INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Gulf Equipment Corporation 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the accompanying financial statements of the Gulf Equipment Corporation 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 of the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Supplementary Schedule Required by ERISA
The supplementary schedule of Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following description of the Gulf Equipment Corporation 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on January 1, 2000, and is a defined contribution plan for the employees of Gulf Equipment Corporation and its affiliates (the Company). To become eligible to participate in the Plan, an employee must be full-time, age 21 or older and have completed one year of service. The Plan was amended, effective January 1, 2018, for automatic enrollment at a 5% "default" contribution rate unless the participant elects not to participate in the Plan or unless a different contribution rate is chosen. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants are allowed to contribute up to the maximum allowed by law of pretax annual compensation, as defined by the Plan. Participants may also roll over amounts from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company annually contributes a safe harbor match to eligible participants equal to 100% of a participant's elective deferrals, which do not exceed 3% of the participant's compensation, plus 50% of the amount of the participant's elective deferrals, which exceeds 3% of the participant's compensation but does not exceed 5% of the participant's compensation. The Company, at the sole discretion of its Board, may also make a profit-sharing contribution to the Plan. No profit-sharing contributions were made in 2025 or 2024. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (1) the Company's contribution and (2) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant deferral contributions, compensation or account balances, as applicable and pursuant to the terms of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and the Company's safe harbor contribution, plus any earnings thereon. Vesting in the Company's discretionary, non-safe harbor matching contribution and profit-sharing contribution, plus any earnings thereon, is based upon the number of years of continuous service. A participant vests 20%, 40%, 60%, 80% and 100% after two, three, four, five and six years of credited service, respectively.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant (or the participant's beneficiary) may elect to receive an amount equal to the value of the participant's vested interest in either a lump-sum distribution or annual equal installments over a five-year period. For termination of service for any other reason, a participant is entitled to receive the value of the vested interest in a lump-sum distribution.

Participant Loans
Participant loans are not allowed.

Forfeited Accounts
As of December 31, 2025 and 2024, forfeited non-vested accounts totaled $26,407 and $25,792, respectively. Non-vested forfeited accounts may be used to offset future employer contributions or administrative expenses.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan have been prepared under the accrual basis of accounting.

Use of Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from these estimates.

Investment Valuation and Income Recognition
The Plan's investments are stated at fair value, except for the Mass Mutual SF Guaranteed, which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Because of the inherent uncertainties in estimating market value, it is reasonably possible that the estimates used will change within the near term. Contract value represents contributions plus credited interest, less participant withdrawals and fees. In the statement of changes in net assets available for benefits, the Plan presents the net appreciation in the fair value of its investments, which consists of the realized gains or losses on investments sold during the year and the unrealized appreciation on investments held at year-end.

The Plan administrator determines the Plan’s valuation policies utilizing information provided by the investment advisors, Empower Retirement, LLC, the trustee of the Plan, and the custodian of the group annuity contract (collectively referred to as the Certifying Entities).

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded on the accrual basis.

Payment of Benefits
Benefits are recorded when paid.

Administrative Expenses
Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of distributions to participants are charged directly to the participant’s account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events
Management has evaluated subsequent events through October 5, 2026, the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY CERTIFYING ENTITIES

All investment information regarding the Plan as of December 31, 2025 and 2024, and for the year ended December 31, 2025, included in the Plan's financial statements and supplementary schedule, was prepared by or derived from information provided by the Certifying Entities of the Plan and furnished to the Plan administrator. The Plan administrator has obtained certifications from the Certifying Entities that the following information is complete and accurate.

	2025	2024
NET ASSETS AVAILABLE FOR BENEFITS		
Investments at fair value	$ 17,074,694	$ 14,393,234
Investments at contract value	280,657	231,691
CHANGES IN NET ASSETS AVAILABLE FOR BENEFITS		
Net appreciation in fair value of investments	2,023,369	
Interest and dividends	580,675	

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 Observable inputs such as quoted prices in active markets;

Level 2 Inputs, other than quoted prices in active markets, which are observable either directly or indirectly; and

Level 3 Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table presents the Plan's investments at fair value, categorized by level within the fair value hierarchy, on a recurring basis at December 31:

	December 31, 2025			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual funds	$ 17,074,694	$ -	$ -	$ 17,074,694
Total investments at fair value	$ 17,074,694	$ -	$ -	$ 17,074,694

	December 31, 2024			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual funds	$ 14,393,234	$ -	$ -	$ 14,393,234
Total investments at fair value	$ 14,393,234	$ -	$ -	$ 14,393,234

Gains and losses (realized and unrealized) included in the statement of changes in net assets available for benefits for the year ended December 31, 2025 are reported in net appreciation in fair value of investments.

5. GROUP ANNUITY CONTRACT WITH MASS MUTUAL

The Plan maintains an investment in the Mass Mutual SF Guaranteed, which is a separate account insured by a general account guarantee to preserve principal and pay a stated rate of return. The general account guarantee protects the separate account from daily fluctuations in the bond market.

As described in Note 2, because the SF Guaranteed is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the SF Guaranteed. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1%. Such interest rates are reviewed on a semi-annual basis for resetting.

Certain events may limit the ability of the Plan to transact at contract value. Such events include the following: amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The SF Guaranteed does not permit Mass Mutual to terminate the agreement prior to the scheduled maturity date.

6. TAX STATUS

The Plan has adopted a prototype "standardized" plan, and the prototype sponsor has received an opinion letter dated June 30, 2020 from the Internal Revenue Service indicating that the Plan is a qualified plan meeting the requirements of applicable sections of the Internal Revenue Code (IRC). Accordingly, Plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

The Plan's custodian, Empower Retirement, LLC, receives compensation from the funds in connection with the Plan's investments in these funds. Transactions in such investments qualify as party-in-interest transactions and are exempt from the prohibited transaction rules. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing rather than a direct payment.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Company contributions.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	2025	2024
Net assets available for Plan benefits per financial statements	$ 17,355,351	$ 14,625,201
Less: corrective distribution payable	-	(155)
Net assets available for Plan benefits per Form 5500	$ 17,355,351	$ 14,625,046

The following is a reconciliation of total additions per the financial statements for the year ended December 31, 2025 to total income per the Form 5500:

Total change per the financial statements	$ 2,730,150
Change in corrective distribution payable	155
Net income per the 5500	$ 2,730,305
