INDEPENDENT AUDITORS' REPORT

Trustees
ONBE, Inc. 401(k) Plan
Buffalo Grove, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the ONBE, INC. 401(K) PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the ONBE, INC. 401(K) PLAN's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower Trust Company, LLC, a qualified institution, as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the ONBE, INC. 401(K) PLAN and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the ONBE, INC. 401(K) PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the ONBE, INC. 401(K) PLAN's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the ONBE, INC. 401(K) PLAN's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules listed in the accompanying table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified by Empower Trust Company, LLC, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE 1—PLAN DESCRIPTION

The following description of the ONBE, Inc. 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

1. General - The Plan is a defined contribution plan covering all employees of ONBE, Inc. ("Company") and was established January 1, 2019, and later amended and restated with an effective date of January 1, 2022. The Plan was formed as a result of merger activity and transfers of assets from the DaVinci Payment 401(k) Profit Sharing Plan and Trust and the Insperity 401(k) for North Lane Technologies, Inc.

2. Contributions

   Employee Contributions

   Each year, participants may choose to make 401(k) and/or Roth contributions by payroll deductions, up to 100% of their compensation, as defined in the Plan, up to a maximum of $23,500 for 2025 and $23,000 for 2024. Participants who are at least age 50 may make an additional "catch-up" contribution of $7,500 for 2025 and 2024. Participants may also roll over amounts from certain qualified plans.

   Safe Harbor Matching Contributions

   Each year, the Company is required to make a safe harbor contribution to all eligible participants. The safe harbor contribution is calculated at 100% of participants' elective deferrals, up to 4% of compensation. The Company made safe harbor contributions in the amount of $1,471,804 and $1,598,759 for the years ended December 31, 2025 and 2024, respectively.

   Discretionary Contribution

   Each year, the Company may elect to make a discretionary contribution. The Company elected not to make discretionary contributions for the years ended December 31, 2025 and 2024.

3. Participant Accounts - Each participant's account is credited with the participant's and employer's contributions. Allocations are based on participant contributions, plan compensation, or account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their accounts into a variety of mutual funds and/or an annuity fund and may change their investment elections as frequently as they like.

4. Vesting - Participants are 100% vested in their contributions and company safe harbor matching contributions, plus actual earnings thereon. Participants' vesting in their other employer contributions accounts is determined in accordance with a schedule based on the participant's hours of service. A participant is fully vested after four years of service.

5. Forfeitures - As of December 31, 2025 and 2024, forfeited non-vested accounts totaled $12,445 and $12,008. Forfeitures can be used as additional employer contributions and/or to pay for various fees of the Plan.

6. Payment of Benefits - On termination of service, death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of their vested interest in his or her account.

NOTE 1—PLAN DESCRIPTION (Continued)

7. Plan Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments. Fees related to the administration of notes receivable from participants and payments of benefits are charged directly to the participant's account and are included in administrative expenses.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments held by a defined contribution plan are required to be reported at fair value, except for those investments with contract values, because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Investments other than the annuity fund are stated at fair value as of December 31, 2025 and 2024.

The Empower Investments Fixed Account group annuity contract is a general account product of the Empower Annuity Insurance Company of America (EAICA). It was previously the Great-West Investments Fixed Account from the Great-West Life & Annuity Insurance Company (Empower is a subsidiary of Great-West Lifeco). The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rate is reset quarterly. The crediting interest rate was 1.45% and 1.41% for the years ended December 31, 2025 and 2024, respectively.

Net appreciation on investments held represents the change in market value of the investments from the beginning of the Plan year (or date the investments were purchased, if later) to the end of the year. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Participant loans are considered delinquent when required payments are not made in accordance with the terms of the loan. A loan that is in default may be treated as a deemed distribution to the participant for federal income tax purposes. Such deemed distributions do not constitute an actual distribution of Plan assets unless and until the participant's account is offset or otherwise distributed in accordance with the terms of the Plan.

BENEFITS

Benefits are recorded when paid.

NOTE 3—FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the years ended December 31, 2025 and 2024.

Level 1 Fair Value Measurements

The fair value of the mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

Empower EI Fixed Account – Series Class I represents investment contracts at contract values.

Level 3 Fair Value Measurements

Level 3 fair value measurements are not applicable to the Plan for 2025 and 2024.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while management believes the Plan's valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3—FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

Assets at Fair Value as of December 31, 2025

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 30,002,591	$ —	$ —	$ 30,002,591
Group Annuity Contract	—	582,481	—	582,481
Total in Fair Value Hierarchy	$ 30,002,591	$ 582,481	$ —	$ 30,585,072

Assets at Fair Value as of December 31, 2024

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 23,949,081	$ —	$ —	$ 23,949,081
Group Annuity Contract	—	528,390	—	528,390
Total in Fair Value Hierarchy	$ 23,949,081	$ 528,390	$ —	$ 24,477,471

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2025 and 2024, there were no transfers between Levels 1 and 2.

NOTE 4—INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's trustee, Empower Trust Company, LLC, has certified that the following data included in the accompanying financial statements and schedule of assets held at end of year is complete and accurate.

a. Investments, as shown in the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024.

b. Investment income, as shown in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2025 and 2024.

c. The schedule of assets (held at end of year) as of December 31, 2025, as shown on Schedule H - Line 4(i).

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5—NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from the employee contribution portion of their account balance. The minimum loan amount is $1,000. The maximum loan amount is the lesser of (i) 50% of your account balance, or (ii) $50,000 (less the highest outstanding balance of your loans from the Plan for the 12-month period prior to the day a loan is made). Repayments of principal and interest are made in substantially equal installments (not less frequently than quarterly) over the specified loan period (generally five years, unless the loan is for the purchase of a home). Interest rates are determined at the Prime rate plus 1% at the time the loan is taken.

NOTE 6—TAX STATUS

The Plan has adopted the Empower Retirement, LLC Prototype Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA. The Empower plan has obtained an opinion letter from the Internal Revenue Service, dated November 14, 2022, stating that the prototype plan is acceptable for use by employers for the benefit of their employees under Internal Revenue Code (IRC) Section 401. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7—PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8—RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Company provides to the Plan certain accounting and administrative services for which no fees are charged. In addition, the majority of the expenses of the Plan are paid by the Company.

The Plan's investments are held by Empower Retirement, LLC and, therefore, transactions with Empower Retirement, LLC quality as party-in-interest transactions. The Plan paid administrative fees directly to Empower in the amount of $52,901 for 2025 and $44,005 for 2024. Other fees are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

None of the transactions with related parties and parties-in-interest were prohibited.

NOTE 9—RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2025.

Net Assets Available for Benefits per Form 5500	$	30,799,761
Add: Deemed Distributed Loan for Tax Purposes		9,764
Net Assets Available for Benefits per Financial Statements	$	30,809,525

The following is a reconciliation of the changes in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2024.

Net Increase in Assets Available for Benefits per Form 5500	$	5,793,991
Add: Deemed Distributed Loans for Tax Purposes		9,764
Net Increase in Assets Available for Benefits per Financial Statements	$	5,803,755

NOTE 10—PROHIBITED TRANSACTIONS

During 2025, the Company failed to transmit participant contributions and loan repayments totaling $279,734 within the timeframe required by DOL Regulation 2510.3-102. The Company remitted the $279,734 to the Plan during 2025. The Company remitted lost earnings to the Plan during 2026 in restoration of participant's lost earnings on those monies.

NOTE 11—SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 6, 2026, the date in which the financial statements were available to be issued. There were no subsequent events which require disclosure.
