Independent Auditor's Report

To the Plan Administrator
Fiducial 401(k) Retirement Savings Plan
Columbia, MD

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Fiducial 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Fiducial 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Fiducial 401(k) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fiducial 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fiducial 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fiducial 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets Held at End of Year as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FIDUCIAL 401(K) RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE A – DESCRIPTION OF PLAN

Fiducial 401(k) Retirement Savings Plan (the "Plan") is a defined contribution plan established on January 1, 1999. The Plan covers employees of the following entities: Fiducial Business Centers, Inc., Fiducial Paymaster, Inc., Fiducial Business Services, Inc., Fiducial Support Systems, Inc., Fiducial Franchises, Inc., Fiducial Properties, Inc., Fiducial Recruiting Services, Inc., Diamond Title & Escrow, Inc., Fiducial Investment Advisors, Inc., and Fiducial Lending Corporation (the "Companies", "Employers", or "Plan Sponsors"). T. Rowe Price Retirement Plan Services, Inc. is the Plan's bookkeeper and Reliance Trust Company is the Trustee.

The following brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employees Retirement Income Security Act of 1974 ("ERISA"), as amended.

Eligibility

The Plan is a defined contribution plan covering all full-time employees of the Companies who are age twenty-one or older, with the exception of union employees, non-resident aliens, employees classified by the employer as seasonal employees, and leased employees. In addition, employees who have completed at least 1,000 hours of service are eligible to participate in the Plan.

Participant Contributions

Participants may contribute up to 100 percent of their annual pre-tax compensation, as defined in the Plan, not to exceed the maximum allowable amounts under the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit and defined contribution plans.

Employer Contributions

The Employers match participant contributions representing 25 percent of the participant's deferral amount (limited to four-percent of eligible compensation). To be eligible for the matching contribution, a participant must meet a requirement of 1,000 hours of compensated service during the current or a prior Plan year. Contributions are subject to certain limitations. The Employers may also make a discretionary profit sharing contribution to the Plan. For the years ended December 31, 2025 and 2024, there were no profit sharing contributions made to the Plan.

NOTE A – DESCRIPTION OF PLAN (continued)

Rollover Contributions

Participants are allowed to rollover their former employer's qualified retirement plan funds, subject to Plan provisions.

Investment Options

The Plan provides for participant-directed investment programs, whereby the Plan sponsors determine which investment options are available and the participants may choose among the available options. Participants may have their accounts invested in any single or combination of registered investment companies' accounts. Participants may change their investment options at any time by reallocating contributions among different investment alternatives. Participants may also transfer contributions into and out of investments provided under the Plan, subject to possible restrictions.

Participant Accounts

The Plan qualifies as a participant-directed plan under Section 401(c) of the Internal Revenue Code. Each participant's account is self-directed and is credited with an allocation of the participant's pre-tax and or after-tax (Roth) elective contribution and an allocation of the Companies' matching contributions and Plan earnings. Participant accounts are reduced by any withdrawals or distributions, investment losses, decreases in values of investments, and share of fees and expenses, as applicable. Allocations are pursuant to Plan provisions.

Notes Receivable From Participants

Participants may borrow from their funds' accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. Loans are secured by an assignment of a security interest in the participant's account, and bear interest at a rate commensurate with prevailing interest rates charged on similar loans. The interest rate shall stay fixed throughout the duration of the loan. Principal and interest payments are made through payroll deductions. The repayment period of loans cannot exceed five years unless the proceeds are used to purchase the participant's principal residence, in which case longer loan terms are permitted.

Vesting

Participants are immediately fully vested in their deferral contributions plus actual earnings, as well as employer matching contributions.

NOTE A – DESCRIPTION OF PLAN (continued)

Payment of Benefits

Participants can make withdrawals of any vested amounts from their account without penalty once they reach age 59 ½. In addition, benefits may be paid from participant accounts upon disability, termination of employment, death, or upon the Plan's termination. Participants who are age 75 and over are required by the Internal Revenue Service ("IRS") to make certain required minimum distributions. Eligible participants may request an in-service hardship distribution of elective deferrals and any vested employer contributions subject to the Plan's provisions. Upon termination of employment, participants may receive their Plan benefits in a single lump-sum payment or in the form of an alternative elected distribution plan. The taxable portion of the withdrawal is subject to federal and state income taxes, and under certain circumstances, an additional tax if the participant has not reached age 59 ½, unless the amount is rolled over into an eligible employer plan or Individual Retirement Account.

Forfeitures

Forfeited non-vested account balances may be used to reduce administrative expenses or to fund the employer's matching contribution. During 2025 and 2024, forfeitures totaling $3,434 and $2,357, respectively, were used to fund employer matching contributions. At December 31, 2025 and 2024, $12 and $590, respectively, of forfeitures were available to be used in future years to reduce administrative expenses or fund employer matching contributions.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and in the disclosures of contingent assets and liabilities. Accordingly, actual results could differ from these estimates.

Payment of Benefits

Benefit payments to participants are recorded when paid.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for a discussion of the fair value measurement.

Interest is recorded as earned and dividend income is accrued as of the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses and Operating Expenses

The Companies absorb the majority of custodial, administrative, and other professional fees related to the operation of the Plan. Administrative costs, except for certain contract administrative services, investment fees, and distributions that are paid out of the related participant accounts, are paid by the Companies and have not been included in the accompanying financial statements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

NOTE C – INFORMATION CERTIFIED BY TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, information certified by Reliance Trust Company (the "Trustee"), a qualified institution, as of and for the years ended December 31, 2025 and 2024, was not audited, except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule.

NOTE C – INFORMATION CERTIFIED BY TRUSTEE (continued)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from information provided to the Plan administrator and certified as complete and accurate by Reliance Trust Company.

The following investment information has been certified by the Trustee as of and for the years ended December 31, 2025 and 2024:

	2025	2024
Interest-bearing cash	$ 293,728	$ 298,493
Investments, at fair value	9,892,046	8,444,053
Interest income on participant notes receivable	3,988	2,768
Dividends	561,120	299,698
Net appreciation in fair value of investments	860,509	1,237,910

NOTE D – FAIR VALUE MEASUREMENT

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurement*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include a) quoted prices for similar assets or liabilities in active markets; b) quoted prices for identical or similar assets or liabilities in inactive markets; c) inputs other than quoted prices that are observable for the asset or liability; and d) inputs that are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specific (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

NOTE D – FAIR VALUE MEASUREMENT (continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The fair value of mutual funds are determined by using the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Security and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents the Plan's fair value hierarchy for assets measured at fair value on a recurring basis as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 9,892,046	$ -	$ -	$ 9,892,046

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 8,444,053	$ -	$ -	$ 8,444,053

NOTE E – INCOME TAX STATUS

The IRS had determined as of March 31, 2008, that the Fidelity Management & Research Company's Volume Submitter defined contribution plan was designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Volume Submitter Plan was adopted by the Plan's Trustees on October 15, 2009. Management of the Companies and the Plan's tax counsel believe that the Plan is currently designed and operating in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS.

The Plan's Form 5500 is subject to examination by the IRS for the period of three years from the date it was filed, except under certain circumstances. There were no uncertain tax positions identified by the Plan. The Plan's Form 5500 for the years 2022 through 2024 are open for a tax examination by the IRS although no request has been made as of the date of these financial statements.

NOTE F – PARTY-IN-INTEREST TRANSACTIONS

Reliance Trust Company is the Trustee as defined by the Plan. Fees paid by the Plan for contract administrative services provided by T. Rowe Price totaled $31,102 and $31,972, for the years ended December 31, 2025 and 2024, respectively. Plan investments are shares of mutual funds sold and managed by T. Rowe Price, which qualifies as a party-in-interest. Certain costs of investment fees and expenses incurred on behalf of the Plan were paid by the Plan assets, which reduced investment income.

NOTE G – PRIORITIES UPON PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right to amend the Plan, to discontinue their contributions at any time, and to terminate the Plan subject to the provisions of ERISA and the Plan document. Upon the Plan's termination, participants would become 100% vested in their account balances as of the date of termination.

NOTE H – RISKS AND UNCERTAINTIES

The Plan provides for investment in various investment securities that are exposed to various risks, such as interest rate, credit risks, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I – SUBSEQUENT EVENTS

In preparing these financial statements, the Companies have evaluated events and transactions for potential recognition or disclosure through September 25, 2026, the date the financial statements were available to be issued. There were no events or transactions that were discovered during the evaluation that required further disclosure.
