Independent Auditors' Report

To the Plan Administrator
Pennsylvania Dermatology 401(k) Plan
Birdsboro, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the financial statements of Pennsylvania Dermatology 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements (2025 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 Pennsylvania Dermatology 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025, and for the year ended December 31, 2025 stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section:

- The amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of Pennsylvania Dermatology 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pennsylvania Dermatology 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

To the Plan Administrator
Pennsylvania Dermatology 401(k) Plan
Birdsboro, Pennsylvania

Auditors' Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pennsylvania Dermatology 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pennsylvania Dermatology 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2025 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2024 Financial Statements

Predecessor auditors performed an audit of the 2024 financial statements of Pennsylvania Dermatology 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 11, 2025, indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedule, other than the information in the 2024 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2024 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Pennsylvania Dermatology 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a "safe-harbor" defined contribution plan for all eligible employees of the Company, as defined in the Plan document. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants could elect to defer up to 100% of their compensation up to the maximum contribution allowed by law, which is $23,500 in 2025. Certain eligible employees are allowed to make additional catch-up elective deferrals of up to $7,500 in 2025. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants may designate a percentage of after-tax compensation as Roth contributions. The Plan includes an auto-enrollment provision whereby newly hired employees are automatically enrolled in the plan 90 days after their eligibility date. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation.

The Company makes a safe harbor non-elective contribution equal to 100% of employee deferrals up to 4% of compensation. Additional profit-sharing amounts may be contributed at the discretion of the Company and are allocated based on compensation.

Participant Accounts

A separate investment account is maintained for each Plan participant. Participants may direct the investment of their accounts into various funds specified by the Plan. Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their own contributions and rollovers as well as safe harbor non-elective employer contributions plus actual earnings thereon.

Vesting in the Company's discretionary profit-sharing contributions and earnings is as follows:

NOTE A - DESCRIPTION OF THE PLAN (Continued)

Vesting (Continued)

Years of Service	Vesting Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Payment of Benefits

Participants are eligible to receive a distribution of the vested portion of their individual account balance upon the following:

- The occurrence of any of the distributable events specified in the Plan Document,
- The participant's termination of employment after attaining normal retirement age, or
- Termination of the Plan.

The normal retirement age under this Plan is 65.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. One loan per participant may be outstanding at any given time. Loans are due in full in the event of termination of employment, and unpaid loans may be re-characterized as deemed distributions in accordance with regulations. The loans are secured by the balance in the participant's account and bear interest using the prime rate (as specified in the Wall Street Journal) plus 2%. The interest rate on outstanding loans at December 31, 2025, ranged from 9.00% to 10.50%. Loans must be repaid by the participant within five years unless the loan is used to acquire a participant's primary residence. Loans used to acquire a primary residence may exceed five years. Principal and interest are paid ratably through payroll deductions.

Forfeitures

Employees who terminate employment and are not fully vested will forfeit the non-vested portion of their account balance to the Plan, as specified in the Plan Document. As of December 31, 2025 and 2024, there was $0 and $23 in forfeited non-vested accounts, respectively. The Plan allows forfeited contributions to be used to reduce administrative fees or as a supplement to future employer contributions. No forfeitures were used in 2025 to pay administrative expenses or to reduce employer contributions.

See the independent auditors' report.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

Plan Amendments

On December 29, 2022, the "Setting Every Community Up for Retirement Enhancement (SECURE) 2.0 Act" was signed into law in the United States. The Secure 2.0 Act is an expansion of the Secure Act passed during 2019. The Act includes several mandatory and optional provisions that will become effective across several years. The Secure 2.0 Act aims to expand retirement access, increase retirement savings, and simplify plan administration. Plans may choose to operationally implement the provisions of the Secure 2.0 Act, however plan administrators have until December 31, 2026 to officially amend the plan document to reflect the provisions adopted by the plan.

Effective January 1, 2023, the Plan was amended to include automatic enrollment provisions. Newly hired employees are automatically enrolled in the Plan 90 days after their eligibility date at a 3% elective deferral rate unless they elect otherwise.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, distribution of participants' accounts shall be in accordance with the Plan document.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Plan investments in mutual funds and the money market fund are stated at fair value. Shares of mutual funds and the money market fund are valued at quoted market prices. Net appreciation or depreciation of investments is reported on the statement of changes in net assets available for benefits and consists of realized gains and losses and the unrealized appreciation or depreciation of these investments. All underlying investment options are valued daily. The daily price is considered the selling price for transfers and withdrawals and is calculated each day the principal market is open and available to any participant in the Plan.

See the independent auditors' report.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of mutual funds and the money market fund shares are recorded at end of day net asset value. Dividends are recorded as of the record date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses, excluding transaction fees, are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

Date of Management's Review

Management has evaluated subsequent events through September 29, 2026, the date which the financial statements were available to be issued.

NOTE C - RELIANCE ON CUSTODIAN'S REPORT

The administrator of the Plan has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Under that section, no auditing procedures are required to be performed with respect to the investment information certified by the custodian of the Plan, Ascensus Trust Company, as of December 31, 2025 and 2024 and for the year ended December 31, 2025, other than comparing such information to that contained in the financial statements and supplemental schedule. The information certified by the custodian, which was relied upon in the preparation of these financial statements and schedules, includes:

See the independent auditors' report.

NOTE C - RELIANCE ON CUSTODIAN'S REPORT (Continued)

	2025	2024
Mutual funds and money market fund	$ 11,868,053	$ 7,902,528
Notes receivable from participants	96,246	13,471
Interest income from notes receivable from participants	4,817	*
Investment Income		
Interest and dividends	264,263	*
Net appreciation in fair value of mutual funds	1,426,148	*

*2024 investment income was not presented in the financial statements.

NOTE D - FAIR VALUE MEASUREMENTS

Professional accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels.

Level 1 inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. *Level 2* inputs are other than quoted prices that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument. *Level 3* inputs are unobservable inputs based on the Plan's assumptions used to measure assets and liabilities at fair value. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Assets of the Plan for which fair values are determined on a recurring basis are as follows:

	2025 Quoted Prices in Active Markets (Level 1)	2024 Quoted Prices in Active Markets (Level 1)
Mutual funds and money market fund	$ 11,868,053	$ 7,902,528

See the independent auditors' report.

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

Mutual funds and the money market fund have quoted prices for identical assets in active markets; therefore, the investments are measured at fair value using these readily available Level 1 inputs.

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE E - TAX STATUS

The Plan participates in a non-standardized pre-approved profit sharing plan with CODA sponsored by Ascensus LLC. The non-standardized pre-approved profit sharing plan with CODA obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter; however, the Plan administrator and the Plan's tax counsel believe that Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F - PARTY-IN-INTEREST TRANSACTIONS

The Plan issues loans to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party in interest transactions allowable under ERISA guidelines.

NOTE G - RISKS AND UNCERTAINTIES

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

See the independent auditors' report.

NOTE H - OPERATIONAL FAILURES

During the year, certain operational errors were identified in the administration of the Plan. Management has taken corrective action in accordance with applicable IRS and DOL guidance, including making any required participant corrections. Management believes the matters have been appropriately resolved and do not materially affect the Plan's financial statements.

See the independent auditors' report.
