REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Benefits Plan Committee
Gannett Media Corp. 401(k) Savings Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit
We have performed audits of the financial statements of Gannett Media Corp. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Grant Thornton LLP is a U.S. member firm of Grant Thornton International Ltd (GTIL). GTIL and each of its member firms are separate legal entities and are not a worldwide partnership.

Basis for opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s responsibilities for the audit of the financial statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter – supplemental schedule required by ERISA
The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

General

The following description of the Gannett Media Corp. 401(k) Savings Plan (the "Plan") provides only general information about the Plan's provisions. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan sponsored by USA TODAY Media Corp. (the "Plan Sponsor"), formerly Gannett Media Corp., and subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

Generally, regular eligible full-time, part-time and temporary U.S. employees of a participating affiliate on USA TODAY Media Corp. payroll are eligible to participate in the Plan immediately. Participation will begin as soon as administratively practicable after enrollment in the Plan. Employees covered under collective bargaining agreements are eligible to participate in the Plan only if participation has been bargained.

Administration of Plan Assets

The assets of the Plan are held under a trust agreement with Fidelity Management Trust Company (the "Trustee"). Fidelity Workplace Services LLC ("Fidelity") serves as the record-keeper of the Plan and the broker/dealer of assets held in the brokerage window. The Gannett Benefit Plans Committee serves as the Plan administrator.

Contributions

A participant may generally contribute, on a pre-tax basis and/or as a Roth elective deferral, any whole percentage amount, up to 75 percent of compensation for a payroll period. Additionally, an eligible participant who has attained age 50 before the end of the plan year shall be eligible to make catch-up contributions. Contributions from participants are subject to Internal Revenue Service ("IRS") limitations. Participants may also contribute amounts representing distributions from other qualified plans and certain individual retirement accounts (rollovers).

All employer contributions shall be made in cash. The current matching formula is 25% of the first 4% of employee contributions. Generally, participants are 100% vested in employer matching contributions. Employer nonelective contributions are made only if required by a collective bargaining agreement.

Forfeitures

The non-vested portion of a participant's account is forfeited when certain terminations described in the Plan document occur. Forfeitures remain in the Plan and are used to reduce the employer's contributions to the Plan. As of December 31, 2025 and 2024, there were $0.1 million and $0.3 million of forfeitures included in the Plan assets, respectively. As permitted by the Plan, for the year ended December 31, 2025, $0.5 million of forfeitures were applied to offset employer contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution, the employer's contribution (if any) and the respective investment earnings or losses, less expenses, of the individual funds in which the account is invested. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account as described under Contributions above.

Notes Receivable from Participants

Under the terms of the Plan, participants generally may borrow from their accounts up to 50 percent of their vested account balance, with a minimum loan of $1,000, up to a maximum of $50,000. Participants may not have more than one loan from the Plan outstanding at any time. The loans are secured by the balance in the participants' accounts, and generally bear interest at the prime rate plus 1%. The term of a general purpose loan may not exceed five years and a loan for a primary residence may exceed 5 years. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis.

As described in the Plan document, defaulted loans are treated as income to participants in accordance with IRS regulations. The outstanding principal balance plus interest accrued through the date of default will be reported as a distribution. If a default results in a deemed distribution, the principal loan balance will remain outstanding.

Payment of Benefits

Upon termination of employment (including but not limited to termination by reason of retirement, disability or death), participants or their beneficiaries are generally eligible to receive their benefits in a lump sum, partial payments or installments. Active employees may take withdrawals of all or part of their vested account balances upon attainment of age 59½, and in certain other situations in accordance with specified restrictions. Limited hardship withdrawals are also available from certain accounts for active employees.

Plan Termination

Although the Plan Sponsor has not expressed any intent to amend, suspend, or terminate the Plan, it may do so at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts and Plan assets will be distributed in accordance with the Internal Revenue Code ("IRC") and ERISA.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting and in accordance with U.S. generally accepted accounting principles ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Risks and Uncertainties

The Plan invests in various investment securities which are exposed to various risks, such as interest rate risk, market risk and credit risk, as well as valuation assumptions based on earnings, cash flows, and/or other such techniques. Due to the level of risk associated with certain investment securities and to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would have been received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement dates, December 31, 2025 and December 31, 2024. See Note 6 - Fair Value Measurements for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is accrued on the ex-dividend date. Interest income on Plan investments is accrued when earned. Net appreciation or depreciation in the fair value of investments consists of the gains or losses on investments bought and sold as well as held during the year.

Administrative Expenses

Generally, administrative expenses are paid by participants.

Payment of Benefits

Benefits are recorded when paid.

Recently Issued Accounting Standards

New accounting pronouncements adopted

In December 2025, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2025-12, which is intended to clarify, correct, or improve the Accounting Standards Codification ("ASC") by addressing technical and interpretive matters and eliminating redundant, unnecessary, or superseded guidance within U.S. GAAP. The amendments include changes to defined contribution plan accounting guidance that remove the reference to an allowance for credit losses for participant loans. ASU 2025-12 is effective for interim periods beginning after December 15, 2026, with early adoption permitted. The Plan early adopted this guidance for the year ended December 31, 2025. The adoption of this guidance did not have a material impact on the Plan's financial statements.

NOTE 3 – INVESTMENTS AND INFORMATION CERTIFIED BY TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including the schedule of assets (held at end of year), investments at fair value and notes receivable from participants at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest, dividends, and interest income on notes receivable from participants for the year ended December 31, 2025 was obtained or derived from information provided to the Plan administrator. The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee of the Plan has certified that the information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules is complete and accurate.

NOTE 4 - TAX STATUS

The Plan has received a determination letter from the IRS dated May 19, 2022, stating that the Plan is qualified under Section 401(a) of the IRC and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt as of December 31, 2025.

U.S. GAAP requires the evaluation of uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - RELATED PARTIES

The Plan makes certain investments which are considered to be party-in-interest transactions for which a statutory exemption from the prohibited transaction regulation exists. The Plan owns investments sponsored by the Trustee and record-keeper, Fidelity. In addition, notes receivable from participants are considered to be party-in-interest transactions for which a statutory exemption from the prohibited transaction regulation exists.

NOTE 6 – FAIR VALUE MEASUREMENTS

The Plan measures and records certain assets and liabilities at fair value. A fair value measurement is determined based on market assumptions that a market participant would use in pricing an asset or liability. A three-tiered hierarchy draws distinctions between market participant assumptions based on (i) observable inputs such as quoted prices in active markets (Level 1), (ii) inputs other than quoted active markets that are observable either directly or indirectly (Level 2) and (iii)

unobservable inputs that require use of our own estimates and assumptions through present value and other valuation techniques in determination of fair value (Level 3).

Below is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective funds: Consist of commingled investments that are valued using NAV provided by the administrator of the underlying fund available daily to participants; the unit price is based on underlying investments which are traded on an active market. Investment transactions may occur daily and investments are redeemable at any time.

Self-directed brokerage accounts: Consist of actively traded mutual funds, which are valued using unadjusted quoted prices for identical assets from publicly available pricing sources. Also consists of individual equities and bonds that are not issued by USA TODAY Co., Inc., as well as cash and certificates of deposit.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:
