INDEPENDENT AUDITOR'S REPORT

To the Administrator of
Midwest ENT Alliance, LLC
401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Midwest ENT Alliance, LLC 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2025, and the related statement of changes in net assets available for benefits (modified cash basis) for the period January 1, 2025 (date of inception) through December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Midwest ENT Alliance, LLC 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025, and for the period then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Midwest ENT Alliance, LLC 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Midwest ENT Alliance, LLC 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Midwest ENT Alliance, LLC 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Midwest ENT Alliance, LLC 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a, Schedule of Delinquent Participant Contributions and Schedule H, Line 4i, Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(1) DESCRIPTION OF PLAN

The following description of the Midwest ENT Alliance, LLC 401(k) Retirement Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions. The Plan was formed on January 1, 2025.

General

The Plan is a defined contribution plan covering all employees of Midwest ENT Alliance, LLC (the Company) who have completed at least 90 days of service. Employees who are eligible to participate in the Plan may join the Plan on the first day of the month following the date on which they become eligible. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute pre-tax annual compensation up to the dollar limit set by law, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may make a discretionary matching contribution each year. Additional safe harbor and profit-sharing amounts may be contributed at the option of the Company's board of directors and are invested in a portfolio of investments as directed by the participant. Employees are entitled to a portion of any additional safe harbor or profit sharing regardless of whether or not they make elective contributions to the Plan. During the year ended December 31, 2025, the Company made $53,785 of contributions to the Plan. Contributions are subject to certain limitations as prescribed by the Internal Revenue Service.

(1) CONTINUED

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) the Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the Company's safe harbor contributions plus actual earnings thereon. Vesting in the Company's optional profit sharing and matching contributions plus actual earnings thereon is based upon their completed years of service in accordance with the following schedule:

Completed years of service	Vested Percentage
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

Vesting in the Company's contributions also becomes 100% at normal retirement age, upon becoming totally disabled, or upon death.

(1) CONTINUED

Participant Notes Receivable

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or in installments over a period of time to be determined by the Plan Administrator. For termination of service for other reasons, a participant will receive the value of the vested interest in his or her account as a lump sum distribution.

Hardship Withdrawals

Participants are generally not permitted to make in-service withdrawals from their accounts prior to the attainment of age 59½; however, the employer may authorize withdrawals from a participant's account in the event of "proven financial hardship." Hardship withdrawals are subject to specific statutory and regulatory requirements.

Forfeited Accounts

At December 31, 2025, available forfeited non-vested accounts totaled $5,582. Forfeitures shall be used to restore account balances, reduce future employer contributions, or to offset plan expenses. No forfeitures were utilized during 2025.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

These financial statements have been prepared using a modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Under the modified cash basis of accounting, other than recognizing unrealized gains and losses on investments, revenue is recognized when received rather than when earned and expenses when paid rather than when incurred.

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Participant Notes Receivable

Notes receivable from participants are measured at their unpaid balance. Delinquent notes receivable are reclassified as distributions based upon the terms of the plan document.

Transactions and servicing fees are charged to the borrowing participants by the Plan's record-keeper.

Payment of Benefits

Benefits are recorded when paid.

(2) CONTINUED

Investment Valuation and Income

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when received. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Record-keeping fees are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation/depreciation in fair value of investments.

(3) SUMMARY OF FINANCIAL DATA CERTIFIED BY THE TRUSTEE (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2025, net appreciation in fair value of investments, interest and dividends, and interest income on the notes receivable for the period ended December 31, 2025, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock Trust Company, LLC ("John Hancock") (the trustee of the Plan).

As of December 31, 2025, the Plan's assets certified by the trustee are as follows:

Trustee	Description of Asset	Amount
John Hancock	Money Market Funds	$ 181,388
John Hancock	Mutual funds	33,050,948
John Hancock	Self-directed brokerage accounts	7,156,122
John Hancock	Common/collective trusts	312,260
John Hancock	Participant notes receivable	76,791
		$ 40,777,509

Investment income and interest income on notes receivable from participants certified by the trustee for the period ended December 31, 2025 were $820,483 and $817, respectively.

(4) FAIR VALUE MEASUREMENTS

Accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes inputs to valuation techniques used to measure fair value. The hierarchy gives priority to unadjusted quoted prices in an active market for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access

Level 2 Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Money market funds: Valued at quoted market prices as of year-end.

(4) CONTINUED

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Valued at quoted market prices that represent the net asset value of the securities held in such funds.

Common/collective trusts: Valued at the NAV of units of the common/collective trust. The NAV, as provided by the trustee, is used as a practical expedients to estimate fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value as of December 31, 2025:

	Fair Value Measurement Using:			
	(Level 1)	(Level 2)	(Level 3)	Total
Money market funds	$ 181,388	$ -	$ -	$ 181,388
Mutual funds	33,050,948	-	-	33,050,948
Self-directed brokerage accounts	7,156,122	-	-	7,156,122
(a) Interest in common/collective trusts (measured at NAV)	-	-	-	312,260
Total investments at fair value	$ 40,388,458	$ -	$ -	$ 40,700,718

(4) CONTINUED

(a) In accordance with ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts represented in this table are intended to permit reconciliations of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

(5) TRANSFERS FROM OTHER PLANS

The Plan was formed on January 1, 2025. All of the assets of certain retirement plans were transferred to the Plan in 2025. The plan sponsors of these retirement plans became divisions of the Company when formed in 2024.

(6) RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

John Hancock Trust Company, LLC ("John Hancock") serves as the trustee of the Plan. John Hancock and its affiliates also provide administrative and other services to the Plan. During 2025, the Plan paid $21,570 to John Hancock for administrative and other services. Because John Hancock is a party-in-interest to the Plan, these transactions qualify as party-in-interest transactions. The Plan believes the transactions were exempt from the prohibited transactions provisions of ERISA.

(7) PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts.

(8) TAX STATUS

The Internal Revenue Service has determined and informed MandMarblestone, as the designer of the prototype plan the Company has sadopted, in a letter dated June 30, 2020 that the Plan and related trust under which it operates are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

(9) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(10) DELINQUENT PARTICIPANT CONTRIBUTIONS

Certain participant contributions and loan repayments were not remitted to the Plan within the time frame specified by the Department of Labor's Regulation 29 CFR 2510.3-102, thus constituting nonexempt transactions between the Plan and the Company during the 2025 Plan year. Late remittances amounted to $84,507 for the period ended December 31, 2025.

For the contributions not remitted timely, the Company will calculated remitted to the Plan an amount representing the earnings that the contributions would have earned if they had been deposited timely.

(11) SUBSEQUENT EVENTS

Management of the Plan has evaluated subsequent events through October 8, 2026, the date on which the financial statements were available to be issued.

In January, 2026, all of the assets of another retirement plan were transferred into the Plan. Total assets of this transfer were approximately $12,000,000.
