INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Anita's Mexican Food 401(k) Plan
Los Angeles, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Anita's Mexican Food 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Anita's Mexican Food 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Anita's Mexican Food 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Anita's Mexican Food 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Anita's Mexican Food 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Anita's Mexican Food 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4i - Schedule of Assets (Held at End of Year) and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1. DESCRIPTION OF PLAN

The following description of the Anita's Mexican Food 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The qualified Plan, which was adopted on January 1, 2020, is a defined contribution plan covering all full-time employees of Anita's Mexican Foods Corp. (the "Plan Sponsor") who have completed three months of service and are age twenty-one or older. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA). The plan covers the following sponsors: Anita's Mexican Foods Corp., Old Pueblo Ranch, Inc., and Five Oaks Partners Services, LLC. The Plan Administrative Committee is responsible for selecting investment offerings and ensuring compliance with the Plan document. The trustee is Capital Bank and Trust Company, and the recordkeeper is Capital Group Retirement Plan Services. The Plan Sponsor serves as the plan administrator.

Contributions: Each year, participants may contribute a percentage of pretax, or Roth after-tax compensation as limited by the law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute (rollover) amounts representing pre-tax distributions from other qualified plans. The Plan includes automatic enrollment for each eligible participant at 5% of their annual compensation. All Plan Sponsor contributions to the Plan are determined at the discretion of the Plan Sponsor's board of directors at 20% of the first 5% of employee deferrals. Employer contributions reflected in the accompanying financial statements for the year ended December 31, 2025 amounted to $89,191 which includes a reclassification of $5,766 {See note 11 for additional details}.

Participant accounts: Each participant's account is credited with the participant's contribution and allocations of the Plan Sponsor's contributions and Plan earnings. Allocations may be determined proportionately based on participant earnings or account balances. Participants direct the investments of their contributions and the Plan Sponsor's matching contributions, if any, into various investment options offered by the Plan. The Plan currently offers various registered investment companies as investment options for participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are vested immediately in their contributions plus actual earnings or losses thereon. Vesting in the Plan Sponsor's contribution to the participants' accounts is based on years of continuous service. Upon retirement age, death, disablement or termination of the Plan by the Plan Sponsor, a participant becomes fully vested. A participant is vested based upon the participant years of service with the Plan Sponsor as follows:

Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Payment of benefits: The payment of benefits can be made upon service or disability retirement, termination of the Plan, death, termination of employment, or financial hardship. Upon termination of employment, a participant may withdraw his or her accumulated balances in the Plan. If a participant has reached the age of 59 ½, distributions may be made, at the participant's election, from any account which are 100% vested without requiring the participant to terminate employment. Only lump sum cash distributions are permitted. Upon termination, a participant with a vested account balance equal to or less than $5,000 will automatically receive a lump sum distribution. Hardship withdrawals are allowed from the participant's elective account for certain qualifying hardship circumstance. Additionally, participants may keep their account with the Plan or rollover the balance to another qualified retirement account..

NOTE 1. DESCRIPTION OF PLAN (Continued)

Forfeited accounts: As of December 31, 2025, and 2024, the forfeited nonvested accounts totaled $73,206 and $54,796, respectively. Forfeitures of nonvested accounts may first be used to pay any administrative expenses, and any remaining forfeitures will be used to reduce any Plan Sponsor contribution, of which $974 was used to pay administrative expenses during 2025.

Administrative expenses: Certain expenses of the Plan are paid by the Plan Sponsor and are excluded from these financial statements. Administrative expenses paid by the Plan totaled $26,598 for the year ended December 31, 2025.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting: The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates: The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition: The Plan's participant directed investments are reported at fair value as determined by the Trustee based on factors such as quoted market prices in active markets and prevailing interest rates. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contributions are invested in unaffiliated registered investment companies.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for its investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for applicable investments.

Payment of benefits: Distributions to the participants of the Plan are recorded when paid.

Subsequent events: The Plan has evaluated subsequent events through September 30, 2026, the date the financial statements were available to be issued.

NOTE 3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

NOTE 3. FAIR VALUE MEASUREMENTS (continued)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology are observable other than level 1 prices, such as quoted prices for similar assets and liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
Level 3	Inputs to the valuation measurement are unobservable, supported by the little or no market data, and are significant to the fair value of the assets and liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies of registered investment companies used at December 31, 2025.

Registered investment companies: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded and are considered Level 1 assets. The NAV is a quoted price in an active market.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	**Level 2**	**Level 3**	**Total**

NOTE 4. EXCESS CONTRIBUTIONS

Participants' contributions include $13,892 of excess contributions for the year ended December 31, 2024. The 2024 excess contributions were returned to the participants before March 15, 2025. The required excise form and penalties were filed and paid as a result. There were no excess participant contributions payable at December 31, 2025.

NOTE 5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are made available by Capital Bank and Trust Company, which is the Trustee and a party-in-interest as defined by ERISA. Fees incurred by the Plan for investment servicing are reflected in net appreciation in fair value of investments through revenue-sharing arrangements rather than direct payments by the Plan.

During the year ended December 31, 2025, the Plan made direct payments of $26,598 to service providers for recordkeeping, contract administration, and other Plan services. Of these payments, recordkeeping fees of approximately $23,784 paid in 2025 are considered party-in-interest transactions under ERISA. The Plan Sponsor pays directly any other fees related to the Plan's operations, other than investment management fees.

NOTE 6. CERTIFIED INVESTMENT INFORMATON

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Capital Bank and Trust Company (CB&T), the trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivables from participants reflected on the accompanying statements of net assets available for plan benefits as of December 31, 2025 and 2024, the supplemental Schedule, Schedule H, line 4i -- Schedule of Assets (Held at End of Year) as of December 31, 2025; and the related investment activity reflected in the statement of changes in net assets available for plan benefits for the year ended December 31, 2025.

Reclassification from Employer to Employee contributions	5,766

NOTE 8. TAX STATUS

The Plan document is a pre-approved prototype plan that received a favorable opinion letter from the IRS dated June 30, 2020, which stated that the Plan, as then designed, was in accordance with applicable sections of the IRC. Although the plan has been amended since receiving the favorable opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the federal or state tax authorities. The Plan's administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Plan Sponsor may determine.

NOTE 10. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 11. OPERATIONAL ERRORS

Plan management discovered an error during the transition to a new payroll company that occurred in 2024. An amount of $6,442 of employee contributions was previously identified as having been misclassified as employer contributions in 2024. During 2025, Plan management processed corrections related to the prior-year misclassification. The accompanying financial statements also reflect a reclassification of approximately $5,766 from employer contributions to participant contributions for the year ended December 31, 2025. The statement of changes in net assets available for benefits for the year ended December 31, 2025 reflects the prior-year presentation of the error.

NOTE 12. DELINQUENT PARTICIPANT CONTRIBUTIONS

In accordance with CFR 2510.3-102, participant contributions that have been withheld by an employer from a participant's wages for contribution to the Plan are required to be remitted to the Plan on the earliest date that they can reasonably be segregated from the employer's general assets, but in no event later than the 15th business day of the month following the month in which the participant contributions are withheld or received by the employer.

During the years ended December 31, 2025 and 2024, the Plan Sponsor failed to remit participant contributions totaling $19,024 and $13,478 in a timely manner. The 2024 delinquent participant contributions were remitted to the Plan in 2025. The 2025 delinquent participant contributions will be subsequently remitted to the Plan before the end of 2026. The late transmissions of participant contributions constitute prohibited transactions under ERISA Section 406, regardless of materiality.
