INDEPENDENT AUDITOR'S REPORT

To The Plan Administrator of
Grande Associates Asset Accumulation Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Grande Associates Asset Accumulation Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GRANDE ASSOCIATES ASSET ACCUMULATION PLAN

NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2025 AND 2024, AND FOR THE YEAR ENDED DECEMBER 31, 2025

1. DESCRIPTION OF PLAN

The following description of Grande Associates Asset Accumulation Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General Information—The Plan is a defined contribution plan with an elective salary deferral (401(k)) provision and covers all full- and part-time employees who have one month of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective January 1, 2007, the Plan added a Roth 401(k) option.

Plan Operations—Grande Cheese Company (the "Company" or the "Plan Administrator") is the sponsor and administrator of the Plan. The recordkeeper of the plan, Empower Annuity Insurance Company of America ("EAICA") ("Recordkeeper"), is responsible for executing transactions and making disbursements. The trustee, and custodian of the Plan, EAICA and Empower Trust Company, LLC ("Empower", "Trustee", and "Custodian") are responsible for holding the assets of the Plan.

Contributions—Participants may contribute up to 75% of their pretax annual eligible earnings, as defined by the Plan, subject to certain IRS limitations ($23,500 for 2025 and $23,000 for 2024). Roth 401(k) contributions are in addition to any other voluntary after-tax contributions that were already allowed. Participants reaching age 50 before the end of the calendar year may contribute an additional $7,500 for 2025 and $7,500 for 2024. The Plan has an automatic enrollment feature at a starting rate of 5% (including an automatic 1% annual increase, which ceases when the participant is at a deferral rate of 15%). In addition, participants are allowed to make voluntary after-tax contributions into the Plan.

The Company matches 50% of the first 5% of a participant's deferral with no maximum. Annually, the Company may also make a discretionary contribution (profit sharing) at the election of the Company's board of directors. The profit-sharing contribution is allocated pro rata based on compensation to participants who are benefit eligible and employed on the last day of the year. For Plan year 2025 and 2024, the Company has agreed to make a profit-sharing contribution in the amounts of $2,143,792 and $2,115,820, respectively. Both amounts were paid in February of the following year.

Participants' Accounts—Each participant's account is credited with the participant's contribution, the employer matching contribution, an allocation of the employer's discretionary contribution, an allocation of Plan earnings (losses), and an allocation of forfeitures of terminated participants' nonvested accounts. The employer's discretionary contribution and forfeitures are allocated based on compensation. Plan earnings (losses) are allocated based upon the participant's share of investments, per investment category, held within the Plan.

Investments—Participants are permitted to direct the Trustee of the Plan, as to the investment of their individual account balances. The Plan Administrator provides several investment options, including mutual funds, self-directed broker accounts, and a guaranteed investment contract (GIC) to which the participants may direct their investments. Participants may change their investment options at any time.

Vesting—Participants are vested immediately in their contributions. Participants who entered the Plan prior to January 1, 2008, are automatically 100% vested in the matching contribution account. The vested portion of any participant's account attributable to employer discretionary contributions (profit sharing for all associates) and matching contributions (for those entering the Plan after January 1, 2008) shall be a percentage of the total of such amount credited to the participant's account determined on the basis of the participant's number of years of service. The vesting schedules for each type of contribution subject to vesting are as follows:

Years of Service	Profit-Sharing and Matching Percentage
Less than two	- %
Between two and three	50
Three or more	100

Payment of Benefits—Upon retirement, disability, death, or termination of employment, a participant may elect to have benefits distributed in one lump-sum or in installment payments subject to certain minimum distribution requirements. Effective May 1, 2010, installment payments are not allowed for distributions to beneficiaries.

Forfeited Accounts—At December 31, 2025 and 2024, forfeited nonvested accounts totaled $465,522 and $363,567, respectively. During the year ended December 31, 2025, all forfeitures were offset against funding of the Company match.

Notes Receivable from Participants—Participants may borrow from their accounts a minimum of $1,000 up to a maximum of $50,000 or 50% of their account balance, whichever is less. Loans are secured by an assignment of the participant's vested interest in the Plan and bear interest at a rate commensurate with local prevailing rates at the time funds are borrowed, as determined quarterly by the Plan Administrator. Principal and interest are paid ratably through payroll deductions or payment may be made directly to the Recordkeeper. Loan terms shall not exceed five years, unless the purpose of the loan is to purchase a principal residence. If the loan is to purchase a principal residence, the repayment period may be a reasonable period of time that exceeds five years. Participants may not have more than two loans outstanding at any time. As of December 31, 2025, participant loans have maturities through 2052 at interest rates ranging from 5.25% to 10.50%. As of December 31, 2024, participant loans have maturities through 2054 at interest rates ranging from 5.25% to 10.50%.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting—The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates—The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties—The Plan provides various investment options to its participants, including mutual funds, self-directed brokerage accounts, and a GIC. Investment securities, in general, are exposed to various risks, such as interest rate, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment Valuation and Income Recognition—The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the amount Plan participants would receive if they were to initiate permitted transactions under the terms of the Plan (see Note 8). See Note 7 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants—Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

Administrative Expenses—Management fees charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees are reflected as a reduction of investment return for such investments. Certain Plan transactions are paid by the Plan participants as a reduction to their account balances, and other expenses are paid by the Plan sponsor as provided in the Plan document.

Payment of Benefits—Benefit payments to participants are recorded upon distribution. There were no participants who elected to withdraw from the Plan, but had not yet been paid at December 31, 2025.

Excess Contributions Payable—The Plan is required to return contributions received during the Plan year in excess of the IRS limitations. Excess contributions of $28,995 were paid back in early 2026 for the 2025 plan year. Excess contributions of $23,286 we paid back in early 2025 for the 2024 plan year.

Subsequent Events—For the year ended December 31, 2025, subsequent events were evaluated through October 8, 2026, the date the financial statements were available to be issued.

3. CERTIFIED INVESTMENT INFORMATION

The following is a summary of the information regarding the Plan as of December 31, 2025 and 2024, and for the year ended December 31, 2025 included in the Plan's financial statements and supplemental schedule that was prepared by or derived from information prepared by EAICA and Empower Trust Company, trustee and custodians of the Plan, and furnished to the Plan Administrator. The Plan administrator has obtained certifications from the custodians that such information is complete and accurate.

	2025	2024
Statements of net assets available for benefits:

Total investments	$ 227,905,445	$ 205,632,492
Receivables:		
Notes receivable from participants	$ 3,638,633	$ 3,623,519
Statement of changes in net assets available for benefits:		
Net appreciation in fair value of investments	$ 28,857,148	
Interest and dividends	2,904,381	

Supplemental Schedule: All investment balances and information included in the supplemental schedule of assets (held at end of year).

4. TAX STATUS

The Plan uses a prototype plan document sponsored by Empower Retirement, LLC. Empower Retirement, LLC received an opinion letter from the IRS dated September 16, 2022, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

5. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of SDBAs and shares of a GIC managed by Empower Annuity Insurance Company of America in 2025 and in 2024. These transactions qualify as exempt party-in-interest transactions. The Plan also allows participants to take loans against their account balances, which also qualifies as an exempt party-in-interest transaction. Fees paid for investment management services were included as a reduction of the return earned on each fund.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be 100% vested in their accounts.

7. FAIR VALUE MEASUREMENTS

The Plan classifies and discloses the fair value of assets and liabilities under Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, which establishes a framework for measuring fair value and that framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Considerable judgment may be required in interpreting market data used to develop the estimates of fair value. The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2—Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

A summary of the Plan's investments at fair value on a recurring basis as of December 31, 2025 and 2024, by level within the fair value hierarchy, is as follows:

	Investments at Fair Value as of December 31, 2025			
	Level 1	**Level 2**	**Level 3**	**Total**
Investment funds:				
Collective trust fund	$ 109,109,511	$ -	$ -	$ 109,109,511

Total assets—at fair value	$ 211,530,217	$ -	$ -	$ 211,530,217

* The self-directed brokerage accounts are a specific type of participant-directed investment option that allows participants to select investments outside the Plan's core investments, including US stocks, a broad selection of mutual funds, and individual bonds. All of these investments are measured at fair value.

	Investments at Fair Value as of December 31, 2024			
	Level 1	**Level 2**	**Level 3**	**Total**
Investment funds:				
Collective funds	$ 95,331,573	$ -	$ -	$ 95,331,573
Mutual funds	81,842,464	-	-	81,842,464
Variable annuities	9,914,683	-	-	9,914,683
Total investment funds	187,088,720	-	-	187,088,720
Self-directed brokerage account*	1,814,603	-	-	1,814,603
Total assets—at fair value	$ 188,903,323	$ -	$ -	$ 188,903,323

* The self-directed brokerage accounts are a specific type of participant-directed investment option that allows participants to select investments outside the Plan's core investments, including US stocks, a broad selection of mutual funds, and individual bonds. All of these investments are measured at fair value.

The Plan holds certain investments that represent 10% or more of the Plan's net assets available for benefits. As of December 31, 2025 and 2024 the Plan held such investments totaling $42,264,893 and $38,958,062, respectively.

8. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

Limitations on the Ability of the GIC to Transact at Contract Value—The GIC has certain restrictions that affect the ability of the Plan to collect the full contract value. For example, the Plan may not withdraw more than 10% of the beginning-of-the-year balance of the contract without incurring a penalty. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. Empower may not terminate the contract at any amount less than the contract value.

Average Yields—Empower is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with Empower but may not be less than one-and-one-half percent (1-1/2%). Such interest rates are reviewed on a quarterly basis for resetting. The crediting rate of the contract will track current market yields on a trailing basis.
