The Retirement Plan’s Advisory Committee
Banner Health Employees 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Banner Health Employees 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Banner Health Employees 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Baker Tilly Advisory Group, LP and Baker Tilly US, LLP, trading as Baker Tilly, are members of the global network of Baker Tilly International Ltd., the members of which are separate and independent legal entities. Baker Tilly US, LLP is a licensed CPA firm that provides assurance services to its clients. Baker Tilly Advisory Group, LP and its subsidiary entities provide tax and consulting services to their clients and are not licensed CPA firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Banner Health Employees 401(k) Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Banner Health Employees 401(k) Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Banner Health Employees 401(k) Plan’s internal control. Accordingly, no such opinion is expressed.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Banner Health Employees 401(k) Plan’s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule

The Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 – Description of Plan

General – The Banner Health Employees 401(k) Plan (the Plan) is a defined contribution plan providing retirement benefits to eligible employees of Banner Health and its subsidiaries (collectively, the Company or Banner). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Participants should refer to the plan document for more complete information regarding the Plan's definitions, benefits, eligibility, and other matters.

The Company is the sponsor and administrator of the Plan. The Company's Retirement Plans Advisory Committee is responsible for the general administration of the Plan. Trustee functions are performed by Fidelity Management Trust Company (Fidelity). Recordkeeping services are provided by Fidelity Workplace Services, LLC. Costs of administering the Plan are paid by the Company and by plan participants. The Plan was restated effective January 1, 2023, to incorporate all the amendments since the last restatement in 2022.

Eligibility – All full time, part time, and per diem employees of the Company are eligible to participate in the Plan immediately upon hire, provided that they are not eligible to contribute to any other 401(k) plan or 403(b) plan sponsored by the Company.

Contributions – Eligible employees may contribute up to 100% of their eligible pre-tax compensation as defined in the Plan. After contributing at least 4% on a pre-tax basis, participants may also elect to make Roth contributions on an after-tax basis. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified plans.

The Company matches 100% of employees' pre-tax contributions, up to 4% of each employee's eligible compensation after one year of employment. The Company has a true-up matching contribution that is reflected as employer contributions receivable on the statements of net assets available for benefits as of December 31, 2025 and 2024. Additional discretionary profit-sharing contributions may be contributed at the discretion of the Company's Board of Directors. No such amounts were contributed for the year ended December 31, 2025.

Contributions are subject to regulatory limitations.

Vesting – Generally, participants are 100% vested in their account balance under the Plan. Former participants of The Orthopedic Clinic Association, P.C. Profit Sharing Thrift Plan (the TOCA Plan) with profit-sharing contributions attributable to the TOCA Plan vest in those contributions based on credited service, 20% vested after their second year of service and an additional 20% each year until fully vested after six years of service.

Participant accounts – The Plan maintains individual accounts for each participant. Participants direct the investment of all contributions and earnings into one or more investment options offered by the Plan. Each account is credited with participant and employer contributions and allocation of plan earnings and is charged with an allocation of administrative expenses. Plan earnings are allocated based on the participant's pro rata share of net earnings or losses of their respective elected investment options.

Allocations of administrative expenses are variable based on the timing and amounts of paid invoices and deducted from participants' account balances throughout the year. Allocations of recordkeeping fees are based on a fixed amount per participant per year which is deducted from participants' account balances on a quarterly basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures – Forfeitures are the nonvested portion of a participant's account that is lost upon termination of employment. Forfeitures are retained in the Plan and used to reduce future Company contributions or plan administrative expenses. As of December 31, 2025 and 2024, forfeited nonvested accounts totaled $123,543 and $56,277, respectively.

Notes receivable from participants – Participants may borrow from their account a minimum of $1,000 up to a maximum equal to the lesser of one-half of the participant's vested account balance or $50,000 reduced by the highest outstanding loan balance in the participant's account during the prior 12-month period. All loans must be repaid within five years, unless a participant's loan was used to purchase a primary residence, in which case the loan must be repaid within a reasonable period of time not to exceed 15 years. The loans are secured by the balance in the participant's account and bear interest at a rate determined by the plan administrator based on prevailing commercial interest rates. The interest rate will remain fixed during the duration of the loan. As of December 31, 2025, interest rates on outstanding loans ranged from 4.25% to 9.50%, with various maturities through February 2041.

Payment of benefits – Vested benefits are distributed to participants or their beneficiaries upon death, disability, retirement, or termination of employment through one lump-sum payment, installment payments, or the purchase of an individual or qualified joint and survivor annuity contract.

Voluntary withdrawals – A participant, while employed by the Company, may withdraw employee contributions and earnings thereon upon either a hardship as defined by the Plan or attaining age 59½ years of age. A participant, while employed by the Company, may also withdraw rollover or non-Roth after-tax contributions and earnings at any time. Matching contributions may be withdrawn at age 59½ but may not be included in a hardship withdrawal.

Plan termination – Although it has not expressed any intent to do so, the Company reserves the right to discontinue its contributions and/or terminate the Plan at any time subject to the provisions of ERISA. In the event of the Plan's termination, all active participant accounts will become fully vested and the assets of the Plan would be distributed in accordance with the provisions of the plan document.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), using the accrual method of accounting.

Benefit payments – Benefits are recorded when paid.

Use of estimates – The preparation of financial statements in accordance with GAAP requires management to make estimates that affect the amounts reported in the financial statements, accompanying notes, and supplemental schedule. Actual results could differ from those estimates.

Investment valuation and income recognition – Investments held by the Plan are stated at fair value. The Plan's trustee, Fidelity, certifies the fair market value of all investments. If available, quoted market prices are used to value investments. Fair value is defined as the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date (an exit price). See Note 3 for further discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis, and dividends are recorded on the declaration date. Net appreciation includes the Plan's gains and losses on investments bought, sold, and held during the year.

Notes receivable from participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions upon the occurrence of a distributable event, based on the terms of the Plan agreement.

Expenses – Certain investment fund options are subject to investment and administrative fees based on a percentage of invested assets, as disclosed in the fund's prospectus. All such fees are charged directly against the fund's investment performance; thus, they are not separately disclosed in the accompanying financial statements. Participants are assessed separate fees for the administration of loans and repayments thereof, as well as investment advisory services, and such fees are separately disclosed in the financial statements. All other administrative expenses related to the Plan are paid by the Company and plan participants.

The Plan shares in fee revenues generated within certain mutual fund investments. The shared revenues are maintained in a separate revenue credit account and may be used to pay qualified plan expenses or allocated to the accounts of Plan participants, at the discretion of the plan administrator. As of December 31, 2025 and 2024, balances in the revenue credit account totaled $370,470 and $493,413, respectively.

Risks and uncertainties – The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent events – The Plan has evaluated subsequent events through September 24, 2026, which is the date the financial statements were available to be issued.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2025 and 2024.

Mutual funds – Shares held in registered investment companies (mutual funds) are valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission.

Self-directed brokerage accounts – Accounts primarily consist of mutual funds, exchange traded funds, and common stocks that are valued on the basis of readily determinable market prices.

Collective trusts – Units held in collective trusts (CTs) are valued using the NAV practical expedient of the trust as reported by the CT managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CT, minus its liabilities, and then divided by the number of units outstanding.

The following table provides additional information for investments in certain entities that calculate NAV per share (or its equivalent):

	$5,057,048,824	$4,126,177,514			

(a) Participant-directed redemptions have no restrictions; however, the Plan is required to provide a one-year redemption notice to liquidate its entire share in the fund.

The Reliance Legal & General Russell 2000 Fund is not a direct filing entity (DFE). The investment strategy of the Reliance Legal & General Russell 2000 Fund is to provide exposure to U.S. small-cap companies by tracking a quality-tilted index derived from the Russell 2000 Index.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	Fair Value Measurement at December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 369,904,860	$ -	$ -	$ 369,904,860

Note 4 – Certified Investment Information

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, the trustee of the Plan, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024.
- Net appreciation in fair value of investments, dividends and interest, and interest income from notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Investments reflected on the schedule of assets (held at end of year).

Note 5 – Income Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated December 9, 2016, that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since the date of the determination letter; however, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt. The Plan administrator has submitted an application for an updated determination letter.

In accordance with guidance on accounting for uncertainty in income taxes, the Plan administrator has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 – Party-in-Interest Transactions

Certain plan investments are managed by Strategic Advisers, Inc., a registered investment advisor and an affiliate of Fidelity. During 2025, the Plan paid fees to Fidelity Investments Institutional Operations Company, Inc., and Strategic Advisers, Inc., affiliates of Fidelity (the trustee of the Plan) and, therefore, transactions with these entities qualify as exempt party-in-interest transactions. Additionally, the Plan paid the Company fees for reimbursements of eligible expenses related to the Plan.

Note 7 – Reconciliation to Form 5500

The following is a reconciliation of the net assets available for benefits reported in the financial statements and the net assets reported on the Form 5500 as of December 31, 2024:

Net assets available for benefits, per the financial statements	$4,923,402,986
Less employer contributions receivable at December 31, 2024	(4,828,103)
Net assets per the Form 5500	$4,918,574,883

The following is a reconciliation of the change in net assets available for benefits reported in the financial statements and the net income reported on the Form 5500 for the year ended December 31, 2025:

Change in net assets available for benefits, per the financial statements	$ 904,380,729
Employer contributions receivable at December 31, 2024	4,828,103
Net income per the Form 5500	$ 909,208,832

The Form 5500 has certain items that differ from amounts shown in the accompanying financial statements. These differences relate to classification only and have no effect upon net assets available for benefits for either period.
