meet the eligibility requirements, except those individuals classified as union employees, non-resident employees, or Puerto Rico employees. Eligibility requirements are 60 days of service with no age requirement. Employees can enter the Plan on the first day of the calendar month, coincident with or next following the date the requirements are met.

C. CONTRIBUTIONS

Under the Plan, participants are allowed to defer a portion of their compensation under a salary reduction agreement. Elective deferrals may be made in any amount between one percent and ninety percent of eligible compensation up to applicable ERISA contribution limits for the year. “Compensation” is defined as a participant’s W-2 earnings. Participants may change elective deferral elections on the first day of each month of the Plan year.

Automatic enrollment starts at six percent of eligible compensation and increases by one percent each year, up to twelve percent. Contributions from Plan participants are recorded in the year in which the employee contributions are withheld from compensation. Employees that do not wish to participate must actively opt out of the Plan.

The Company makes contributions to the Plan equal to a discretionary percentage on behalf of eligible participants that are employed at the end of the Plan year and meet the minimum hours requirement. For the year ended December 31, 2025, the discretionary match was 60% of employee contributions up to 4% of their total wage with a maximum of $3,000. For the year ended December 31, 2024, the discretionary match totaled 6% of an employee’s contribution during the year. The employer match is determined and paid subsequent to year-end.

NOTE 1 – PLAN DESCRIPTION – (CONTINUED) –

C. CONTRIBUTIONS – CONTINUED –

A Plan participant may make a transfer to the Plan of a benefit from a qualified retirement plan of another employer, referred to as a rollover with certain restrictions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

D. PARTICIPANT ACCOUNTS

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan administrator establishes and maintains a separate account for each participant, which is credited with rollover and voluntary contributions the participants make, Company contributions, and Plan earnings, gains, losses and expenses. Income earned and net appreciation or depreciation on Plan investments, for a given investment, are allocated in proportion to the participant's account balances in that fund. A participant is entitled to the amount in his or her vested Plan account.

E. NOTES RECEIVABLE FROM PARTICIPANTS

The Plan includes a provision allowing eligible participants to borrow from their accounts at a minimum of $1,000, and up to a maximum equal to the lesser of $50,000, or 50% of their vested account balance. Loan terms range from one to five years. The loans are repaid, with interest, through equal payroll deductions. The interest rate charged on loans is based on a rate determined by the Plan Administrator. Participants may not have more than one loan outstanding at any time.

F. VESTING

Employees are 100% vested in their voluntary contributions or rollover contributions made to the Plan. In the case of the employer's discretionary contributions, the Plan uses a graduated scale for vesting:

Full Years of	Vested Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

A participant becomes fully vested upon attainment of normal retirement age while an employee, death while an employee, or upon suffering a disability while an employee. Vesting years are subject to a minimum hours requirement.

G. PAYMENT OF BENEFITS

On termination of service due to death, disability, retirement, or other reasons, a participant is entitled to receive the value of his or her vested account balance. Distributions may also be elected upon attainment of age 59½ or in the case of financial hardship, as defined by the Plan agreement.

The Plan defines normal retirement age as 65. At the normal retirement date, or upon earlier termination of service, disability, or death, a participant (or the participant's beneficiary) is entitled to 100% of the vested account balance.

NOTE 1 – PLAN DESCRIPTION – (CONTINUED) –

G. PAYMENT OF BENEFITS – CONTINUED –

Benefits are generally paid in a single lump sum; however, installment options may be available subject to Plan provisions and applicable IRS minimum distribution requirements. Spousal beneficiaries may elect a direct rollover to an IRA.

For participants with vested account balances of $200 or less, the Plan provides for an automatic cash distribution following termination of employment. If the vested balance exceeds $200 but does not exceed $5,000, the Plan provides for an automatic rollover to an IRA unless the participant elects otherwise. For balances greater than $5,000, participants may elect to receive benefits in the form of a lump sum or installments, as permitted under the Plan.

H. PLAN EXPENSES

Service, costs associated with the annual audit of the plan, and record-keeping and custodian fees are to be paid out of the Plan or by the Company. Administrative expenses that are to be paid from the Plan are first paid from forfeitures, if any, and any remaining amounts are paid from the Plan's trust funds and allocated to all participants on a pro rata basis. Certain expenses relating to the administration of the Plan have been paid by the Company and are not significant to the operation of the Plan.

I. PLAN TERMINATION

The Company reserves the right to alter, amend, or terminate the Plan. In the event of Plan termination, each participant will become one hundred percent vested in their account balance, and participants will be entitled to a full distribution of their account balance. Presently, there is no intention on the part of the Company to terminate the Plan.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. FINANCIAL REPORTING FRAMEWORK

The accompanying financial statements are prepared according to accounting principles generally accepted in the United States of America ("GAAP"), as promulgated by the Financial Accounting Standards Board ("FASB") in the Accounting Standards Codification ("ASC").

B. BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual basis of accounting.

C. ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

E. CONTRIBUTIONS

Contributions from Plan participants and employer contributions, if any, are recorded in the year in which the participant contributions are withheld from compensation.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (CONTINUED) –

D. INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for a discussion of fair value measurements.

Investment (loss) income is recorded when earned, on the accrual basis, and allocated to each participant's account daily based on the number of shares held in each participant account. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

F. NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are valued at cost, which approximates fair value. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document and applicable provisions of the Internal Revenue Code ("IRC").

Management evaluates the collectability of participant loans and considers factors such as repayment history, loan default experience and the nature of the loans, which are secured by the participants' vested account balances. As participant loans are collateralized by the borrowers' vested account balances and any unpaid balances are generally treated as deemed distributions in accordance with Plan provision and applicable tax regulations, management has determined that no allowance for credit losses is necessary as of December 31, 2025 and 2024.

G. PAYMENT OF BENEFITS

Benefit payments to participants or beneficiaries are recorded when paid.

H. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks including but not limited to, interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the Statement of Net Assets Available for Benefits.

I. SUBSEQUENT EVENTS

Effective September 1, 2026, the Plan assumed the sponsorship and administrative responsibilities of another defined contribution plan in connection with a plan merger. The eligibility, participation, and vesting provisions applicable to participants of the merged plan remained unchanged as a result of the merger. Participants of the merged plan may continue to make changes to their elective deferral contributions in accordance with the provisions of the Plan.

The Plan evaluated for other subsequent events through October 7, 2026, which is the financial statement issuance date. All items which are required for disclosure have been included in the accompanying financial statements and notes thereto.

NOTE 3 – FORFEITED ACCOUNTS

As of December 31, 2025 and 2024, forfeited, non-vested accounts totaled $3,415 and $4,515, respectively. In accordance with plan provisions, these funds will be used to reduce future employer profit-sharing contributions and for payment of recordkeeping fees. Approximately, $4,556 of forfeitures was used to pay certain administrative expenses in the plan year ended December 31, 2025.

NOTE 4 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The Plan's investments are held in a trust fund administered by the Investment Custodian, the trustee of the Plan. The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the custodian:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2025.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5 – TAX STATUS

The Plan has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with applicable requirements of the Internal Revenue Code ("IRC"). The plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not, based on the technical merits, would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the statute of limitations for the IRS to assess taxes on a plan expires three years from the due date of the return or the date on which it was filed, whichever is later.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

As of December 31, 2025 and 2024, Plan investments consisted of mutual funds managed by John Hancock, the trustee and record-keeper of the Plan. These transactions qualify as party-in-interest transactions. Also, the Plan has notes receivable from participants that qualify as party-in-interest transactions. The total of these investments was approximately $309,361 and $435,903, as of December 31, 2025 and 2024, respectively. The total of the notes receivable from participants were $356,711 and $321,747 as of December 31, 2025 and 2024, respectively.

NOTE 7 – FAIR VALUE MEASUREMENTS

FASB ASC 820, Fair Value Measurements, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement).

In accordance with the framework, the Plan groups assets and liabilities measured at fair value into three levels based on the markets in which the assets and liabilities are traded and the reliability of the assumptions used to determine fair value. These levels are described as follows:

> Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
>
> Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
>
> Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuations techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

- *Pooled Separate Accounts:* separate accounts are valued at their "accumulation unit value" (AUV). The separate account is valued daily as the number of accumulation units held multiplied by the AUV. The AUV is determined daily based on the net asset value of shares of the underlying fund, the fund's dividends, and the Plan's contract account charges. Since the AUV is determined based on a combination of the fund NAV and the separate account charges, Level 2 was deemed the proper classification.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 7 – FAIR VALUE MEASUREMENTS – (CONTINUED) –

The following table classifies the investments measured at fair value on a recurring basis by level within the fair value hierarchy as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	$ -	$ 17,750,342	$ -	$ 17,750,342
Total Investments	$ -	$ 17,750,342	$ -	$ 17,750,342

The following table classifies the investments measured at fair value by level within the fair value hierarchy as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	$ -	$ 15,409,950	$ -	$ 15,409,950
Total Investments	$ -	$ 15,409,950	$ -	$ 15,409,950
