INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Clearwing Productions, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Clearwing Productions, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 (in liquidation) and 2024 (ongoing), and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 (in liquidation) and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Clearwing Productions, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Clearwing Productions, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Terminating Plan and Liquidation Basis of Accounting

As further discussed in Note 6 to the financial statements, the President, acting on behalf of the Board of Directors of Clearwing Productions, Inc., the plan's sponsor, elected to transfer its assets to a successor plan, and effectively terminate the Clearwing Productions, Inc. 401k Plan following the asset transfer. In accordance with accounting principles generally accepted in the United States of America, the plan has changed its basis of accounting from the ongoing plan basis used in presenting the 2024 financial statements to the liquidation basis used in presenting the 2025 financial statements. Our opinion is not modified with respect to this manner.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Clearwing Productions, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Clearwing Productions, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Clearwing Productions, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule Form 5500, Schedule H, Item 4(i) Schedule of Assets (Held at End of Year) for the year ended December 31, 2025 (in liquidation) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CLEARWING PRODUCTIONS, INC. 401(K) PLAN
Notes to Financial Statements
For the years ended December 31, 2025 (In liquidation) and 2024 (Ongoing)

NOTE 1 – Description of Plan

The following description of the Clearwing Productions, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A. Nature of the Plan

The Plan is a defined contribution plan covering substantially all eligible employees of Clearwing Productions, Inc., Clearwing Productions Arizona, LLC, Clearwing Systems Integration, LLC, Clearwing Productions Colorado, LLC, and Big Event Logistics, LLC (collectively, the Company) who are at least 21 years old and have completed at least 60 days of service. The Plan excludes employees who are members of a collective bargaining unit, leased employees, non-resident aliens, freelancers, students, interns, and seasonal employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The custodians of the plan are Empower Trust Company, LLC and Empower Annuity Insurance Company of America.

The Plan was restated effective June 30, 2020 in order to comply with required legislative updates. There were no significant changes to the Plan provisions as a result of the restatement. The Plan's federal identification number is 39-1579608 and the Plan number is 001.

Effective for the Plan year ending December 31, 2024, the Plan adopted the provision to increase the maximum account balance for automatic direct rollovers from $5,000 to $7,000 in accordance with Version 2 of the Setting Every Community Up for Retirement Enhancement (SECURE) Act.

B. Contributions

Each year, participants may contribute up to 100% of pre-tax compensation, as defined by the Plan. Participants are permitted to designate a portion or all of their deferral contributions as Roth 401(k) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Plan includes an auto-enrollment provision in which all newly eligible employees are automatically enrolled in the Plan at a deferral rate of 3% of eligible compensation unless they elect not to participate in the Plan. The contributions are invested in a designated target date fund until changed by the participant.

The Company has the option to make discretionary matching contributions to the Plan. The Company elected to match 10% of participants' contributions to the Plan for the years ending December 31, 2025 and 2024.

Contributions are subject to certain limitations as mandated by the Internal Revenue Code (IRC).

NOTE 1 – Description of Plan (continued)

C. Participant Accounts and Rollovers

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's discretionary matching contribution, (b) plan earnings and losses, (c) a transfer in from a qualified plan (rollover contribution), and charged with the participant's benefit payments and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

D. Forfeitures

If a participant terminates employment, any non-vested Company discretionary matching contributions are forfeited when the participant receives a distribution or incurs five consecutive one-year breaks in service, whichever occurs first. Forfeited amounts will be used in accordance with the applicable Plan provisions. There were no forfeitures used to pay administrative expenses of the Plan or reduce Company discretionary matching contributions during 2025 or 2024. The unallocated forfeitures as of December 31, 2025 and 2024 were $26,746 and $12,404, respectively.

E. Investment Options

Participants may direct all their contributions among one or more investment options offered by the Plan. Upon enrollment in the Plan, participants may change their investment options monthly.

F. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance, less defaulted loans (if any). The term of the loan may not exceed five years. The loans are secured by the balance in the participant's account. The interest rates range from 4.25% to 9.50%. Principal and interest are paid ratably through payroll deductions.

G. Vesting

Participants are immediately vested in their voluntary contributions and rollover contributions plus actual earnings (losses) thereon. Vesting in the Company's discretionary matching contribution portion of their accounts plus earnings (losses) thereon is based on the following table:

Years of Service	Vested Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

NOTE 1 – Description of Plan (continued)

H. Benefit Payments

Upon termination of service, death, disability, or retirement (age 65), a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Under certain conditions, participants may receive a hardship distribution from their account. In-service withdrawals of all or a portion of the participant's vested account balance can be made for any reason upon the participant's attainment of age 59 ½. A participant that terminates employment whose account balance is less than $7,000 will receive a distribution of their vested aggregate account balance without the consent of the participant.

NOTE 2 – Summary of Significant Accounting Policies

A. Basis of Accounting

The 2025 financial statements of the Plan are prepared under the liquidation basis of accounting, as liquidation was deemed to be imminent on October 27, 2025. See Note 6 for more information. The 2024 financial statements of the Plan are prepared under the accrual basis of accounting.

As of December 31, 2025, all of the Plan's investments are required to be reported at fair value under the liquidation basis of accounting. At December 31, 2024, all of the Plan's investments were reported at fair value, except for the fully benefit-responsive investment contract. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

B. Estimates

The preparation of financial statements is in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) and requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are stated at fair value (except for the fully benefit-responsive investment contract at December 31, 2024, which is stated at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. See Note 3 for discussion on fair value measurements.

NOTE 2 – Summary of Significant Accounting Policies (continued)

C. Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest less amounts defaulted (if any). Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.

In October 2025, the balance of the notes receivable from participants was transferred out of the Plan and into a successor plan in order for the new custodian and recordkeeper to continue maintenance of the loan balances, including applying payroll withholdings to participant accounts. The balance of the notes receivable from participants transferred out during October 2025 was $44,153.

E. Payment of Benefits

Benefits are recorded when paid.

F. Administration Expenses

The Company is not required to but may pay administrative expenses of the Plan. Loan administration and distribution fees are charged directly to the participant's account and are included in administrative expenses. The Plan also pays certain investment advisory and plan administration fees from Plan assets. Certain investment-related expenses are included in net appreciation of fair value of investments.

G. Subsequent Events

The Company has evaluated subsequent events for potential recognition and disclosure through October 5, 2026, the date the financial statements were available for issuance. There were no significant non-recognized subsequent events through that date, other than those mentioned regarding the Plan termination at Note 6.

NOTE 3 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Topic 820 are described as follows:

NOTE 3 – Fair Value Measurements (continued)

Level 1: Inputs to the valuation methodology are quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2: Inputs to the valuation methodology other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as (a) Quoted prices for similar assets or liabilities in active markets; (b) Quoted prices for identical or similar assets or liabilities in inactive markets; (c) Inputs other than quoted prices that are observable for the asset or liability; (d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology that are unobservable inputs for the asset or liability.

Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodology used for assets measured at fair value. During 2025, there was a change in the valuation methodology for the fully benefit-responsive investment contract, which is valued at fair value as of December 31, 2025 in accordance with the liquidation basis of accounting.

Registered Investment Companies (Mutual Funds)

Mutual Funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the US Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Fully Benefit-responsive Investment Contract

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than zero percent.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

NOTE 3 – Fair Value Measurements (continued)

Description	Assets at Fair Value as of December 31, 2025 Level 1	Total
Registered investment companies	$ 5,624,891	$ 5,624,891
Fully benefit-responsive investment contract	86,720	86,720
Total Investments at Fair Value	$ 5,711,611	$ 5,711,611

Description	Assets at Fair Value as of December 31, 2024 Level 1	Total
Registered investment companies	$ 4,817,961	$ 4,817,961
Total Investments at Fair Value	$ 4,817,961	$ 4,817,961

NOTE 4 – Fully Benefit-Responsive Investment Contract

The Plan entered into a traditional fully-benefit responsive investment contract with Empower Annuity Insurance Company of America. The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value at December 31, 2024.

At December 31, 2024, contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. As of December 31, 2024, the contract value of the fully benefit-responsive investment contract was $71,264.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than zero percent. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE 4 – Fully Benefit-Responsive Investment Contract (continued)

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Such events include the following: (1) the Plan's failure to qualify under Section 401(a) of the IRC or the failure of the trust to be tax-exempt under Section 501(a) of the IRC, (2) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (3) changes to the Plan's prohibition on competing investment options, or (4) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that significantly affect Plan operations.

The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with the contract issuer and with participants are probable of occurring.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following: (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreements without consent of the issuer.

NOTE 5 – Information Prepared and Certified by Qualified Institutions

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information included in the accompanying financial statements and supplemental schedule of assets (held at end of year), including investments held at December 31, 2025 and 2024, notes receivable from participants held at December 31, 2024, net appreciation in fair value of investments, interest on notes receivable from participants, and interest and dividends for the year ended December 31, 2025, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Empower Trust Company, LLC and Empower Annuity Insurance Company of America (qualified institutions and custodians of the plan) and has not been audited by the independent auditors for the Plan.

NOTE 6 – Plan Termination

On October 27, 2025, the Plan Administrator filed a deconversion transfer request to the custodians of the plan to execute a deconversion and full transfer of the Plan's assets to a successor plan due to the Plan Sponsor being acquired by another company during 2025. The remaining balance of the Plan's assets will be transferred to Fulton Financial Advisors, the successor plan's recordkeeper and custodian, during 2026. Fulton Financial Advisors was also appointed as the Plan's Trustee effective December 16, 2025.

NOTE 6 – Plan Termination (continued)

After all plan assets are transferred, the Plan will terminate. Participant balances will be transferred to the successor plan prior to termination and are therefore not subject to the 100% vesting requirement of ERISA. All rights, titles, powers, duties, discretions, and immunities imposed upon or reserved to the Trustee and the Company will continue in effect until all assets have been transferred by the Trustee as directed by the Company.

NOTE 7 – Tax Status

The Company adopted a non-standardized pre-approved plan document, which received an opinion letter dated June 30, 2020, in which the Internal Revenue Service (IRS) stated that the non-standardized pre-approved plan document was in compliance with applicable requirements of the IRC. The Plan has not received a determination letter specific to the Plan itself and has been amended since adopting the non-standardized pre-approved plan document; however, the Plan Administrator believes that the Plan is designed, and is being operated, in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management determined there were no items to be recognized as of December 31, 2025 and 2024. The Plan is subject to routine audits by US Federal taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – Party-In-Interest Transactions

Four of the Plan's investments are managed by Empower Trust Company, LLC and Empower Annuity Insurance Company of America, the custodians, and therefore, these transactions qualify as party-in-interest. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. Certain administrative expenses were paid by the Plan or the Company. The Plan issues loans to participants, which are secured by the vested balance of the participants' accounts. These transactions qualify as party-in-interest.

NOTE 9 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
